ARTICLE 1 - TERM OF AGREEMENT

- 1.1. The parties agree that it is in the interest of the Folsom-Cordova Unified School District ("District") and the California School Employees Association and its American River Chapter #528 (together "CSEA") to have stability during the period in which the parties negotiate the successor agreement. To this end the parties agree as follows:
 - 1.1.1. The parties agree to create a new collective agreement between CSEA and the District with a term from July 1, 2020, to June 30, 2023.
 - 1.1.2. The above-referenced collective agreement shall embody all of the specific terms of the agreement that expires on June 30, 2020, with the exception of the duration clause.
 - 1.1.3. The parties agree that they will Public Notice (pursuant to EERA Section 3547) their respective proposals for successor agreement issues (other than the term).
 - 1.1.4. Nothing in this agreement shall be construed as limiting any right the parties otherwise retain.
 - 1.1.5. This agreement shall remain in full force and effect up to and including June 30, 2023. Between the dates of March 1 and April 30 of 2023 either party may, by written request to the other, reopen negotiations on successor contract amendments or modification of two non-monetary articles of their choice, plus Article 10: Compensation. All requests to reopen negotiations shall be subject to the public notice provisions of Government Code Section 3547.

ARTICLE 2 - RECOGNITION

- 2.1. The District confirms its recognition of CSEA as the exclusive representative for that unit of employees as described in Appendices A, A-2, A-3.

ARTICLE 3 - GRIEVANCE PROCEDURE

- 3.1. Grievance Definitions - The following definitions control the meaning of the terms as used in this Article:
 - 3.1.1. "Grievance" means a complaint of one or more employees that they have been adversely affected by a violation, misapplication, or misinterpretation of the Agreement.
 - 3.1.2. "Grievant" means the employee(s) of the District covered by the terms of this Agreement.
 - 3.1.3. "Party" means the grievant(s) and the Folsom Cordova Unified School District.
 - 3.1.4. "Day" is any day in which the Folsom Cordova Unified School District is open for business.
 - 3.1.5. "Immediate supervisor" is the lowest level administrator having immediate jurisdiction over the grievant who has been designated to administer grievances.
- 3.2. CSEA Grievance
 - 3.2.1. Notwithstanding any other provision of this Agreement, CSEA may grieve any alleged violation, misapplication, or misinterpretation of this Agreement.
- 3.3. Time Limits
 - 3.3.1. Each party involved in a grievance shall act so that the grievance may be resolved promptly and at the lowest possible level. Every effort should be made to complete action within the time limits contained in the grievance procedure, but with the written consent of all parties the time limitation for any step may be extended. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit lodging an appeal at the next step of the procedure within the time allotted had the decision been given.
- 3.4. Representation
 - 3.4.1. An employee or his/her representative, or both, may represent a grievance while on duty in accordance with Article 4 Section 4.3.2. The grievant may be represented by CSEA or any eligible representative of his/her own choosing, other than another employee organization, at any step of this procedure.
- 3.5. Informal Level
 - 3.5.1. Before filing a formal written grievance, the grievant shall attempt to seek a resolution by an informal conference with his/her immediate supervisor. This informal conference shall be held

within ten (10) days after the grievant had knowledge or reasonably should have had knowledge of the occurrence, act, or omission giving rise to the grievance.

3.6. Formal Level - The following steps and procedures are established should the grievant wish to appeal a grievance decision.

3.6.1. Step One: Immediate Supervisor

3.6.1.1. Within fifteen (15) days after the informal conference, the grievant must present the grievance in writing on the appropriate form to the immediate supervisor.

3.6.1.2. The grievance form will be signed by the grievant, the date and time of presentation affixed thereto, and signed as received by the immediate supervisor.

3.6.1.3. The immediate supervisor shall communicate his/her decision to the employee in writing within fifteen (15) days after receiving the formal grievance. If the immediate supervisor does not respond within the time limits, the grievant may appeal to the next level.

3.6.1.4. Within the above time limits either party may request a personal conference.

3.6.2. Step Two: Office of Superintendent

3.6.2.1. In the event the grievant is not satisfied with the formal written decision of the immediate supervisor in Step One, he/she may (within ten {10} days of the formal written decision rendered in Step One) appeal the decision on the appropriate form to the Superintendent or designee. (Forms to be made available at school and departmental locations). This statement should include a copy of the original grievance, the decision rendered by the immediate supervisor, and a clear, concise statement of the reasons for the appeal.

3.6.2.2. The Superintendent or designee shall communicate his/her decision within fifteen (15) days after receiving the appeal. The grievant may request a personal conference within the above time limits. If the Superintendent or designee does not respond within the time limits, the grievant may appeal to the next step.

3.6.3. Step Three: Advisory Arbitration

3.6.3.1. If the grievant and/or CSEA is not satisfied with the decision of the Superintendent or designee at Step Two, the grievant and/or CSEA may within ten (10) days submit a request in writing to the Superintendent for advisory arbitration of the dispute.

3.6.3.2. The grievant and/or CSEA and the District shall attempt to agree upon an advisory arbitrator.

3.6.3.3. If no agreement can be reached, they shall request the State Conciliation Service to supply a panel of five (5) names of persons experienced in hearing grievances in public schools.

3.6.3.4. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the advisory arbitrator. The order of the striking shall be determined by lot.

3.6.3.5. The fees and expenses of the advisory arbitrator and the hearing shall be borne equally by the District and CSEA. All other expenses shall be borne by the party incurring them.

3.6.3.6. The advisory arbitrator, as soon as possible, hears evidence and renders a decision on the issue or issues submitted to him/her. If the parties cannot agree upon a submission agreement, the advisory arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step.

3.6.3.7. The advisory arbitrator will have no power to add to, subtract from, or modify the terms of this agreement, or the written policies, rules, regulations, and procedures of the District.

