2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

School Vision and Mission:

Folsom Hills Elementary School, via its internal Professional Learning Communities, Guiding coalitions, and Multi-tiered Support System groupings have created a vision for all students to succeed at their highest academic, social, and emotional potential.

Our school wide academic program is based on clearly defined standards and high expectations for all students academically, emotionally, and behaviorally. Staff collaborates using up to date curriculum, professional development, and interventions to support students at risk closing the achievement gap and creating an environment for student success. Professional Learning Communities and their interconnected communication and collaborative strategies have redefined our approach to ensuring this vision is implemented with fidelity.

Folsom Hills is a safe, healthy learning environment based on a belief that students learn to be accountable for their behavior to assure a successful school experience. Parents and the public are encouraged to be involved with the school program through our Parent Teacher Association, School Site Council, and classroom volunteer programs CAP [ceramics], FAME [artists and composers], class buddy groups [peer mentoring], PC Pals [private outside companies, such as Intel offering mentoring], etc.)

The district-adopted academic curriculum provides for both basic skills and enrichment in the regular classrooms. The staff and parents of Folsom Hills students have worked hard to create an academically and socially rich elementary school setting, in which our students strive for social and academic success in a culturally and socioeconomically diverse society.

School & Community Profile:

Folsom Hills is an elementary school in Folsom, California, serving Pre-K through 5th grade students and families. In a typical school year, Folsom Hills serves approximately 500 students. Students come from a variety of surrounding neighborhoods, primarily The Parkway, Briggs Ranch, and Willow Creek. Numerous students also join us from throughout the district as well, due to our Foreign Language Elementary School (FLES) program, aka known as the Spanish Magnet program.

2021-22 School Overview

If an individual were to look into any of the 29 classrooms at Folsom Hills, they would normally find parent volunteers, along with teachers, assisting students with both academic and social goals and benchmarks. One would also see specially trained parent CAP (ceramics) docents, FAME (artists and composers) docents, science docents, and Intel volunteer matching grant volunteers working with the students. PC Pals are on site several times each trimester, and community programs - from the police and fire departments to local businesses - are a positive and engaging presence on campus. However, due to COVID-19, all volunteer and parent interactions onsite are prohibited until further notice, to ensure student and staff safety.

Folsom Hills' end goal is to prepare our students to become responsible citizens and productive, caring members of the world at large. Folsom Cordova's strong educational leadership team works hard to support each student academically and emotionally. Opportunities for differentiated instruction are available for each student, including those identified for Gifted and Talented Education, Specialized Academic Instruction, or Intervention; instructional intervention and enrichment programs are offered to ensure all students are supported in meeting grade level standards in reading and math. Multi-tiered support systems English/language arts groupings, iReady, small group math instruction, intervention, and early/late friend times for grades K-2 all assist with this goal. While currently not implemented in a traditional manner, due to COVID-19, teachers are adapting the new schedule and expectations to continue the small group model, when possible.

The Folsom Hills team believes that a positive school culture must be provided to all students, coupled with an academically challenging curriculum (and all in a caring and positive school environment). Experienced teachers and support staff, coupled with professional learning communities' groupings consisting of Grade Level Teams, Safety, Positive Behavior and Intervention Systems, Foreign Language - Elementary School/Spanish Magnet, and Project Lead the Way, all contribute to this overarching goal. A strong, school-wide Positive Behavior Intervention Systems program utilizing the "Friendly Fox Five" (Be Respectful, Be Responsible, Be Safe, Be Friendly, Be Productive) standards acknowledges the work of students in creating a healthy and safe learning environment, with Gold Fox Awards and other school-wide incentives being used as reinforcements.

Our active Student Council provides awareness of the importance of community service for all children at Folsom Hills. Folsom Hills is well known for its strong, supportive parent community. In addition to classroom volunteers, parents also serve on our Site Council, which assists with important curriculum, budget, and facility decisions. Our Parent Teacher Association plans numerous activities that serve as a positive bond between home and school and provide financial support for our many programs. Parent involvement is the focus of our Parent Teacher Association. PTA is improving the quality of instruction by providing funds for field trips, equipment for student productions, technology, books, and other instructional activities, as well as paying for our Project Lead the Way curriculum and supporting our Spanish Magnet staff and students.

