

## **Daily Bulletin Friday, September 8**

Students, school attendance is very important to your overall success. As an incentive to promote perfect daily attendance FMS is now holding an attendance campaign. Prizes will be awarded every Friday during a weekly drawing for the students who are at school each day and are not tardy to any classes. We will hold these drawings each Friday from now until our next holiday, Veteran's Day, in November. At the end of the campaign (the day before the Veteran's Day Holiday) we will do a drawing for a brand new LED TV. All students who were present every day between now and that date, and who had zero tardies for that time period, will have their names entered into the final drawing. We want everyone to have a chance at the big prize. Make sure you are at school daily, and on time. First period begins at 8:50 sharp each morning. Good luck, Jaguars. Your attendance matters!