3.6.3.8. After a hearing and after both parties have had an opportunity to make written arguments, the advisory arbitrator shall submit, in writing, to all parties the findings and recommendations for possible implementation by the Superintendent or designee, within fifteen (15) days.

3.6.4. Step Four: Governing Board

- 3.6.4.1. If either of the parties is not satisfied with the recommendations of the advisory arbitrator, a written appeal may be made to the Governing Board within fifteen (15) days following receipt of the advisory arbitrator's report. A copy of the appeal shall be submitted to the Superintendent and the parties to the grievance, (i.e., grievant, immediate supervisor).
- 3.6.4.2. The Governing Board has the power to render a final and binding determination of a grievance. The recommendation of the arbitrator shall only be advisory; and if, upon review, the Governing Board determines that it is unable to render a final determination on the record, it may reopen the record for the taking of additional evidence.
- 3.6.4.3. When the Governing Board has reached a decision, the Superintendent or designee will be directed to inform the parties and implement the decision.

3.7. General Provisions

- 3.7.1. Actions to challenge or change the policies of the District or any specific contract provision must be undertaken under separate legal processes.
- 3.7.2. Other matters, for which a specific method of review is provided by law, by the policies of the Board of Education, or by the administrative regulations and procedures of this school District, are not within the scope of this procedure.

ARTICLE 4 - ASSOCIATION RIGHTS

4.1. Use of Facilities

- 4.1.1 Subject to current regulation 4119.25, CSEA shall have the right of access to areas in which employees work; to use institutional bulletin boards, mailboxes, the District email system, and other means of communication; and to use institutional facilities for the purpose of CSEA meetings, processing of grievances, and matters related thereto.

4.2. Employee Information/Seniority List

- 4.2.1. Upon request, but no more than quarterly, the names, addresses, duty location, and phone numbers of classified bargaining unit members shall be provided to CSEA during the school year to keep current the bargaining unit's emergency notification roster. As new unit employees are hired, those names and addresses will be forwarded to CSEA throughout the year.

4.3. Release Time

- 4.3.1. State Conference – CSEA shall be provided release time for authorized delegates to attend the annual state conference. CSEA shall reimburse the District for the cost of substitutes secured to replace employees attending the conference for costs incurred in excess of \$1,000.00.
- 4.3.2. Grievance Processing
 - 4.3.2.1. CSEA reserves the right to designate representatives authorized to act on behalf of CSEA in grievance procedures. CSEA shall notify the Associate Superintendent, Human Resources, in writing, of these representatives and include:
 - The period for which the appointment is made;
 - The current work site and telephone numbers of the designee. CSEA shall also provide written notice of any change to this information.
 - 4.3.2.2. CSEA shall be entitled to release time exclusively for the purpose of processing grievances. Release time shall be limited to time available under Article 12, Section 12.17.
 - 4.3.2.3. The CSEA representative shall request, in writing, to the Associate Superintendent, Human Resources or his/her designee, the amount of release time requested and state the contract article being grieved. The Associate Superintendent, Human Resources, shall notify the employee's immediate supervisor of the amount of release time authorized. Prior written authorization shall be provided to the employee before

release time is taken. The employee shall identify the use of release time on his/her absence sheet or in the absence management system.

4.3.2.4. Prior to entering another work location, the CSEA representative shall contact the site supervisor to discuss appropriate times for entering the location as well as the purpose and expected duration of that visit. Upon entering another work location, the CSEA representative shall identify himself/herself if possible, to the supervisor in charge of that location and state the purpose and expected duration of that visit. The CSEA representative may be denied permission by the District to talk to the employee on his/her duty time if it will unduly interfere with the employee's work.

4.3.2.5. The CSEA representative is permitted to discuss the particulars of the grievance with employees immediately concerned and if appropriate, to attempt a resolution to the grievance. Such employees immediately concerned may choose not to discuss the particulars of the grievance with the CSEA representative. This shall not preclude any employee from being called to testify under Article 3 of this agreement.

4.4. CSEA will form and maintain a Policy Advisory Committee (PAC). Through this committee, employees and/or CSEA representatives are encouraged to make suggestions to the Superintendent or designee(s) regarding the need for new policies and regulations and handbook provisions. CSEA will be notified in writing of any proposed changes in District policies and regulations that fall within the 4200 series or proposed changes in matters that fall within the mandatory scope of bargaining. Such notice shall be provided at least five (5) days prior to District action on the proposed change, except in a case of emergency. The Superintendent or designee(s) will meet with employees and/or CSEA representatives, upon request, at mutually agreed upon times, to discuss employee concerns and suggestions.

ARTICLE 5 – DISTRICT RIGHTS

- 5.1. It is understood and agreed that the District retains all of its powers and authority to direct, manage, and control to the full extent of the law.
- 5.2. The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the District, the adoption of policies, rules, regulations, and responsibilities by the District, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with the laws of the State of California.

ARTICLE 6 – AGENCY FEE/EMPLOYEE RIGHTS

- 6.1. The District and CSEA recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal alternative right of employees to refuse to form, join, and participate in employee organization activities. CSEA shall have the sole and exclusive right to have membership dues and service fees deducted for unit members.
- 6.2. Any unit member who is a member of the CSEA Chapter 528, or who has applied for membership, may sign and deliver to CSEA assignment authorizing deduction of membership dues, initiation fees, and general assessments in CSEA. Pursuant to such authorization, the District shall deduct one-tenth (1/10) of such dues from the regular salary check of the unit member each month for ten (10) months. Service fees required by CSEA shall be deducted from any employee who does not make appropriate authorization for the deduction of membership dues. There shall be no charge to CSEA for agency fee deductions.
- 6.3. New employees shall receive a packet of information from CSEA, which includes membership related materials, but is not limited to a membership application, at the time of their initial employment.
- 6.4. Service fees and membership dues will be deducted within 30 calendar days of the date of initial employment with the District.

