		G.L.A.D. Training, CLR training, La Cosecha Dual Language Conference, NMABE, Istation, Benchmark Advanced, The No-Non-Sense Nurturer, Synergy, Testing Trainings, Social emotional learning, and special education.	The purpose of the PD was for teachers to further develop their skills on sheltering instruction, using graphic organizers, using cooperative learning techniques, meeting their cultural and linguistic needs, teaching reading using a new curriculum, meeting the social emotional needs of our students, classroom management, and testing information.	Continue with similar trainings as on 2019-2020	We want all teachers to be well-rounded on working with our diverse student population at CDHA.
