School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Carl H. Sundahl Elementary School has served students residing on the northwest side of the American River in Folsom since September 1987. Sundahl is a K-6 learning environment which in 2016 began a total modernization. As of today we have 10 brand new classrooms with an additional 8 being built this year. We operate on a traditional year calendar. Our student enrollment, reported on the California Basic Educational Data System (CBEDS) in October 2017 was 383. Our campus currently houses 14 classrooms. One of these 14 classrooms are based on Montessori education for students from preschool through kindergarten. Additionally, we have a Learning Center and a Student Care Center. Our multipurpose room/cafeteria complex includes a stage/music room as well as a serving kitchen and indoor basketball court. The classrooms and office complex are linked through a computer network system that supports the instructional program technically and allows access to the Internet. All classrooms are equipped with Internet access for curriculum and research support. Technology access for staff and students is a focus at Carl Sundahl which supports both teacher and students. We currently have one Chrome Book per student in every classroom. At Carl Sundahl, we are committed to preparing our children to achieve what we know they are capable of achieving. Our primary goal is to prepare our students to become responsible citizens and productive, caring members of our society. Our strong educational programs work to support each student in successfully meeting the challenges of learning. Opportunities for differentiated learning help to provide appropriate challenges for all students, including those identified for GATE. Instructional intervention programs are offered to insure all students are supported in meeting grade level standards in reading and math. These programs include Lexia interventions, an individualized "Read Live" program, small group pull-out math and reading tutorial programs as well as Response to Instruction (RtI) interventions through our school wide Tier Programs in our Learning Center. A wide variety of curriculum and enrichment activities are offered by staff and parent volunteers, including PTA Movie Night, Used Book Store, Red Ribbon Week, Winter Wonderland, Primary and Intermediate Read-Ins, Starstruck Showcase Dance Performance, Author's Day, Accelerated Reader Celebration, District Track Meet, Glee Chorus, Jog-A-Thon, and physical fitness.

Our school culture and mission is to provide an academically challenging curriculum in a caring and positive school environment. Our highly skilled staff is comprised of veteran teachers, a BTSA support provider, a district Common Core Instructional Coach, Math Coach, Technology Coach and two National Board Certified instructors. A school wide program utilizing The Dolphin 5 (Be Respectful, Be Responsible, Be Safe, Be Friendly, Be Productive) standards recognizes and celebrates students' progress with such areas as Dazzling Dolphins and weekly Dolphin 5 Achievement Awards. Our active Student Council provides awareness of the importance of community service. Carl Sundahl is well known for its strong, supportive parent community. In addition to classroom volunteers, parents also serve on our Site Council, which assists with important curriculum, budget, and facility decisions. Our PTA and Foundation parent groups plan numerous activities that serve as a positive bond between home and school and provide financial support for our many programs.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: 2018 November

Folsom Cordova Unified held a Public Hearing on September 20, 2018, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Benchmark Advance, Adoption Year 2016	Yes	0.0%

School Facility Conditions and Planned Improvements (Most Recent Year)

Each teacher at Sundahl has his/her own classroom. 10 of our 14 classrooms are brand new this year. Each classroom is equipped with one Chrome book per student in addition to a document camera and 80" TV. We have a large playing field, playground area, and a basketball court area for recesses and P.E. classes. Our P.E. also has a storage area, and accessibility to the multi-purpose room and stage area when needed for rainy day activities.

The classrooms and office complex are linked through a computer network system that supports the instructional programs technically and allows access to the Internet. Our school is totally networked to our LAN (local area network) and to the WAN (wide area network).

All restrooms are brand new and cleaned daily. Classrooms are cleaned every third day. Heavier cleaning is done on a rotating basis. Items in need of simple repairs are done on the spot by our custodians. Safety issues are reported immediately to the District. Safety concerns are the top priority for our district maintenance department and are often corrected the same day. We also have a School Safety Committee that discusses potential problems and ways to improve our school environment. Our efforts are successful because our staff is committed to providing a safe and clean learning environment for our students.

