The Folsom Cordova Education Association (Association) and the Folsom Cordova Unified School District (District) have worked collaboratively on an agreement that will establish a one-year pilot program to adjust bell schedules in grades one (1) and two (2) for the 2021-2022 school year. Participating schools have volunteered to extend their grades one (1) and two (2) schedules to observe the same bell schedule as grades three (3), four (4), and five (5).

Elementary schools participating in the 8:25 a.m. to 2:37 p.m. "All Day Schedule" pilot include:

- Carl Sundahl
- Cordova Meadows
- Cordova Villa
- Empire Oaks
- Folsom Hills
- Mather Heights
- Peter J. Shields
- Theodore Judah
- White Rock

A committee will be established to include four teachers from the participating schools, two (2) from Rancho Cordova and two (2) from Folsom, to work with four (4) early/late teachers, two (2) from Rancho Cordova and two (2) from Folsom, representing each grade level. The lead teachers and an administrator for curriculum and instruction and social emotional learning will also participate in the committee. The committee will establish mutually agreed assessments in the following areas:

- Student whole-child growth (physical, cognitive, and social/emotional)
- Academic reading and writing achievement
- Impacts on social emotional learning

Teachers will be provided release time or \$45/hourly rate based upon salary schedule compensation as agreed upon by the committee.

The committee will report findings to the bargaining teams in April 2022. This pilot will expire June 30, 2022, unless extended by mutual agreement.