- 6.5. Any unit member who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to join or financially support CSEA Chapter 528 as a condition of employment; except that such unit member shall pay, in lieu of a service fee, sums equal to such lawful representation fee to a non-religious, non-labor organization, charitable fund exempt from taxation under Section 501 (3) of Title 26 of the Internal Revenue Code.
- 6.5.1. Such payment shall be made on or before October 31st of each school year or in 10 monthly payments between September and June of each year.
- 6.5.2. Proof of payment and a written statement of objection, along with verifiable evidence of membership in a religious body whose traditional tenets or teachings object to joining or financially supporting employee organizations, shall be made on an annual basis to CSEA and District as a condition of continued exemption from the provisions of Article 6.5 above. Proof of payment shall include the amount paid, date of payment, and to whom payment was made. Such proof shall be presented to CSEA and the District on or before June 30th of each school year. In the absence of such proof being provided, the employee shall within 30 days of June 30th submit the prior year's lawful representation fee to CSEA.
- 6.6. Only the District's payroll procedure with respect to the implementation of this Article may be subject to a grievance filed by the unit member and/or by CSEA.
- 6.7. With respect to all sums deducted by the District pursuant to Article 6 Section 6.2 above, whether for membership dues, agency fee, or lawful representation fee, the District agrees promptly to remit such moneys to CSEA accompanied by an alphabetical list of unit members for whom such deductions have been made, categorizing them as to membership or non-membership in the Association.
- 6.8. CSEA agrees to furnish any information needed by the District to fulfill the provisions of this Article.
- 6.9. CSEA and the District hereby agree as follows:
- 6.9.1. CSEA agrees to hold the District harmless and to pay to the District all reasonable legal costs incurred in defending against any suit, court action, and/or administrative action challenging the legality or constitutionality of the agency fee provisions of this Agreement or their implementation and to pay any judgment or settlement liability arising out of such challenge.
- 6.9.2. CSEA shall have the exclusive right to decide and determine whether any such action or proceeding referred to in Section 6.9.1 shall or shall not be compromised, resisted, defended, tried, or appealed.

ARTICLE 7 – PAYROLL DEDUCTIONS

- 7.1. The District will deduct from the pay of CSEA members and pay to CSEA the normal and regular monthly CSEA membership dues as voluntarily authorized in writing by the employee on the District form subject to the following conditions:
- 7.1.1. Such deduction shall be made only upon submission of the District form to the designated representative of the District duly completed and executed by the employee and CSEA.
- 7.1.2. New employees failing to complete their membership dues authorization within 30 days of initial employment will have an amount equal to CSEA membership dues (CSEA service fee) deducted from their monthly pay warrants. CSEA will provide to the District an accurate amount to be deducted. This amount will be the computed CSEA membership dues. Such deductions will not require payroll deduction authorization (Ed. Code 45168.)
- 7.1.3. The employer further agrees to furnish as supplied by CSEA, a CSEA membership information packet to each unit member employed subsequent to the ratification of this agreement.

ARTICLE 8 – LAYOFF AND RE-EMPLOYMENT

8.1. Layoff

- 8.1.1. A layoff for the purpose of this Article shall be considered as an involuntary separation of a permanent or probationary classified employee due to lack of funds and/or lack of work.

8.2. Order of Layoff

- 8.2.1. Seniority shall be determined solely by length of service. Length of service shall be calculated by date of hire within the classification. Employees who voluntarily terminate their employment with the District shall establish a new date of hire when re-employed with the District.
- 8.2.2. Classified employees shall be laid off in inverse order of seniority in the job classification in which the layoff occurs. Employees who have been employed the shortest time in the classification, plus higher classifications, shall be laid off first. In determining seniority, time spent on unpaid leave or time worked as substitute or extra help shall not be counted.
- 8.2.3. If two (2) or more employees subject to layoff have equal seniority, the determination as to who shall be laid off shall be made by lot.

8.3. Notice of Layoff

- 8.3.1. When a layoff of classified employees is anticipated by the administration and at least forty-eight (48) hours before any Board action is taken on layoff of classified employees, the District shall notify CSEA in writing of the proposed action. The District will provide CSEA with an updated seniority roster for the classification in which the layoff is anticipated no less than fifteen (15) calendar days before the date notices are sent to employees. A list of positions and/or hours recommended for reduction or elimination, and for information only, any non-confidential documents supporting the need for layoff will be furnished to CSEA at the time such information is given to the Governing Board.
- 8.3.2. Upon written request, the District shall meet with CSEA to negotiate the effects of the proposed layoff.
- 8.3.3. Any employee may challenge, within ten (10) days of notice, his/her place on the seniority roster by making objections to the Associate Superintendent, Human Resources, or designee who shall review the objections and conduct an audit, if requested, and make the results of such audit known to CSEA and the employee(s) prior to the effective date of any layoff(s) involving such employee(s).
- 8.3.4. After a Board action has been taken on a layoff, a written notice of layoff shall be given to affected employees no less than sixty (60) calendar days prior to the effective date of layoff. A termination interview with the Associate Superintendent, Human Resources, or designee may be scheduled during normal working hours, if requested by the employee. A copy of the notice shall be concurrently sent by email to the President of CSEA local chapter or designee with a list of the employees to whom sent. Such notice shall indicate the layoff effective date and inform the employee of his/her displacement right, if any, and re-employment rights.

8.4. Improper Layoff

- 8.4.1. If, during the term of this Agreement, it is determined that an employee has been improperly laid off and would have been otherwise entitled to employment, said employee shall be re-employed as soon as possible after the error is determined to exist and shall be reimbursed by the District for any loss of salary. Additionally, seniority step placement, vacation, and sick leave hours shall be reinstated as if there were no interruption in service.

8.5. Displacement (Bumping) Rights

- 8.5.1. An employee who is laid off from the classification and who has previous service in an equal or lower classification shall have the right to bump the least senior employee in that classification with less seniority than the employee being laid off. Where the employee is eligible to bump into more than one (1) classification, the employee shall bump into the equal classification. If there are two (2) classifications which the employee is eligible to bump into, he/she shall, within three (3) days of notice, make a choice of the eligible classifications to bump into.
- 8.5.2. Seniority, for the purpose of determining bumping rights, shall include the total of the previous service in the equal or lower class being bumped into, plus service in the class from which layoff occurs and higher classes.

8.5.3. Once the least senior employee has been laid off, if the position that becomes vacant is fewer months than the position held by the employee whose position was eliminated, all remaining employees in the classification of layoff will be placed on separate seniority lists based on the number of months worked. The least senior person on the higher number of months list will bump into the vacant position. (This procedure will be repeated if there are more than two lists for number of months worked.)

8.5.4. A permanent or probationary employee who has been removed from his/her classification for lack of work or lack of funds and after exercising his/her bumping rights may accept a voluntary demotion to a vacant position in a lower class or placement in an equal class, provided that the employee is qualified to perform the duties thereof and provided further that the District approves such re-assignment. Such employee shall maintain his/her reemployment rights as defined in this Article.

8.5.4.1. No regular employee shall be laid off from a position while an employee, not in the classified service, is serving in a position in the same classification for a scheduled leave with at least one (1) more month duration as of the effective date of layoff, unless the regular employee declines such assignment.

8.6. Re-employment Rights

8.6.1. Laid off employees are eligible for reemployment in the classification from which laid off for a thirty-nine (39) month period from the effective date of layoff and shall be re-employed in the reverse order of layoff, as vacancies become available.

8.6.2. Laid off employees who, at the time of layoff, took voluntary demotions or voluntary reductions in assigned time shall be, at the employees' option, returned to a position in their former classification or to a position with increased assigned time as vacancies become available and for a period of sixty-three (63) months from the effective date of layoff. Such employees shall be ranked in accordance with their seniority on the reemployment list(s).

8.6.3. An employee who is laid off and is subsequently eligible for re-employment shall be notified by the District, of opening(s), for which he/she is eligible. The notice shall be by automated phone call to the last contact number of the employee on record with the District office.

8.6.4. In lieu of certified mail notice, the District may elect to give notice by telephone or in person. If the position is refused, the District will confirm such refusal by letter to the employee. CSEA shall be given written notice of all employees offered employment.

8.6.5. An employee who has received and declined two (2) offers of employment in the classification from which they were laid off with the same or more hours than those held at the time of layoff, shall be removed from the re-employment list.

8.6.6. Within seven (7) calendar days of mailing the notice or within five (5) calendar days of telephone or personal contact, the employee must accept the position or the right to it is deemed waived.

8.6.7. The District may simultaneously send out notice of vacancies to more than one (1) person on a reemployment list provided that a more junior person may be given the vacancy only when those with more seniority have declined or waived it.

8.6.8. Any acceptance by such employee of an assignment to a classification lower than the classification from which he/she was laid off or to the same classification, but with fewer hours, shall not affect his/her original sixty three (63) month rights to re-employment in his/her former classification and with the same number of hours. An employee given an offer of such re-employment does not need to accept re-employment to maintain his/her eligibility on the re-employment list provided the employee notifies the District of his/her refusal of re-employment within ten (10) calendar days from receipt of the re-employment offer. If the employee accepts re-employment, he/she must report to work within eleven (11) workdays following receipt of the re-employment offer unless a later reporting date is indicated on the re-employment offer or the District approves a later reporting date.

8.7. Seniority During Involuntary Unpaid Status

- 8.7.1. Employees who return to work from an involuntary unpaid status of less than thirty- nine (39) months, shall retain their original hire date for all hours previously earned for seniority credit. During this unpaid status, no vacation, sick leave, holidays, seniority hours, or other leave benefits will accrue.
- 8.8. Sick Leave Hours
 - 8.8.1. Sick leave hours earned and unused at the time of layoff shall be restored upon reemployment.
- 8.9. Vacation and Compensatory Time
 - 8.9.1. Vacation and compensatory time earned and unused at the time of layoff shall be computed and paid off with the final warrant due the employee.
- 8.10. Fringe Benefits Continuance
 - 8.10.1. With approval of the carrier(s), an employee who has been laid off shall continue to be covered with the benefits provided in Benefits Article in accordance with the Cobra Law provisions provided that the employee pays the full premiums in advance as prescribed by the District.

Vacancies shall be posted at all work locations of the District and shall remain posted at all locations for not less than five (5) business days prior to being filled. Internal and external postings shall run concurrently. - 9.1.1.2. The administrator at each District work site will provide a designated area for displaying postings which is prominent, visible, and easily accessed by employees (i.e. staff lounge) during their workday. Site administrators will designate a site employee who will ensure that all postings are placed on this area. Site administrators will ensure that all classified employees at the site are notified of the area where postings will be placed. Any isolated department that does not have access to the above posting area must request of the Personnel Department that they receive an individual posting for their department.
- 9.1.1.3. All vacancy postings required under section 9.1.1.1 above shall include the class title of the vacant position, the current daily, weekly, or annual hours of employment, and the salary range which is assigned to the position. Such posting does not preclude the District from altering hours or site based upon the changing needs of the District.
- 9.1.1.4. No later than May, the District will communicate to employees the manner in which Summer School and Summer Work (as defined in 9.1.5 and 9.1.6) will be available. Summer School and Summer Work job postings shall include the position title, hours, work dates, work location, and rate of pay. The Announcement(s)/Job Postings will be provided to unit members per 9.1.1.1.
 - 9.1.1.4.1. Unit members who do not have access to technology, have difficulties using technology, or for whom English is their second language, will have access to a District site to receive assistance with applying for summer school and summer work assignments.
- 9.1.1.5. Employees who apply for a position but are not selected may request the Associate Superintendent, Human Resources, provide the reason(s) the candidate was not selected. When requested, the Associate Superintendent, Human Resources, shall

provide information in writing that will assist the employee to be successful when applying for future positions.

