

# ASHIKARI MEMORIAL SCHOLARSHIP

Keio Academy of New York

We pay tribute to the late Dr. Roy Ashikari (1931 to 2023) for his dedication as a graduate of Keio University School of Medicine, and a trustee of Keio Academy of New York, as well as his world-renowned achievements as a surgical oncologist. In honor of his legacy, we have established the Ashikari Memorial Scholarship Program.

## **1. Qualifications**

New students who have successfully passed any entrance examination and the recommendation system are eligible. This scholarship will be bestowed upon one aspiring new student seeking the opportunity to excel on a global scale.

## **2. Number of Recipient**

One student will be selected for each academic year.

## **3. Amount**

\$5,000 (One-time disbursement, not renewable annually)

## **4. Application and Selection Process**

New students are automatically candidates. (No extra application is required.) After the admission year concludes and all new students for the upcoming academic year are confirmed, the scholarship committee will review application materials, interviews, and written test results to select the recipient. The parent's financial status will not be considered in the selection process. This scholarship is solely merit-based.

## **5. Recipient Announcement**

The recipient of the scholarship will be announced at the entrance ceremony.
