## Vision Statement:

Making a difference with every child!

## Mission Statement:

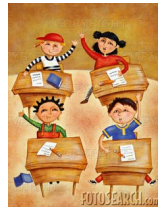

Christine Duncan's Heritage Academy will promote individual social and high academic achievement with differentiated instruction in a dual language setting. We value environmental stewardship, active community participation, family centered learning and cultural diversity.

## GOALS:

- To provide differentiated instruction, delivered through a developmentally appropriate curriculum in a small class setting
- To provide an educational climate of respect and high expectations for every student.
- To create a child, family and community of support where family involvement is a focal point
- To ensure that all students exit their school year meeting or exceeding grade level proficiency.

## What is a Charter School?

A charter school is a tuition-free public school established by a contract with an authorizer, which in New Mexico is either a local school district or the Public Education Commission, to provide a choice in public education for parents, students and educators. A charter school is independently designed and operated and committed to improving the academic achievement of every student, regardless of personal circumstances. Today, over 20,000 New Mexico students attend one of 99 charter schools across the state.

## What do we offer at Christine Duncan Charter School?

### Quality Education with:

- A Highly Qualified Staff (Bilingual or TESOL certified)
- Nationally Rated Curriculum
- Small Classes
- Bilingual Education-Dual Language Program
- Excellent Special Education Services
- Individualized Instruction
- Before/After School Programs
- Respect for Family Values & Involvement

## Extended School Day Programs Available for:

- Academic Enrichment
- Before & After School Tutoring

### Parent-Teacher Association

Heritage Academy parents commit to their involvement in their child's educational progress, regularly participating in monthly meetings. Parents have access to the school website, published school news, and standards-based progress reports. They also help teachers plan and coordinate family events. We invite you to join this wonderful association!
