2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

School Vision and Mission:

Peter J. Shields Elementary School will create students who are inspired, compassionate, and creative individuals who are empowered to excel beyond their own expectations. Staff, students, and parents will collaborate to provide a healthy and safe learning environment where students have the confidence to take academic and social risks. The high expectations we have for our students will prepare them for their educational future. As positive role models, it is our mission to develop proficient learners that have the skills they need to navigate through an ever changing and complex world.

School & Community Profile:

Peter J. Shields is located in a neighborhood of long-time residents and younger families moving into affordable homes. The school has been in existence since 1962 and has been the proud school of several generations of families. Our population draws from both apartment complexes and single-family homes. Our ethnic make-up enjoys diversity with a variety of languages including Spanish, Armenian, Russian, and Ukrainian in addition to English. Because of our diversity, Peter J. Shields Elementary qualifies for two bilingual instructional aides who assist us with language and content acquisition for our English Learner students. We are a school that qualifies for Title I funding based on the level of poverty that exists in our student population. Title I funds afford us the ability to hire a reading specialist, provide supplementary classroom materials, purchase release time for teachers for planning and collaboration and attend professional development opportunities. Our school offers students two after-school child care/enrichment options; the After School Education and Safety (ASES) program which is a free, grant-based after-school care, and the Student Care program which is parent-paid. Both programs offer time for homework and snacks. However, due to restrictions in response to COVID-19 and from the County Health Department and the State of California, these programs operated in a combined and reduced manner for the 2020-2021 school year. They have both reopened to near normal status for the 2021-2022 school year. In coordination with both programs, we are able to offer

2021-22 School Overview

math and reading intervention classes while students are still on campus in addition to extended days to support instruction. Normally, our school enjoys great parent participation at our event nights such as our Harvest Festival, movie nights, Open House, Family Welcome/Meet the Teacher, and Back to School Night, but due to the current increase in COVID-19 cases, these events have been placed on hold. Our Parent Teacher Association (PTA) has a small but creative and active group of parents that add to the richness of the PJS experience.

As soon as you walk onto the Peter J. Shields campus, you can feel the inclusiveness of the staff and parent community. Students greet all teachers warmly and all of the staff adds to the welcoming atmosphere and positive culture of Peter J. Shields.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on January 20, 2022, and determine that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Our custodial and district staff maintains our school and grounds so that it is clean and beautiful. Trash is routinely picked up and the buildings are kept free of graffiti. We have benches for parents and students around the campus as well as shaded picnic tables bordering our playing fields. The facilities are checked each morning and evening by custodial staff for vandalism, cleanliness, and safety.

Peter J. Shields was remodeled during the summer of 2001. At that time, new bells and alarms were installed school-wide, as well as improved handicap access to restrooms and drinking fountains. All classrooms are equipped with energy-efficient heating and air conditioning units. Phones are in all classrooms, allowing teachers and students access to direct outside lines. The school received a new infrastructure to support computers and Internet access throughout the campus.

We are very proud of our school as it is a beautiful, welcoming, and well-kept campus!

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents are encouraged to attend all school functions, however, due to the most recent increase in COVID-19 cases, it is recommended that these events be curtailed or canceled to best ensure the safety of students, staff, and the community. If possible to hold these events, they would include Family Welcome Night, Back to School Night, movie nights, a Harvest Festival, and parent conferences. Parents receive intervention information from teachers to assist underperforming students. Peter J Shields will continue to offer Family Welcome Night, Open House, Back to School Night, and various Parent Teacher Association (PTA) sponsored events when allowed and recommended by the District in coordination with State and County Public Health offices. This year we did hold our annual Family Welcome Day before school started for parents and students to come and meet their teachers. Our annual Title I meeting was held in a virtual format. Annual parent surveys and parent compacts are handed out and discussed at parent teacher conferences in November. Parents are able to access the school's website, classroom websites & email addresses by using home computers or the parent access computer in the front office. Adults who are bilingual are available for parents when needed.

We have parent representation through our PTA leadership, School Site Council (SSC), English Language Acquisition Committee (ELAC), and the Superintendent Communication Committee. SSC and ELAC have filled parent positions. PTA was very active this year with events and activities well-organized and attended.

For additional information for parent involvement about organized opportunities at Peter J. Shields Elementary School, please contact individual teachers through the school office at 916-296-9160.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.17	0.01	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Our school is safe and well maintained. At Peter J. Shields, we pride ourselves on school appearance and campus safety. Our custodial staff also takes pride in keeping our campus clean and beautiful. Restrooms and eating facilities are cleaned daily. Kindergarten tables are disinfected nightly. Classrooms are cleaned several times a week. Any safety hazard that is reported is reviewed immediately and resolved. Our School Site Council and the Board of Education review safety plans each fall. During the 2020-2021 school year, there was one (1) accidents involving students at Peter J Shields.

Emergency plans have been developed in case a threatening situation should arise. The Emergency Plan is designed to give staff members and students guidance during emergency situations. Safety drills are held regularly to ensure that students and staff are well prepared in the event of an emergency. Our Safe Schools Plan encompasses disaster procedures, school conduct code and discipline, sexual harassment policy, and child abuse reporting.

Professional Development

Folsom Cordova Unified School District has provided up to two professional development days for certificated staff for the current year and the last two years. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; by reading professional literature; and by networking. District-sponsored in-service and training are provided through Professional Learning Communities (PLC), lead teachers, and site level academic, reading, math, science, and technology coaches. In addition, our district staff has worked collaboratively to provide an induction program for qualified new teachers.

It is the goal of Peter J. Shields Elementary to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. Our committed staff is always available to assist struggling students whether academic or emotional.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
