In accordance with Public Act 097-0609, each school district must post on their website the "total compensation package" for employees who receive a compensation package that exceeds $150,000 per year. This information is required to be posted (6) business days before an employer participating in the Illinois Municipal Retirement Fund approves an employee's total compensation package that is equal to or in excess of $150,000 per year. Public Act 097-0609 defines "total compensation package" as the employee's salary, health insurance, housing allowance, clothing allowance, bonuses, loans, vacation days granted and sick days granted. District 200 IMRF employees do not receive housing/vehicle allowances, bonuses, or loans.