9.1.2. Employee Application Requirement

- 9.1.2.1. An employee may apply for vacant positions by submitting a written application to the District Personnel Department within the posting period. An employee on a leave of absence during the posting period may submit his/her application personally or through his/her CSEA representative. Letters of recommendation from the employee's current supervisor shall not be an application requirement.

9.1.3. Employee Interview Process

- 9.1.3.1. The District shall give internal applicants serious consideration for employment in any vacant position for which he/she applies within the posting period. Should an internal applicant exhibit that he/she meets the minimum qualifications defined in the job description and/or the posting for the vacant position, he/she shall receive an interview. The District reserves the right to limit internal interviews to seven (7).
- 9.1.3.2. Internal candidates (9.1.3.1) shall be interviewed prior to external candidates. When an internal and external candidate are rated to be equally acceptable for the position the internal applicant shall be selected.

9.1.4. Lateral Transfer

- 9.1.4.1. When an employee serving in the class in which the vacancy exists applies within the posting period for transfer to the position, she/he shall be granted lateral transfer rights providing:
- 9.1.4.1.1. The employee has completed the probationary period in the class and been granted permanent status;
- 9.1.4.1.2. The employee's last evaluation is satisfactory and contains no marks indicating "Not Satisfactory" or "Requires Improvement";
- 9.1.4.1.3. The employee has not received a written letter of reprimand in the last twelve (12) calendar months.
- 9.1.4.2. If an employee received an evaluation with a "Not Satisfactory" or "Requires Improvement" indicated, she/he has the right, if requested, to a new evaluation within one (1) year.
- 9.1.4.3. Other than for determination of position scheduling compatibility, hours per day and months per year are not a consideration for eligibility.
- 9.1.4.3.1. When two or more employees have lateral transfer rights to a position as defined in 9.1.4.1, all employees with lateral transfer rights shall receive an interview. The District shall select one of the employees with lateral transfer rights for the position. Seniority shall be given consideration, second to ability and job knowledge. If more than seven (7) candidates with lateral transfer rights apply for the position, the administration may limit the candidate field to seven (7) based on a review of the applicants.
- 9.1.4.4. Employees who are involuntarily transferred shall be notified in writing of the reason for and the effective date of the transfer at least three (3) working days prior to the effective date of the transfer.

9.1.5. Summer School Assignments

- 9.1.5.1. Summer School Assignments shall be defined as classified work that supports the instructional program in session at times other than during the regular academic year.
- 9.1.5.2. Unit members shall be free to apply for and accept Summer School assignments in classifications outside their regular, contracted classification.
- 9.1.5.3. The District shall first offer Summer school assignments to unit members in the classification of the assignment who apply during the posting period.
- 9.1.5.4. If there are any vacant Summer School assignments after completing the process in 9.1.5.3, the District shall next offer any vacant assignments to unit members in

classifications other than the classification of the assignment who apply within the posting period and who are able to satisfactorily perform the essential functions of the job (as determined by the application review).

- 9.1.5.5. The District may elect not to offer a Summer School assignment to a unit member during the process in 9.1.5.3-4 if that unit member: 1) received a written letter of reprimand in the last twelve (12) calendar months; or 2) received an evaluation in the current school year with an overall performance rating of "Not Satisfactory" or "Requires Improvement".

9.1.6. Summer Work Assignments

- 9.1.6.1. Summer Work assignments shall be defined as classified work in extra hours or short-term assignments, typically of a deferred maintenance or special projects nature, which occur during the summer recess. Summer work hours will be rotated as equally as practicable among classified unit members.
- 9.1.6.2. Unit members shall be free to apply for and accept Summer Work assignments in classifications outside their regular, contracted classification.
- 9.1.6.3. The District shall first offer Summer Work assignments to unit members in the classification of the assignment who apply during the posting period.
- 9.1.6.4. If there are any vacant Summer Work assignments after completing the process in 9.1.6.2, the District shall next offer any vacant assignments to unit members in classifications other than the classification of the assignment who apply within the posting period and who are able to satisfactorily perform the essential functions of the job (as determined by the application review).
- 9.1.6.5. The District may elect not to offer a Summer Work assignment to a unit member during the process in 9.1.6.2-3 if that unit member: 1) received a written letter of reprimand in the last twelve (12) calendar months; or 2) received an evaluation in the current school year with an overall performance rating of "Not Satisfactory" or "Requires Improvement".
- 9.1.6.6. Unit members working in Summer Work assignments will use a timesheet to report absences that will be collected by the Director of Maintenance or designee, reviewed, and submitted to personnel and payroll for processing.

9.2. Reassignment

- 9.2.1. Reassignment is defined as working out of class temporarily. Employees who are assigned to temporarily assume a higher job classification for a period of more than five days within a 15-day (15) calendar period, will have their salary adjusted upward for the actual period of such assignment. In order to receive adjustment, it is assumed that such change in assignment results in a significant change in duties.
- 9.2.2. This section does not imply that extra pay is due to an employee who assumes only incidental responsibilities of another employee or position when that employee is absent, or the position is vacant.
- 9.2.3. The employee's step increment will remain unchanged if the temporary position is within the employee's job family. If the temporary position is outside the employee's job family, the employee shall be paid at the higher range but at the lowest step that is at least five percent (5%) higher than the employee's regular rate of pay. Upon returning to the former position, the pay shall revert to the lower range.

