School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

School Vision and Mission:

Carl Sundahl fully adopts the Folsom Cordova mission statement of being committed to providing excellence in educational programs that carry high expectations for each student's achievement and success.

Guided by the highest expectations, Folsom Cordova Unified School District provides our students with a broad range of rigorous educational opportunities. Staff enables students to reach their full potential and successfully meet the demands and opportunities of a highly technological 21st Century.

Students graduate with a core of knowledge and skills that become the building blocks for lifelong learning. They graduate with a positive attitude and the leadership, character, and academic skills necessary to excel in a global arena.

Families are an integral part of the educational process. In recognition of this important role, family involvement is actively sought, encouraged, and welcomed.

Business and community partnerships greatly enhance students' learning experiences and educational opportunities. Partnerships offer students opportunities to apply their learning to real-world situations.

Schools serve as community hubs, places where the community gathers to celebrate and improve learning and to enjoy art, music, sports, public speaking, drama, and other school-related activities. The use of school facilities by the community is encouraged.

School & Community Profile:

School facilities are a reflection of the entire community. We provide students with the educational tools to meet the technological demands of the future and the social skills to function in a culturally diverse society.

Carl H. Sundahl Elementary School has served students residing on the northwest side of the American River in Folsom since September 1987. Carl Sundahl is a K-5 learning environment. We operate on a traditional year calendar. Our student enrollment, reported on the California Basic Educational System (CBEDS) in October 2019 was approximately 355 students. Our campus currently houses 14 classrooms, a Learning Center and a Student Care Center.

Due to Measure G funds, Carl Sundahl underwent a total modernization with the entire school being rebuilt in 2017/2018. The campus is brand new with beautiful new classrooms, restrooms, playgrounds, library and Science Technology Engineering & Math (STEM) lab.

We have 14 general education classes and we offer Montessori education as well. Currently, we have one Montessori class of preschool, transitional kindergarten and kindergarten students. Our multipurpose room/cafeteria complex includes a stage/music room as well as a serving kitchen and indoor basketball court. The classrooms and office complex are linked through a computer network system that supports the instructional program technically and allows access to the Internet. All classrooms are equipped with Internet access for curriculum and research support. We currently have one on one Chromebooks on campus for student use in the classrooms.

At Carl Sundahl, our primary goal is to prepare our students to become responsible citizens and productive, caring members of our society. Our strong educational programs work to support each student in successfully meeting the challenges of learning. Opportunities for differentiated instruction is available for all students, including those identified for GATE (Gifted and Talented Education). Instructional intervention programs are offered to insure all students are supported in meeting grade level standards in reading and math. These programs include the use of iReady, small group math instruction as well as Response to Instruction (RtI) interventions through our school wide Multi-Tiered System of Supports (MTSS) times. A wide variety of curriculum and enrichment activities are offered by staff and parent volunteers, including Parent Teacher Association (PTA) Movie Night, Used Book Store, Red Ribbon Week, Winter Wonderland, Starstruck Showcase Dance Performance, Author's Day, Accelerated Reader Celebration, District Track Meet, Glee Chorus, Jog-A-Thon, and physical fitness.

Our school culture and mission is to provide an academically challenging curriculum in a caring and positive school environment. Our highly skilled staff is comprised of veteran teachers and two National Board Certified instructors. A strong school wide Positive Behavioral Intervention and Supports (PBIS) program utilizing The Dolphin 5 (Be Respectful, Be Responsible, Be Safe, Be Friendly, Be Productive) standards recognizes and celebrates students' progress with such rewards as Dazzling Dolphins and weekly Dolphin 5 Achievement Awards. Our active Student Council provides awareness of the importance of community service. Carl Sundahl is well known for its strong, supportive parent community. In addition to classroom volunteers, parents also serve on our Site Council, which assist with important curriculum, budget, and facility decisions. Our PTA plans numerous activities that serve as a positive bond between home and school and provide financial support for our many programs.

Our Blackboard Connect messages (voice, emails and text), school marquee and Schoolwires web pages on our website allows for maximum communication from the school to the members of our community. Frequent communication and strong parent involvement allows for a positive learning environment.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: 2020 August

Folsom Cordova Unified held a Public Hearing on September 24, 2020, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Benchmark Advance, 2016	Yes	0.0%
Mathematics	Pearson - enVision, 2015	Yes	0.0%
Science	Amplify - California Science, 2019	Yes	0.0%

School Facility Conditions and Planned Improvements

Each teacher at Sundahl has his/her own classroom. The school was completely remodeled in 2016/17. Each classroom is equipped with one Chrome book per student in addition to a document camera and 80" TV. We have a large playing field, playground area, and a basketball court area for recesses and Physical Education (P.E) classes. Our P.E. also has a storage area, and accessibility to the multi-purpose room and stage area when needed for rainy day activities.

