

## **Updates notes: March 23<sup>rd</sup> via Zoom from Ginger Hernandez**

In the past few weeks we have experienced much change.

### **We have welcomed :**

A new long term kindergarten sub : A. Yazmin Garcia

A new First grade teacher – Mrs. Beth Esquivel

We've prepared for more testing with Mrs. Baca leading us into the next phase.

We've turned our letters of intentions for next year.

### **We've planned for more:**

Girls volleyball games

Bilingual Seal Celebration

8<sup>th</sup> grade dance, graduation and goodbyes.

But tonight we all communicate via Zoom, web-Cam, Skype or facetime.

Today we are all in the same situation. We are to Stay at home for the good our of state.

Our efforts to continue to educate our students, inform parents include: loaning out chrome books, listing different learning sites for students to access, robo- calls, facebook and class dojo to name a few.

We continue to look for things to pass the time, to keep our students busy, engaged and learning. We continue to also give our community hope that will resume our duties and dedication to our students, soon!!!!