9.3. Employment

- 9.3.1. Permanency is achieved only if acceptable performance standards are met during the probationary period.
- 9.3.2. Probationary Status
 - 9.3.2.1. The serving of a probationary period is a part of qualifying for permanency in 1) the classified service and 2) a class within that service. The term of probation in each case is six (6) working months. When an employee attains permanency in the service and

has not yet attained permanency in a class because of a change of class during his/her first six (6) months, he/she shall be considered permanent in the lower class until such time as he/she attains permanency in a class by virtue of completion of six (6) working months of probationary service in that class.

9.3.2.2. Immediately following a probationary appointment, the supervisor shall discuss the standards of performance and behavior required of the employee and thoroughly explain what is expected of him/her. Performances and conduct shall be carefully reviewed and evaluated by the respective supervisors during probationary periods. At any time during the probationary period, the supervisor should discuss with the probationary employee any concerns that could potentially lead to termination of his/her employment in the District. The supervisor should meet personally with the employee (and provide written follow up), clearly identifying the specific concerns, providing suggestions for improvement, and plainly communicating that the concerns, if not addressed, could cause the termination of employment within the probationary period.

9.3.2.3. Probationary status may be terminated at any time within the six (6) working-months period by action of the Superintendent/designee, and without any right of appeal by the employee. Upon such termination, a new employee is released from District employment; a permanent employee in a new classification reverts to the permanent status of his/her former classification. An employee whose probationary status is terminated by the Superintendent/designee shall be notified in writing of the action.

9.3.3. Permanent Status

9.3.3.1. In the Classified Service

9.3.3.1.1. Permanency in the classified service is a status in which dismissal or disciplinary actions are subject to right of appeal by the employee, and in which he/she has seniority retention rights in case of layoffs for lack of work or funds.

9.3.3.1.2. New employees shall attain permanency in the classified service upon competent, satisfactory completion of six (6) working months of regular service. Credit for temporary service, may be counted as regular service for this purpose.

9.3.3.2. In a Class

9.3.3.2.1. Permanency in a class is a status in which an employee has the right of appeal in case of demotion.

9.3.3.2.2. An employee shall attain permanency in a class upon completion of six (6) working months of regular competent, satisfactory service in positions within that class. Temporary service in a position to which an employee subsequently received a regular appointment will be counted provided there has been no break in service. If promotion occurs within that year, the time served in the new classification will be counted toward permanency in the initial classification.

9.3.3.3. Extra Help

9.3.3.3.1. It is recognized that unit employees and the District occasionally experience frustrations due to short term peak workloads, extra work due to training needs, seasonal workload requirements, and during emergency situations. To provide mutual relief for these frustrations, the District may, as funds are available, employ and provide extra help employees for periods up to 60 cumulative working days in a fiscal year. Extra help employees shall be classified as probationary employees exceeding sixty (60) cumulative working days in a fiscal year.

9.3.3.3.2. It is understood that the District will provide the first opportunity for substitute work, extra help, and long-term assignments to employees on the thirty nine (39) month re-employment list, within their classification or previously held classifications.

9.3.3.3.3. Additionally, employees serving in positions designated for layoff may be temporarily reassigned to fill in for a more senior employee on a leave of absence. The reassigned employee will not receive a layoff notice until the conclusion of the temporary assignment.

9.4. Evaluation and Step Increases

9.4.1. New Employees

9.4.1.1. Each new probationary employee shall be evaluated at the beginning of his/her sixth (6th) month of regular employment. If the overall performance is deemed to meet or exceed standards, as indicated on the Classified Evaluation form, the supervisor shall recommend that the employee be granted permanent status. An overall performance that meets or exceeds standards contains no more than three marks indicating needs improvement and/or unsatisfactory.

9.4.1.2 New probationary employees shall receive step increases as follows:

9.4.1.2.1 If the employee was hired on or after July 1 through December 31 the employee will receive credit for a year of service effective July 1 of the calendar year following the date they were hired.

9.4.1.2.2 If the employee was hired on or after January 1 through the last day of February the employee will receive credit for a year of service effective July 1 of the calendar year in which they were hired.

9.4.1.2.3 If the employee was hired March 1 through June 30 the employee will receive credit for a year of service effective July 1 of the following calendar year.

9.4.2. Permanent Employees

9.4.2.1. A permanent employee serving a probationary period in a new classification following promotion or transfer shall be evaluated at the same intervals as a new employee.

9.4.2.2. If the permanent employee's performance in the probationary class is unsatisfactory, as indicated on the Classified Evaluation form, the employee shall revert to a permanent status in the class in which he/she holds permanency. The employee's former anniversary date and any step increase for which he/she would have been eligible if the employee had remained in the permanent class will be restored.

9.4.2.3. Commencing the second year of placement on step 5-10 (or above) of the Classified Salary Schedule, employees shall be evaluated at least once every other year. The evaluation(s) shall be concluded on or before the employee's last calendared work date of the fiscal year.

9.4.3. Review of Evaluation

9.4.3.1. The formal evaluation of a permanent or probationary unit member made pursuant to this Article shall be reduced to writing and shall be made available to the employee. The evaluation shall be reviewed with the unit member by the evaluating supervisor during the unit member's work shift. If any part of the evaluation indicates a need for improvement, specific suggestions for improvement shall be made by the evaluating supervisor. The unit member shall sign the copy of the evaluation. Such signature shall not necessarily mean concurrence with the evaluation but will only indicate that the unit member has received the report and is aware of the content.

9.4.3.2. The bargaining unit member shall have the right to respond to the evaluation in writing within ten (10) workdays. Such response shall be attached to the evaluation.

