

Delta Dental MAXAdvantageSM benefit option

Delta Dental's MAXAdvantageSM dental benefit option allows groups and their participants to receive most preventive and diagnostic services without reducing their plan year maximum benefit amount. This means they can maintain their preventive dental care routine while saving their annual maximum for other dental services they may need throughout the year.

What services are included and do not count toward the plan year maximum benefit amount?

- ✓ Routine and comprehensive dental exams, as well as periodontal exams
- ✓ X-rays, including complete series, periapical, intraoral, extraoral, bitewings and panoramic films
- ✓ Cleanings, including perio-maintenance cleanings
