**Guidance notes**

Trustees/Directors/Governors have a legal duty to act only in the best interests of their schools. Where a situation arises in which they cannot do this due to a personal interest they have, steps should be taken to identify, prevent and record the conflict. This ensures Trustee/Directors/ governors are acting in the best interests of the MAT.

In the declaration above, you must provide details relating to:

- Your ownership or partnership of a company or organisation which may be used by SVMAT or any SVMAT schools to provide goods or services;
- Goods or services you offer which may be used by SVMAT or any SVMAT schools ;
- Any close relation you have to someone who satisfies either of the above;
- Any close relationship you have to someone who is employed by by SVMAT or any SVMAT schools

Declaring your conflicts of interest is a legal requirement within the School Governance (Roles, Procedures and Allowances) (England) Regulations 2013 and for academies, in the Articles of Association and Academies Financial Handbook. However, making an annual declaration does not remove your requirement to make an oral disclosure of the interest and temporarily leave the meeting, where the interest is relevant to something being discussed.

**Pecuniary Interests**

Generally, Trustees/Directors/governors should not participate in any discussions in which they may directly or indirectly benefit from a pecuniary interest, except where the relevant authority has authorised this i.e. legislation for maintained schools or articles of association for academies. A direct benefit refers to any personal financial benefit and an indirect benefit refers to any financial benefit you may have by virtue of a relationship to someone who stands to gain from a decision of the Trust board. Both direct and indirect interests must be declared.