9.5. Monitoring Devices

- 9.5.1. The primary purpose of Monitoring Devices (e.g., cameras, GPS) is to ensure student safety, deter misconduct of students and promote the District's safety/security policies and procedures.
- 9.5.2. The parties understand and acknowledge that the District will only review data from Monitoring Devices for the purpose of employee discipline in response to documented (by the District) complaints or allegations of misconduct based upon specific articulable facts.
- 9.5.3. Review of data will be limited to three (3) business days before and after the date (or date range) of the alleged misconduct. If misconduct is substantiated, the District may extend its review of data by an additional six (6) months. The District may utilize the data discovered for employee disciplinary purposes. Absent serious misconduct, data review will not exceed the parameters set forth above. Further, discipline shall be limited in accordance with California Education Code Section 45113 and the principles of just cause.
- 9.6. Employee Service Reinstatement
 - 9.6.1. For an employee who has voluntarily resigned from the District, "in good standing," and upon the recommendation of the Superintendent or the Associate Superintendent of Human Resources (or designee), is rehired by the District within one (1) calendar year from the effective date of the employee's resignation, the following shall apply:
 - 9.6.1.1. The rehired individual shall serve a probationary period of six (6) working months.
 - 9.6.1.2. Prior employment shall be counted in determining salary schedule placement, sick leave and annual leave/vacation accruals and usage. The anniversary date of the rehired employee will be adjusted to reflect the period of absence from District employment.
 - 9.6.1.3. Per Article 8.2.1, the rehired individual shall establish a new date of hire for purposes of seniority.

 - 10.11.1.1.2. Promotion: A promotion is the appointment of an employee to a different classification with a higher assigned salary range.
 - 10.11.1.2. An employee who is promoted to a higher classification in the same Job Family as their previous position shall be placed at the same step in the higher classification. If the employee's same step in the higher classification provides less than a five percent (5%) increase, the employee shall be placed at a higher step representing no less than a five percent (5%) increase.
 - 10.11.1.2.1. The employee shall be placed within the salary schedule step in the new classification at a placement that aligns with the number of years from when they would receive their next step increase in their previous classification.
 - 10.11.1.3. An employee who is promoted to a higher classification in a different Job Family than their previous position shall be placed at a step representing a higher rate of pay but in no event will he/she receive less than a five percent (5%) increase.
 - 10.11.1.3.1. In the event an employee is promoted to a higher classification in a different Job Family and is placed above Step 4 in the higher classification in accordance with this Article, the employee will be placed within the salary schedule step at a placement that aligns with the number of years from when they would receive their next step increase in their previous classification. This calculation will be completed by the District and employees will have the opportunity to review.
- For example, an employee is an Administrative Assistant I (Range 18, Administrative Series Job Family) at Step 21-25 is two years from advancing to Step 26-30. The employee receives a promotion to Help Desk Technician (Range 25, Specialists Job Family) and is placed at Step 11-15. The employee would be placed within Step 11-15 at 14, which would make the employee two years from advancing to the next step.
- 10.11.1.4. The District reserves the right to place the employee at a higher step than the minimum required, based on its determination of the employee's qualifications.

ARTICLE 11 - HOURS OF EMPLOYMENT

- 11.1. Unit employees' hours shall be established by the District in conformance with state law.
- 11.2. The District and CSEA will mutually explore optional work schedules for bargaining unit members. Any considered schedules will be in compliance with the Fair Labor Standards Act and will not create additional cost for the District.
- 11.3. Work Calendars
 - 11.3.1. The District shall provide school site employees working less than twelve (12) months with a start and end date appropriate to their work assignment {i.e., ten (10) months}. Non-school site employees working less than twelve (12) months shall be provided a blank calendar for the employee to submit to his/her director/supervisor for approval and submission to the Human Resources Department.
- 11.4. Adjustment to Assigned Time
 - 11.4.1. Any employee who is assigned to work a minimum of thirty (30) minutes or more per day in excess of his/her regular part-time assignment for a period of twenty (20) consecutive working days shall have his/her regular assigned time adjusted upward to reflect the longer hours. This will be effective as of the 21st day of the assignment.
- 11.5. Lunch Periods
 - 11.5.1. Employees who work four (4) hours or more per day shall be entitled to a duty free and unpaid lunch period of no less than thirty (30) minutes. Such lunch period shall be assigned to take

place near the mid-point of the workday. If the total work period per day is no more than six (6) hours, the meal period may be waived by mutual consent of the employee and the District. District consent shall not be unreasonably withheld. At the employee's option, the employee may leave his/her job site during the uninterrupted lunch period.

11.6. Relief Periods

11.6.1. Each employee working eight (8) hours shall be allowed two (2) fifteen-minute relief periods daily. Each relief period shall be taken at approximately the mid-way point of his/her shift before and after the lunch break. Employees who work between three and one-half (3-1/2) and four (4) hours may be granted a fifteen-minute relief period daily as long as the relief period does not interfere with the delivery of District services. Employees who work more than four (4) and less than eight (8) hours shall be allowed one (1) fifteen-minute relief period daily. Relief periods are paid time, are forfeited if not used, and cannot be used to provide opportunity for early release.

11.7. Compensatory Time Off

11.7.1. An employee may elect to take compensatory time off in lieu of cash compensation for work beyond his/her regular assignment. When compensatory time off is chosen in lieu of cash compensation, the time off will be taken at a rate of one and one-half (1-1/2) times the extra hours worked. The time off will be taken within the school calendar year and without impairing services rendered to the District. If not taken by the end of the school year, the employee will be compensated for the time in cash. If there is mutual agreement between the employee and the supervisor, compensatory time may be carried over to the following year. A maximum of 240 hours may be accumulated.

