CDHA Policy for Home Internet Stipend for Employees

In light of the COVID-19 Pandemic and the fact that teachers and staff are being asked to do more work remotely, CDHA will pay faculty and staff a \$40.00 per month stipend to help offset the costs of home internet service. This policy will remain in effect during the period in which teachers and staff are required to do more work from home due to the COVID-19 Pandemic. This policy does not create any expectation that the stipends will continue in perpetuity, and the stipend policy may be amended or revoked by the Governing Council at any time. Qualifying staff will be provided the stipend automatically with their paychecks, and no application process is required.

Approved by the Governing Council on August 19, 2020