The classrooms and office complex are linked through a computer network system that supports the instructional programs technically and allows access to the Internet. Our school is totally networked to our LAN (local area network) and to the WAN (wide area network).

All restrooms are brand new and cleaned daily. Classrooms are cleaned every other day. Heavier cleaning is done on a rotating basis. Our custodians do items in need of simple repairs on the spot. Safety issues are reported immediately to the District. Safety concerns are the top priority for our district maintenance department and are often corrected the same day. We also have a School Safety Committee that discusses potential problems and ways to improve our school environment. Our efforts are successful because our staff is committed to providing a safe and clean learning environment for our students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	72	N/A	52	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

There are numerous opportunities for parent involvement at Carl Sundahl. Parents can assist teachers in the classroom by working with students, copying and/or correcting papers, filing, field trip assistance, and serving as a room parent.

Parents can also serve as members of our School Site Council. This advisory group consists of parents and teachers that work with the administration on program and fiscal decisions. Our safety committee focuses on school and community safety issues.

Our Parent Teacher Association (PTA) relies totally on parent support and involvement. The creativity, talents, and energy shared by our parents in numerous capacities are what enable Carl Sundahl to have the extracurricular activities rarely found in a public school setting. We also participate with Intel in their PC Pals program where many parents and community volunteers support our 5th grade students.

We work closely with local businesses to increase the learning opportunities for our students. We are very grateful for all the support local businesses provide to our school. Parents and community businesses are viewed as valuable assets and partners in our educational endeavors.

An important part of our effective home/school partnership focus is our school website: www.fcusd.org/cse. The website contains information and updates on all aspects of the school program. SchoolWires and Powerschool also gives parents password-protected access to academic progress, assignments, grades, attendance, and other key information about their child.

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact LeeAnn Larson, Administrative Assistant, Carl Sundahl Elementary, 916-294-2425.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions	0.5	0.8	5.0	4.2	3.5	3.5
Expulsions	0.0	0.0	0.2	0.2	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Our school is safe and clean. With 19 brand new classrooms on campus everything is new and in working order. All restrooms are brand new and eating facilities are cleaned daily. Classrooms are cleaned every other day. Any safety hazard that is reported is reviewed immediately and resolved. In the 2019/20 school year there were 11 accidents reported on campus. Each accident was minor and addressed immediately. Safety plans are reviewed each fall; maintained and followed throughout the school year. Emergency plans have been developed in case a threatening situation should arise.

Carl Sundahl Elementary School is very concerned about student safety and has a very involved Safety Committee. Our Safety Committee meets regularly to address areas of concern and to continuously update and improve our emergency procedures and response time. We also work very closely with the Folsom Police and Fire Departments. Evacuation routes are in place and an emergency folder with supplies and class lists are kept up to date and easily accessible. Our Emergency Plan Quick Reference Guide for School Staff folder, which contains specific instructions for a variety of emergencies, is reviewed every year and a copy is placed in each classroom. Varieties of potential emergency scenarios are practiced monthly with our students. New gates have been installed at the front entrance to school. Once school starts, the gates are closed and after this time, all students and visitors are required to enter the school office to sign in.

District Revenue Sources

In addition to general state funding, Carl Sundahl Elementary receives state and federal funding from the following categorical funds and other support programs: Title II, Title III English Learners, Title III Immigrant Student Program, LCAP (Local Control and Accountability Plan), Supplemental Funds (English Learners/Low Income Student), and state funds for after school interventions for at-risk students.

Data Sources: Data within the SARC was provided by Folsom Cordova Unified School District, retrieved from the 2019-20 school year SARC template, and/or located on Dataquest (<http://data1.cde.ca.gov/dataquest>). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

Folsom Cordova Unified School District has provided up to two professional development days for certificated staff for the current year and the last two years. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; by reading professional literature; and by networking. District-sponsored in-service and training are provided through Professional Learning Communities (PLC), lead teachers and site level academic, reading, math, science and technology coaches. In addition, our district staff has worked collaboratively to provide an induction program for qualified new teachers.

It is the goal of Carl Sundahl Elementary to assist students in their social and personal development as well as academics. The school gives special attention to students who require extra academic support and assist families in our community. The Second Step SEL curriculum is taught in every class.
