explore healthcare careers

About KP LAUNCH

The program's goal is to build and sustain a pipeline of diverse talent that will become future leaders in health care and help meet the needs of the Northern California communities we serve. KP LAUNCH helps Kaiser Permanente shape the future of health care and create more equitable communities by positively impacting the lives of students from backgrounds that are currently underrepresented in health care careers.

General Application

Feel free to submit your application of interest for our Summer 2024 cohort starting November 20, 2023. The application link will remain open until January 2, 2024.

As part of the application process, please be prepared to submit a resume and a personal statement about yourself and your interest in our summer program.
