School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

The mission of Cordova Meadows Elementary School is to ensure that all students learn at grade level or higher. Cordova Meadows Elementary School is a community of students, parents, volunteers and staff committed to providing excellence in educational programs by providing a safe, caring, and diverse learning environment where students grow academically and socially. Cordova Meadows Elementary School will accomplish this by working as a collaborative team to provide an instructional program focused on standards-aligned instruction. Our team will use data to close learning gaps and to ensure the success of all students.

Cordova Meadows uses CAASPP, i-Ready, and Illuminate reports to create an analytical model of student performance that identifies the different levels of student performance by class and by individual students. Dedicated collaboration/PLC time supports teachers with data analysis. Teachers review the data results from the required district and state testing, as well as the results of formative assessments from their daily classroom instruction. When teachers have identified areas of academic need, they spiral back to those concepts as they continue to move forward in the curriculum so that students develop mastery of each area prior to the end of the academic year. Student data is monitored on a regular basis to maintain support and consistency in student growth.

Our student enrollment reported on the California Basic Educational Data System (CBEDS) in October 2017 was 371.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2016-17	2017-18	2018-19	2018-19

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)**Year and month in which data were collected:** 2018 November

Folsom Cordova Unified held a Public Hearing on September 20, 2018 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Benchmark Advance Adoption Year 2016	Yes	0.0%
Mathematics	Pearson - enVision Adoption Year 2015	Yes	0.0%

School Facility Conditions and Planned Improvements (Most Recent Year)

Cordova Meadows' classrooms are organized into grade level zones, which provide the opportunity for grade level teachers to work as a team. All rooms have telephones, student and teacher computer stations, internet access, Smartboards, a schoolwide video delivery system, heating and air conditioning. Classrooms are space efficient and well maintained. Restrooms are easily accessible and cleaned daily. Roofs, walls, floors, plumbing, lighting, and electrical systems were updated during the renovation of 2004, with additional site modernization completed in 2008. The school's fire alarm system is tested and maintained regularly. Both students and staff work diligently to keep the buildings and surrounding grounds clean, safe, and litter-free. All safety issues are dealt with in a timely manner. Everyone at Cordova Meadows takes pride in our school and its appearance.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	19.0	26.0	61.0	64.0	48.0	50.0
Mathematics (grades 3-8 and 11)	9.0	15.0	51.0	53.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	184	157	85.33	25.64

English Learners	91	65	71.43	23.44
Students with Disabilities	27	27	100.00	3.70
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	26.6	18.8	12.5

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Cordova Meadows Elementary (CME) greatly benefits from its supportive parents. Parents are an integral part of preparing students for success academically, physically, and emotionally. CME provides many opportunities for parental involvement. Parents consistently and repeatedly express the desire to be involved in their child's education. The strong parent and community support we receive supports the goal of providing an excellent educational program in a warm, caring, and safe environment. The school will be expending considerable time and resources establishing strong connections to the parent and family community through School Site Council, English Language Advisory Committee, P.T.A, adult English classes, parent leadership activities, field trip chaperones, family nights, and informational events. Parents are recruited to be involved in every aspect of the services to our students. We are always seeking volunteers to help with projects around the school.

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer, may contact Silia Blount, our CME Parent Coordinator, 916-294-9120 ext. 615601.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
Suspensions	14.4	5.0	7.0	5.0	4.3	5.0	3.7	3.7	3.5
Expulsions	0.0	0.0	0.0	0.2	0.2	0.2	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

Our school is safe and clean. Restrooms and eating facilities are cleaned daily. Classrooms and all school buildings are cleaned on a regular schedule. Any safety hazard that is reported is reviewed immediately and resolved. Safety plans are reviewed each fall and spring. There were eight (8) student accidents reported at our school in the 2017-2018 school year.

School safety plans are reviewed twice yearly, updated monthly, and school-wide emergency plans are in place in case a threatening situation should arise. Monthly disaster and fire drills provide practice for all staff and students in emergency readiness.

Date of Last Review/Update: August 29, 2018

Date Last Reviewed with Staff: September 13, 2018

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	2015-16				2016-17				2017-18			
	Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

District Revenue Sources

In addition to general state funding, Cordova Meadows Elementary receives state and federal funding from the following categorical funds and other support programs: Title 1, Title 2, Title 3-LEP, and English Learners/Low Income (EL/LI).

Other Funding: SIG

Data Sources

Data within the SARC was provided by Folsom Cordova Unified School District, retrieved from the 2017-18 SARC template, and/or located on Dataquest (<http://data1.cde.ca.gov/dataquest>). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

Professional Development (Most Recent Three Years)

Each employee is encouraged to grow as a professional educator through self evaluation and reflection; by attending college and university classes as well as statewide workshops; by reading professional literature; and by networking. District-sponsored in-service and training are provided through our Professional Development Academy (PDA), a model of lead teachers and site level Integration and implementation, science and technology coaches. In addition, our district staff has worked collaboratively to implement our Peer Assistance Review (PAR) program, which works in unison with the Teacher Induction program to provide an induction program for qualified new teachers. We support our teachers in pursuing National Board Certification and currently have over 44 National Board Certified teachers within the district. The district is involved with many professional development opportunities which increase the capacity of all staff to deliver a standards-based curriculum.

It is the goal of Cordova Meadows Elementary to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure.

In addition: For our Professional Learning Communities, we have contracted with The Core Collaborative to create Impact Teams. Funding from our SIG grant, LCFF, and the general fund assist to improve collective teacher efficacy and provide high levels of learning for all students.
