- Hand sanitizing stations will be available to all families, students and RGEC personnel, including upon entry.
- We will sanitize basic supplies like pencils, crayons, paint, or other traditional school supplies items.

- We will provide pens and pencils only upon request.

- We will use disposable supplies that are new for each activity.

- RGEC staff members must pass a health screening before coming into the program.

- RGEC staff members will wash or sanitize their hands upon entering the program, and between interactions with students and families.

- We will clean and disinfect common areas and surfaces regularly. We will also clean and disinfect each center area after every use.

- We will post the RGEC Promise at our entrances and display readily visible signage to remind everyone of best hygiene practices.