Date of inspection: 09/20/2018

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	71.0	70.0	61.0	64.0	48.0	50.0
Mathematics (grades 3-8 and 11)	64.0	70.0	51.0	53.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	201	196	97.51	70.41

English Learners	19	19	100.00	47.37
Students with Disabilities	25	25	100.00	36.00

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	23.3	30.0	21.7

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

There are numerous opportunities for parent involvement at Carl Sundahl. Parents can assist teachers in the classroom by working with students, copying and/or correcting papers, filing, field trip assistance, and serving as a room parent.

Parents can also serve as members of our Site Council. This is an advisory group of parents and teachers that work with the administration on program and fiscal decisions. Our safety committee focuses on school and community safety issues.

Our PTA and Sundahl Foundation rely totally on parent support and involvement. The creativity, talents, and energy shared by our parents in numerous capacities are what enable Carl Sundahl to have the numerous and extracurricular activities rarely found in a public school setting. We also participate with Intel in their PC Pals program where many parents and community volunteers support our 5th grade students.

We work closely with local businesses to increase the learning opportunities for our students. We are very grateful for all the support local businesses provide to our school. Parents and community businesses are viewed as valuable assets and partners in our educational endeavors.

An important part of our effective home/school partnership focus is our school website: www.fcusd.org/cse. The website contains information and updates on all aspects of the school program. SchoolWires also gives parents password-protected access to academic progress, assignments, grades, attendance, and other key information about their child.

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Becky Crust, Administrative Assistant, Carl Sundahl Elementary, 916-294-2425.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Expulsions	0.0	0.0	0.0	0.2	0.2	0.2	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

Our school is safe and clean. With 10 new classroom on campus everything is new and in working order. There were three (3) student accidents reported at our school in the 2017-2018 school year. All restrooms are brand new and eating facilities are cleaned daily. Classrooms are cleaned every third day. Any safety hazard that is reported is reviewed immediately and resolved. Safety plans are reviewed each fall; maintained and followed throughout the school year. Emergency plans have been developed in case a threatening situation should arise.

Carl Sundahl Elementary School is very concerned about student safety and has a very involved Safety Committee. Our Safety Committee meets regularly to address areas of concern and to continuously update and improve our emergency procedures and response time. We also work very closely with the Folsom Police and Fire Departments. Evacuation routes are in place and an emergency folder with supplies and class lists are kept up to date and easily accessible. Our Emergency Plan Quick Reference Guide for School Staff folder, which contains specific instructions for a variety of emergencies, is reviewed every year and a copy is placed in each classroom. A variety of potential emergency scenarios are practiced monthly with our students. Parents are informed of emergency plans and procedures through our Dateline Bulletin.

Date of Last Review/Update: October 10, 2018
Date Last Reviewed with Staff: October 10, 2018

Types of Services Funded (Fiscal Year 2017-18)

District Revenue Sources

In addition to general state funding, Carl Sundahl Elementary receives state and federal funding from the following categorical funds and other support programs: Title 2, Title 3-LEP, and English Learners/Low Income (EL/LI).

Other funding: Teachers take full advantage of all professional development offered by the school district.

Data Sources

Data within the SARC was provided by Folsom Cordova Unified School District, retrieved from the 2017-18 SARC template, and/or located on Dataquest (<http://data1.cde.ca.gov/dataquest>). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

Professional Development (Most Recent Three Years)

Each employee is encouraged to grow professionally through self evaluation and reflection; by attending college and university classes as well as statewide workshops; by reading professional literature; and by networking. District-sponsored in-service and training are provided through our district lead teachers. We also have a model of lead teachers at the site level for reading, math, science and technology. In addition, our district staff has worked collaboratively to implement our Peer Assistance Review (PAR) program, which works in unison with BTSA (Beginning Teacher Support and Assessment) to provide an induction program for qualified new teachers. We support our teachers in pursuing National Board Certification and currently have over 44 National Board Certified teachers within the district. The district is involved with both ATP (Administrator Training Program) and Teacher Training, which increase the capacity of all staff to deliver a standards-based curriculum.

It is the goal of Carl Sundahl Elementary to assist students in their social and personal development as well as academics. The school gives special attention to students who require extra academic support and provide assistance to families in our community. The Second Step curriculum is taught in every class.
