

PARENT VOLUNTEER INFORMATION

OGDEN ELEMENTARY 2019-2020

Studies show that children whose parents/guardians are involved in their education are more motivated in school. Motivated students are more likely to participate in class, complete homework, and achieve academically.

Ogden PTA has day-time events and evening events. You can volunteer for 1 hour or 10! Filling out this form does not obligate you to volunteer. It simply allows us to share more information with you about volunteer opportunities.

If you read this list and say to yourself, "I could do that" or "that sounds interesting," please check off items and send the completed form in with your child in an envelope labeled Ogden PTA.
