

Welcome

We strive to educate students and to assist them in realizing their full potential as responsible, productive, and contributing members of society by providing an educational environment in which students are challenged, excellence is expected, and differences are valued.

Our Mission

Christine Duncan's Heritage Academy promotes academic excellence, bilingualism, and lifelong learning. CDHA values a diverse and inclusive environment that encourages family and community engagement.

Our Vision

Christine Duncan's Heritage Academy will focus on the dual language bilingual model, in Spanish and English setting, to achieve the goal of biliteracy, using research-based practices and data-driven instruction to maintain a diverse school environment for all students.
