Good evening Leopard Families,

This is superintendent Michele Shaffer.

The start of this school year has been nothing short of amazing. Our dedicated staff have been working to create a safe, inspiring, and enriching environment for our students. I am sincerely delighted to witness the remarkable energy and enthusiasm within our schools.

As we head into the fall season, we have a great lineup of Louisville Community Academy classes. We've partnered with local businesses to create unique parent-child workshops, adult classes, and a free four-week senior connection experience, which will kick off next month. Visit our website to view and register for these amazing classes.

We are on the ballot this November with a substitute levy, Issue 34. This past week we held our first levy informational meeting. If you missed this one, we have two more meetings on September 27 at North Nim Elementary and October 2 at Louisville Middle School. Both meetings begin at 6:30 p.m., and all of the meetings are streamed via Facebook Live if you are unable to attend in person. You can submit a question, watch this week's meeting, and learn more information on our website. This information is intended to provide factual information only. District resources are not permitted to be used to advocate for or against the passage of a levy.

Thank you for being an essential part of our Louisville family. We look forward to a fantastic year ahead.

Go Leopards,

Michele Shaffer
