2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

School Vision and Mission:

Carl Sundahl fully adopts the Folsom Cordova mission statement of being committed to providing excellence in educational programs that carry high expectations for each student's achievement and success.

Guided by the highest expectations, Folsom Cordova Unified School District provides our students with a broad range of rigorous educational opportunities. Staff enables students to reach their full potential and successfully meet the demands and opportunities of a highly technological 21st Century.

Students graduate with a core of knowledge and skills that become the building blocks for lifelong learning. They graduate with a positive attitude and the leadership, character, and academic skills necessary to excel in a global arena.

Families are an integral part of the educational process. In recognition of this important role, family involvement is actively sought, encouraged, and welcomed.

Business and community partnerships greatly enhance students' learning experiences and educational opportunities. Partnerships offer students opportunities to apply their learning to real-world situations.

Schools serve as community hubs, places where the community gathers to celebrate and improve learning and to enjoy art, music, sports, public speaking, drama, and other school-related activities. The use of school facilities by the community is encouraged.

2021-22 School Overview

School & Community Profile:

Carl H. Sundahl Elementary School has served students residing on the northwest side of the American River in Folsom since September 1987. We operate on a traditional year calendar and serve students from Preschool to Fifth Grade. Our student enrollment is approximately 350 students; 10 percent of our students qualify for Free or Reduced Meals, three percent are English Learners, and three percent are Homeless. The surrounding neighborhood is populated with families who are eager to participate in the education of their children.

Carl H. Sundahl Elementary was completed remodeled in 2018. The updated campus includes beautiful new classrooms, restrooms, playgrounds, a school library, and a Science Technology Engineering & Math (STEM) lab. Our campus currently houses 18 classrooms, a Learning Center, and a Student Care Center.

Currently, we have 15 General Education classes and one Pre K - Kindergarten Montessori class. The latter is a special program available to families from through the school district. Our multipurpose room/cafeteria complex includes a stage/music room as well as a serving kitchen and indoor basketball court. All classrooms are equipped with Internet access for curriculum and research support. Chromebooks are available on campus for student use in the classrooms and for home checkout through the school library.

At Carl H. Sundahl Elementary, our primary goal is to prepare our students to become responsible citizens and productive, caring members of our society. Our strong educational programs work to support each student in successfully meeting the challenges of learning. Opportunities for differentiated instruction are available for all students, including those identified for Gifted and Talented Education (GATE). Instructional intervention programs are offered to ensure all students are supported in meeting grade level standards in reading and math. Intervention programs include grade level Multi-Tiered System of Supports (MTSS) times, classroom based Response to Instruction (RtI) interventions, and small group reteaching. A wide variety of curriculum and enrichment activities are offered by staff and parent volunteers, including Parent Teacher Association (PTA) Movie Night, Used Book Store, Red Ribbon Week, Winter Wonderland, Starstruck Showcase Dance Performance, Author's Day, Accelerated Reader Celebration, District Track Meet, Glee Chorus, Jog-A-Thon, and physical fitness clubs.

We strive to provide an academically challenging curriculum in a caring and positive school environment. Our highly skilled staff is comprised of veteran teachers and two National Board Certified instructors. A strong schoolwide Positive Behavioral Interventions and Supports (PBIS) program utilizing The Dolphin 5 (Be Respectful, Be Responsible, Be Safe, Be Friendly, Be Productive) standards recognizes and celebrates student progress with reward programs and recognition for special achievements. We have an active Student Council that leads spirit activities and community service on campus. Carl H. Sundahl Elementary is well known for its strong, supportive parent community. In addition to classroom volunteers, parents also serve on our School Site Council (SSC), which assists with important curriculum, budget, and facility decisions. Our Parent Teacher Association (PTA) plans activities and events that serve as a positive bond between home and school and provide financial support for key programs.

We use Blackboard Connect messaging, the school marquee, our Schoolwires web page, and monthly newsletters to help keep the community informed and engaged.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on January 20, 2022, and determine that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Carl H. Sundahl Elementary was completely remodeled in 2016/17. The school is comprised of 19 classrooms, a multipurpose room/cafeteria, a library/resource center, and an office building that houses a staff lounge and workroom. All classrooms are equipped with a document camera and an 80" monitor for displaying instructional content and media. We also have a large playing field, play structure, and blacktop for recess and Physical Education (P.E) classes.

The principal works daily with the custodial staff of two full time employees to ensure that the school is maintained in a clean and safe manner.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

With help from the school Parent Teacher Association (PTA), we work to engage parents through family nights, weekend events, and parent education programs. Parent volunteer - tutoring target students, supporting special programs and events, and enabling classes to take educational field trips off site - enriching and extending learning in wonderful ways. Family education events range from enrichment assemblies on science and math to formal training that supports parenting such as Love and Logic.

We maintain a robust website that receives thousands of visits monthly that we use to communicate with and engage our community about instruction, intervention, and supplemental learning opportunities.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.17	0.01	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Our school is safe and clean. With 19 brand new classrooms on campus, everything is new and in good working order. All restrooms and eating facilities are cleaned daily. Classrooms are cleaned every other day. Any safety hazard that is reported is reviewed immediately and resolved. In the 2020/2021 school year there was 1 accident reported on campus. Each accident was minor and addressed immediately. Safety plans are reviewed each fall; maintained and followed throughout the school year. Emergency plans have been developed in case a threatening situation should arise.

Our Safety Committee meets regularly to address concerns and to update and improve our emergency procedures and response time. We work closely with the Folsom Police and Fire Departments. Evacuation routes are in place and an emergency folder with supplies and class lists are kept up-to-date in every classroom. Safety drills are held monthly with students. We maintain a closed campus. Once school starts, gates are locked and all students and visitors enter the school through the Office.

Professional Development

Folsom Cordova Unified School District has provided up to two professional development days for certificated staff for the current year and the last two years. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; by reading professional literature; and by networking. District-sponsored in-service and training are provided through Professional Learning Communities (PLC), lead teachers, and site level academic, reading, math, science, and technology coaches. In addition, our district staff has worked collaboratively to provide an induction program for qualified new teachers.

At the school site, professional development is focused on supporting students master essential standards through collaborative work in Professional Learning Communities. Teachers have or will soon receive training in Response to Instruction (RtI), iReady, Lexia Core 5, and Step Up to Writing.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
