

ADDING STUDENTS TO AN EXISTING POWERSCHOOL PARENT ACCOUNT

Use the following directions if you have already created a Powerschool Parent Account and wish to add additional students to the account.

- Login to the Powerschool Parent Portal with your existing account
 - Select **Account Preferences** from the navigation menu on the left of the screen
 - Select the **Students** tab
 - All student currently linked to your account will be shown here
 - Select **Add**

- The window displayed below will open
- Enter the Student Name and the Access ID and Password that you received from your school
 - Select Submit
 - Repeat if you have additional students you wish to add to the account

FCUSD

Department of

Educational Technology & Information Systems

Folsom Cordova Unified School District

- After you have added your student you will see the name(s) of your students displayed at the top of your screen
 - You will click each name to see the specific information for that student.
