# Frontline Education Mobile App

Districts that upgrade to the Frontline Insights Platform also gain access to the new Frontline Education mobile app! The app provides increased accessibility to features such as absence creation, Leave Balance recognition, and multiple absence tracking tools.

## REQUIREMENTS

You must have the following qualifications to access the app:

- Your district must utilize the Frontline Insight's Platform.
- You must utilize employee-based functionality.
- You must enter the 4-digit invitation code 7354 to gain initial in-app access.
- You must have a Frontline ID created or **District SSO credentials**

> The Frontline mobile app is not available to **substitutes** and does not replace or conflict with the Jobulator app. Substitutes who subscribe to Jobulator will continue to accept and view future assignments through that application.

## GETTING STARTED

Access the app store on your mobile device and download the **Frontline Education** app.

Once you complete the download, open the app to view an initial welcome page.

Enter the 4-digit invitation code 7354 into the space provided and click **Continue**.

Select the link that says, **"Or Sign in with Organization SSO"** enter their district email address, and click on Sign In.