Contact Information:

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Vicky Cackler - Administrative Assistant at vcackler@fcusd.org, Tracy Kraakevik - School Clerk at tkraakevik@fcusd.org or Monika Himmrich - Principal at mhimmric@fcusd.org. Folsom Hills encourages parent and community involvement and welcomes the comments of all parties.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on January 20, 2022, and determine that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Folsom Hills Elementary was originally constructed in 1991 and is comprised of 29 classrooms, a multipurpose room/cafeteria, library, staff lounge, and three playgrounds (Kindergarten, primary and intermediate). Starting in May of 2019, Folsom Hills Elementary began a full-scale modernization, which included a complete remodel of the administrative offices, multipurpose room, and rooms 1-18, plus the student care building. Rooms 19-29 have been replaced with modular buildings. All grounds were redone, and the completion date was January of 2020.

The principal works daily with the custodial staff to ensure that the cleaning of the school is completed to provide a clean and safe environment for everyone. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review. District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner, though while undergoing modernization, this was a collaborative effort with the contractor and sub-contractors. A work order process is used to ensure efficient service and the highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

In a typical year, if an individual were to look into any classroom at Folsom Hills, they would find parent volunteers, along with teachers, assisting students with both academic and social goals and benchmarks. One would also see specially trained parent CAP (ceramics) docents, FAME (art) docents, and science docents working with the students. Parent involvement is the focus of our Parent Teacher Association (PTA) activities. PTA is always improving the quality of instruction by providing funds for field trips, equipment for student productions, technology, books, and other instructional activities.

Unfortunately, due to COVID-19, onsite involvement is not possible for 2021-2022. However, parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact one of the following staff members for virtual equivalents:

Vicky Cackler - Administrative Assistant at vcackler@fcusd.org
Tracy Kraakevik - School Clerk at tkraakevik@fcusd.org
Fabienne Johansson - Parent Coordinator at fjohansson@fcusd.org
Monika Himmrich - Principal at mhimmric@fcusd.org

Folsom Hills encourages parent and community involvement and welcomes the comments of all parties.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	0.17	0.00	4.15	0.20	3.47	0.20
Expulsions	0.00	0.00	0.17	0.01	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

There were zero (0) student accidents reported at our school in the 2020-2021 school year. Restrooms and eating facilities are cleaned daily. Classrooms are cleaned every other day. Any safety hazard that is reported is reviewed immediately and resolved. Safety plans are reviewed each fall and spring. Emergency plans have been developed in case a threatening situation should arise. A Facility Inspection (FIT report) is submitted to the district office on a monthly basis. Please note that for 2021-2022 Folsom Hills, along with all other FCUSD elementary sites is coping with new rules, regulations, and policies due to COVID-19. This supplement (Work Site Plan) which Folsom Hills' teachers and students follow is a separate entity from that of our typical safety plan.

Folsom Hills is very concerned with safety. Safety is addressed in a variety of methods. Folsom Hills has a strong and positive relationship with the Folsom Police Department. Our Comprehensive Safe School Plan is updated each year and is housed in a visible place in our front office. Our well-equipped Crisis Response backpacks are updated each fall and are housed in a visible place in every classroom on campus. Folsom Hills' Emergency Preparedness manual, which contains specific instructions to be followed in the event of a real or potential disaster, is reviewed each year. These manuals are posted in each classroom to ensure they are accessible by teachers and support staff, and staff is trained to implement the safety procedures.

Date of Last Review/Update: September 1, 2021

Professional Development

Folsom Cordova Unified School District has provided up to two professional development days for certificated staff for the current year and the last two years. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; by reading professional literature; and by networking. District-sponsored in-service and training are provided through Professional Learning Communities (PLC), lead teachers, and site level academic, reading, math, science, and technology coaches. In addition, our district staff has worked collaboratively to provide an induction program for qualified new teachers.

Counseling & Support Staff:

It is the goal of Folsom Hills Elementary to assist students in their social and personal development as well as their academic aspirations. We give special attention to students who experience achievement problems, have difficulty coping with personal and family problems, and who encounter trouble with decision making or handling peer pressure. Outside resources can be pulled for individual students, based on the assessed need by a team composed of site and district-level personnel, if needed.

In addition:

Teachers, the administrative team, and our site psychologist all work to ensure that student needs are met, including, when appropriate, referrals to Early Intensive Behavioral Treatment (EIBT) pre-school programs, occupational therapy, physical therapy, speech, behavior specialists, and special education programs.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