11.7.2. An employee who works beyond his/her regularly assigned work week, but less than forty (40) hours per week, shall be compensated at the same hourly rate as his/her normal rate of pay for the additional time worked. An employee may elect to take compensatory time off in lieu of cash compensation for this additional work. When compensatory time off is chosen in lieu of cash compensation, the time off will be taken at a rate equal to the time worked. For example, one extra hour worked equals one-hour compensatory time.

11.8. Call-In Time

 - 12.5.1.2. Catastrophic Leave will permit classified employees of the District to donate days to a Bank that will administer those days according to the terms of this section.
 - 12.5.1.3. "Catastrophic illness or injury" is defined as an illness or injury that is expected to incapacitate the employee for an extended period of time or that incapacitates a member of the employee's immediate family whose incapacity requires the employee to take time off from work for an extended period of time to care for that family member and taking extended time off work creates a financial hardship for the employee because he/she has exhausted all his/her sick leave, excluding differential leave. A doctor's verification is required.
 - 12.5.1.4. The "immediate family", for the purpose of catastrophic leave, shall be defined as spouse, domestic partner, child, stepchild, parent, and any relative currently living in the immediate household of the employee.
 - 12.5.1.5. Days in the Bank shall accumulate in the Bank from year to year.

 - 12.5.2.5. The contribution, on the appropriate form, must be authorized by the unit member.
 - 12.5.2.6. Members wishing to cancel must notify the Human Resources Department in writing within the first 30 calendar days of the school year. Sick leave contributed to the Bank shall not be returned.
 - 12.5.2.7. If the number of days in the Bank drops below 25% of the amount equivalent to the number of members in the Bank, an additional contribution of the equivalent of one additional day (based upon the employee's FTE), shall be required of each member. The member may, within 30 calendar days, either contribute or cancel. Sick leave contributed to the Bank shall not be returned. If a mid-year contribution is required and a current member does not have any personal necessity days remaining, the member may contribute a sick day.
 - 12.5.2.8. Employees returning from extended leave will be permitted to contribute within 30 calendar days of beginning of work. The District shall supply enrollment forms for the Bank to all employees.
 - 12.5.2.9. Full and part-time employees wishing to participate in the Bank shall make an initial contribution of 8 hours of personal necessity the first year of participation, between October 1st, and October 31st.

 - 12.5.3.3. A minimum of ten workdays of illness or injury must be covered by the participant's own sick leave, differential leave, or leave without pay the first time the participant qualifies for a withdrawal from the Bank. If the same illness/injury recurs within twelve months of the beginning of the leave, the ten-day requirement will be waived.
 - 12.5.3.4. Family members may apply for catastrophic leave on behalf of the unit member.
 - 12.5.3.5. Leave is granted for up to thirty (30) workdays at a time to a maximum of ninety (90) workdays. The ninety (90) workday limit may be waived by a unanimous vote of the Catastrophic Leave Committee.
 - 12.5.3.6. The first ten (10) duty days of catastrophic illness or disability must be covered by the participant's own sick leave, differential leave, or leave without pay.
 - 12.5.3.7. If the unit member is receiving Worker's Compensation or Disability Insurance, no leave will be granted until compensation is exhausted.
 - 12.5.3.8. If no leave days are available in the Bank, the District has no obligation to provide leave.

- 12.5.4.5. If this provision is rescinded, the Committee will continue to administer Catastrophic Leave days until the days in the Bank are exhausted.
- 12.5.4.6. If the number of days accumulated is maintained at or above 25% of the amount equivalent to the number of members in the Bank, no contributions will be assessed for that year except for new members wishing to join the Bank.

12.6. Annual Leave/Vacation

- 12.6.1. Employees earn annual leave/vacation credit for all hours in paid status including holidays and paid leaves of absence, except for those hours considered as overtime. Credit is not earned during any period of unpaid status.

Any balance over 30 days, as measured on May 31, will be paid out in July each year.
 - 12.6.2.4.2. In any school year which exceeds 260 workdays by one (1) day, inclusive of holidays, twelve-month employees will be granted one additional day of annual leave/vacation. This day shall be observed on the designated voucher day (as mutually agreed to by the Parties). In any school year which exceeds 260 workdays by two (2) days, inclusive of holidays, twelve (12)-month employees will be granted two additional days of annual leave/vacation. The first of these two days shall be observed on the first regular workday following the December 25th Holiday, and the second of these two days shall be observed on the last regular workday prior to the December 25th Holiday.
- 12.6.3. Annual Leave/Vacation shall be taken with prior approval of the employee's supervisor with as much advance notice as is possible. Preference is to be given to employees on the basis of seniority when possible.

- 12.8.1.7. The industrial accident or illness leave of absence is to be used in lieu of entitlement acquired under normal sick leave benefits.
- 12.8.1.8. When entitlement to industrial accident or illness leave has been exhausted, entitlement to other sick leave will then be used, but if an employee is receiving Workers' Compensation, the person shall be entitled to use only so much of the person's accumulated or available sick leave, accumulated compensation time off, annual leave/ vacation, or other available leave, which when added to the Worker's Compensation award, provide for a full day's wage or salary.

Prior to taking such action, the employee shall be notified in writing that available paid leave has been exhausted and shall be offered an opportunity to request additional leave. To be considered, the request for additional leave must be received by the District within ten (10) calendar days after the written notice from the District has been mailed to the employee's last home address on file in the Personnel Office. When available, during the 39-month period, and if medically released to assume the duties, the person shall be employed in a vacant position in the class of the person's previous assignment. This employment will be over all available candidates except for a reemployment list established because of lack of work or lack of funds, in which case the person shall be listed in accordance with appropriate seniority regulations.

12.9. Differential Leave

- 12.9.1.1. When an employee is absent from duty because of a medically verified disabling illness or injury, the employee shall be paid regular salary less the sum paid to the substitute (Step A or above) for a period of five (5) calendar months following the time when the accumulated sick leave shall have been exhausted.
