Principal's Den

Dear LES families,

Welcome to Fall! It's hard to believe it's already October and fall break is right around the corner. The first 9 weeks of school is almost over!

As you may have noticed, our safety protocols have changed a bit with regard to dropping off lunches and water bottles as well as waiting to eat lunch with your child. Please remember that all visitors to LES must be screened individually by school personnel prior to being given access to the front office. All visitors are required to pick up the phone and speak to school personnel. Visitors leaving LES are not permitted to hold the door open for visitors who are waiting to gain entry to the school and have not been screened. Thank you for continuing to support our safety and security protocols.

I hope you and your family has a happy and safe Fall Break!

Respectfully,

Mrs. Patton

A Message From FSSD School Health Coordinator

We invite you to participate in "Family PE Week" which is officially held the first week in October. However, this event can be celebrated at any time throughout the year. Family PE Week aims to help families, schools, and communities understand the importance of physical education.

Active Schools has partnered with OPEN to provide teachers and schools with a variety of tools and resources. There are many ways to celebrate and promote this event, which can be found [HERE](#). Families can also participate in the Active Family Challenge and discover creative ways to incorporate PE at home as a family.

Upcoming Events

- October 2
Parent/Teacher conference window opens

Fall Fling! More information coming soon!

FSSD New Family Open House!

All FSSD schools will be hosting new families during our New Family Open House on October 25th. LES staff and PTO will be giving building tours, meeting with new families, and showcasing all the wonderful things the FSSD and LES have to offer. Please help us spread the word if you know of a new family that is considering the FSSD. Thank you!
