DAME ALLAN'S SCHOOLS

RECRUITMENT PRIVACY NOTICE

Under data protection law, individuals have a right to be informed about how we, Dame Allan's Schools (hereafter the Schools) (which comprises Dame Allan's Junior School and Nursery, Dame Allan's Boys' School, Dame Allan's Girls' School and Dame Allan's Sixth Form, registered charity number 1084965 and company number 4002372) use any personal data that we hold about them.

We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This notice explains what personal data (information) the Schools will hold about individuals applying for a position at the Schools. This includes individuals applying for positions as a member of staff (full time or part time, teaching or support), contractors, workers, governors, volunteers and peripatetic staff. It also applies to individuals we will contact in order to find out more about our job applicants, including referees, or those who are provided by job applicants as an emergency contact.

We are required to notify you of this information under data protection legislation.

This notice includes information about how we collect information from applicants, how we will use that information and with whom we may share information about applicants during the application process.

All applicants are asked to read this notice (sometimes referred to as a 'privacy notice') and any other similar notice we may provide them with from time to time when we collect or process personal information about them.

1. Who collects the information

Dame Allan's Schools ('the Schools') are a 'controller' and gather and use certain information about you. The School's contact details are as follows:

Dame Allan's Boy', Girls' and Sixth Form Schools, Fowberry Crescent, Fenham Newcastle upon Tyne, NE49YJ

Email: va.mcdonald@dameallans.co.uk

2. Data protection principles

We will comply with the data protection principles when gathering and using personal information, as set out in our Data Protection Policy.

3. About the information we collect and hold

The table in Part 1 of the Schedule below summarises the information we collect and hold up to and including the shortlisting stage of the recruitment process, how and why we do so, how we use it and with whom it may be shared.

The table in Part 2 of the Schedule below summarises the additional information we collect before making a final decision to recruit, i.e. before making an offer of employment unconditional, how and why we do so, how we use it and with whom it may be shared.

We seek to ensure that our information collection and processing is always proportionate and necessary for specific legitimate purposes. We will notify you of any changes to the information we collect or to the purposes for which we collect and process it.

4 Where information may be held

Information may be held on the Schools' premises in our filing systems and on our servers. We will not share any of your information with a third party, unless we inform you that we intend to do so. It may also be held by third party agencies, service providers and representatives.

5 How long we keep your information

We keep the personal information that we obtain about you during the recruitment process for no longer than is necessary for the purposes for which it is processed. How long we keep your information will depend on whether your application, or the application you are supporting (e.g. as a referee) is successful and you (the job applicant) become employed by the Schools, the nature of the information concerned and the purposes for which it is processed.

We will keep recruitment information (including interview notes) for no longer than is reasonable, taking into account the limitation periods for potential claims such as race or sex discrimination (as extended to take account of early conciliation), after which they will be destroyed. This is likely to be for 6 months from the communication of the outcome of the recruitment exercise which takes account of both the time limit to bring claims and for claims to be received by the Schools. If there is a clear business reason for keeping recruitment records for longer than the recruitment period, we may do so but will first consider whether the records can be pseudonymised, and the longer period for which they will be kept.

If you are an applicant and your application is successful, we will keep only the recruitment information that is necessary in relation to your employment. For further information, please see our Privacy Notice for Staff, which is available on our website.

Further details of how long we keep information can be found in our Retention of Records Policy, which is also available on our website.

6. Your data rights to correct and access your information and to ask for it to be erased

Please contact our Data Protection Coordinator who can be contacted as detailed in paragraph 1 above if you would like to correct or request access to information that we hold relating to you or if you have any questions about this notice. You also have the right to ask for information we hold and process to be erased ('the right to be forgotten') or not used in certain circumstances. Our Data Protection Coordinator can provide you with further information about your data rights, if you ask for it. You may also wish to read the Schools' Privacy Notice for Staff, which provides more detail on this.

7. Keeping your personal information secure

We have appropriate security measures in place to prevent personal information from being accidentally lost, used or accessed in an unauthorised way. This includes personal information being locked away, password protected or encrypted. We limit access to your personal information to those who have a genuine business need to know it. Those processing your information will do so only in an authorised manner and are subject to a duty of confidentiality.

We also have procedures in place to deal with any suspected personal data breach. We will notify you and any applicable regulator of a suspected data security breach where we are legally required to do so.

8. How to complain

We hope that our Data Protection Coordinator can resolve any query or concern you raise about our use of your information. If not, you can contact the Information Commissioner's Office at <https://ico.org.uk/concerns/> or telephone 0303 123 1113 for further information about your rights and how to make a formal complaint.
