

Folsom Cordova Unified School District  
Individual Notice of Pesticide Application  
2022-2023

Dear Parent or Guardian,

The Healthy Schools Act requires that all schools provide parents or guardians of students with annual written notification of expected pesticide use on school sites. The notification will identify the active ingredient or ingredients in each pesticide product and will include the Internet address (<http://www.cdpr.ca.gov>) for further information on pesticides and their alternatives.

Parents or guardians may request prior notification of individual pesticide applications at the school site. People listed on this registry will be notified at least 72 hours before pesticides are applied. If you have any questions or you would like to be notified every time we apply a pesticide, please complete and return the form below and mail it to:
