### **GPAs and Class Rankings**

As required by law Hampton County School District will follow South Carolina's Uniform Grading Policy. All courses taken for high school graduation credit are included in the calculation of GPAs and class rank. The instructional level of each course, the student's grade in each course, and the total number of courses attempted are included in the computation of class rank. Under the Uniform Grading Policy all course grades are based on a state-defined grading scale with corresponding grade point values for each numerical grade. In addition, the policy specifies that only courses taught at the Honors, Advanced Placement, IB, and /or Dual Credit in college courses may be awarded additional weighting values (.5 quality points for Honors credits and 1.0 quality points for Advanced Placement, IB, and Dual Credit) to be used in computing grade point averages and class rank. Grade Point Average is calculated using the following formula:

$$\text{GPA} = \frac{\text{Sum of quality points} \times \text{units}}{\text{Sum of units attempted}}$$

Based upon individual student's transcripts consisting of completed classes and the weighting of each, PowerSchool computes a GPA for every student. Hampton County School District personnel does not compute GPAs; their responsibility is to calculate to verify accuracy. Once a GPA has been computed for all students, all grade point averages are rank ordered numerically from highest to lowest and each student's class rank is determined by the position of his/her GPA relative to all other students in a given grade. In instances of equal GPAs for more than one student, the same class rank is given and the following value in sequence is omitted. Students are reminded that one's position in the class rank system is relative to the weighted rank of all other students in a particular grade. Therefore, as the numbers and performance of other students in a particular grade group changes, a student's class rank may change.

Seniors must take a minimum of two classes each semester to maintain full-time student status. They may choose to only take what is required for graduation or they may take additional courses above the graduation requirements. The number of classes and the weighting of the classes will impact GPAs and class rank. Refer again to the formula listed above. Therefore, if student A takes four classes, some at the college preparatory level and some at dual credit and student B takes seven classes of all honors and dual credit, it is possible for student A to make all As with high grades but to go down in class rank if student B is close in GPA and also makes high grades because the courses would be at a higher weighting and there would be more of them. Refer back to the formula mandated by the state of South Carolina.

### **Requesting GPA/Class Rank**

Cumulative GPA and class rank are based upon completed courses only. Therefore, cumulative GPA and class rank are calculated at the end of semesters. So, if a student requests his/her cumulative GPA or class rank in February, he/she will be given his cumulative GPA and class rank from the end of first semester. He/she will not receive an updated GPA or class rank until the conclusion of 2nd semester because cumulative GPA and class rank are only based upon completed courses. Per South Carolina mandate, all cumulative grades are archived by June 15th of each year.

The GPA in PowerSchool Quick Lookup and Parent Portal will be the GPA that was last calculated. GPA is only calculated at the end of the first semester and at the end of the school year.

### **GRADUATION**

Seniors not completing the specified 24 Carnegie High School units of credit will not graduate from HCHS. Once the graduation ceremony begins, visitors will not be allowed to enter the ceremony. Seniors disrupting or disregarding HCHS rules and regulations will have diploma and transcripts held and recommended to appear before the district school board for a hearing. All guests are asked to remain seated until ceremony has ended.

### **Latin Honor System**

Summa Cum Laude	GPA of 4.25 or higher	Black stole awarded
Magna Cum Laude	GPA of 4.0 – 4.249	White stole awarded
Cum Laude	GPA of 3.75 – 3.99	Silver stole awarded

### **Valedictorian and Salutatorian**

In order for a student to be eligible for competition for Valedictorian or Salutatorian, a student must have attended Hampton County High School continuously since the beginning of his/her junior year and must graduate with the class in which he/she began high school.

### **Junior Marshalls**

To determine marshals at the graduation ceremony, the district will use students' cumulative grades through the 1st semester reporting period of their junior year. Students in the top ten percent of their class, based on GPA, will be selected to serve as a Junior Marshall.

## **BACCALAUREATE & GRADUATION PROGRAMS**

Students must be in their fourth year of high school in order to have a special part (Invocation or Benediction) in the program. For students in grades 9 through 12, the district will utilize the South Carolina Uniform Grading Scale Conversions to determine each student's class rank. This system is based on a totally weighted format in which each course is awarded quality points according to the following difficulty levels, such as college prep, honors, AP, and Dual Credit. Transferring students will be included in the calculation for class rank. To determine honors, the district will use grades through the end of the senior year.

## **BETA CLUB**

### **STANDARDS OF MEMBERSHIP**

Standards for membership in the Hampton County High School Chapter of the National Beta Club must conform to the general features as laid down in the national constitution and in all cases must be approved by the executive head of the high school. The classes from which members may be drawn be ninth, tenth, eleventh, and twelfth, as well as transfer students in those grades. **The scholastic requirements for membership in this chapter of the National Beta Club shall be standard numerical average of 87.5 (GPA of 3.75 on South Carolina Uniform Grading scale).** In order to be considered for new memberships, a student can have at most two disciplinary offenses other than tardiness and at most 4 total offenses during the previous school year. These standards are also required for current members to maintain membership.

### **LOSS OF MEMBERSHIP**

A member of this chapter of the Beta Club may be dropped from membership if they are absent without justifiable reason **from three regular consecutive meetings.** Attendance is determined by the signature of each member at each meeting. It is the duty of each member to sign in at the appropriate place. Attendance is expected and will be counted as soon as club invitations are delivered. If you are unable to attend a meeting you must come by the club sponsors room to obtain all documents and information provided at the meeting. It is the member's responsibility to obtain this information and members will be held accountable for all information discussed at club meetings.

A member of this chapter of the National Beta Club **may be dropped from membership if their scholastic record falls below a standard numerical average of 87.5 (GPA of 3.75 on South Carolina Uniform Grading scale).** However, no member may be dropped from membership for scholastic deficiency without being accorded a probationary period of one semester to raise his or her scholastic record to or above the minimum required for membership.

At the end of this probationary period if the GPA is not in accordance with membership requirements the student will be dropped immediately.

**If a student has more than 2 disciplinary offenses other than tardiness and at most 4 total disciplinary offenses (including 2 tardy offenses), they will be dropped from the club.** If a member is dropped for disciplinary offenses and the student has more than 2 referrals of any kind

after they are dropped, he/she will be dropped from membership permanently and ineligible for reinstatement. The executive head of Hampton County High School may drop members of this chapter of the National Beta Club from memberships for moral or disciplinary reasons that are deemed by him/her to be sufficient.

**Any member suspended from school (OSS) shall be dropped from membership immediately.** The membership shall be reconsidered at the end of one full semester of school after the infraction (90 days). The discipline record can have at most 4 discipline referrals (including 2 tardiness) during that time. **More than 2 discipline referrals during this time will result in permanent ineligibility for reinstatement.** A second OSS is an automatic drop from membership resulting in permanent ineligibility for reinstatement.

Any member accused of cheating will be brought before the executive committee for disciplinary action.

Any student who fails to earn the required service hours or pay dues on time will be dropped from membership but can be reconsidered for membership at a later date.

**If and when a member is dropped from membership, a record of this action shall be relayed to the office of the National Beta Club immediately.**

Unless otherwise stipulated in these by-laws, a student dropped from membership may be reinstated provided he/she meets the requirements laid down in the constitution and by-laws of this chapter of the National Beta Club. Members are only eligible for reinstatement one time. After this one-time reinstatement if a member is dropped from the club for any reason they are permanently ineligible for reinstatement. After being dropped members must wait one semester before they become eligible for reinstatement.

## SERVICE PROJECTS

As soon as possible after its activation in the fall semester of the school year, this chapter of the National Beta Club will undertake programs of service which will be of benefit to Hampton County High School and the community. These programs will be decided upon only after consultation with and approval of the executive head of the high school.

## SERVICE HOURS

Community service is deemed as unpaid, voluntary work that helps others.

**Members must have nine (9) hours at the end of each school year.** A minimum of six (6) hours must come from projects that require effort (time spent working) on the part of the student and a maximum of three (3) hours can be earned by items donated or funds raised (monetary points must be approved and signed off by sponsors).

All documentation for earned points must be turned in by 3:30 on the third Friday of May.

No documentation of hours will be accepted after this time.

## **SELECTION OF BOYS' AND GIRLS' STATE PARTICIPANTS**

### **Boys' State**

Boys' State candidates are selected by a committee based on the following criteria: a completed quality application, GPA, discipline record, school involvement, and extracurricular activities. Information about each student's school involvement and extracurricular activities is provided by the student on his application. The committee verifies the validity of the information and considers the student's GPA and discipline record.

### **Girls' State**

Girls' State members are selected by the American Legion Auxiliary Unit 108 who funds them.

## **COURSE LEVEL CHANGES**

Changes in the schedule can only be made during the first 3 days for a quarter long course, 5 days for a semester long course or 10 days for a yearlong course. (EXCEPTION: students who changed to levels not recommended by their respective teachers must remain in their chosen level courses for a full nine weeks.) No level changes after the 1st semester in a year course or after the 1st nine weeks of a semester course will be approved. If a student drops a class after the designated drop/add days, then it will result in a grade of a 50 and no credit for the course.

## **ACADEMIC ALERT/PROBATION**

"The South Carolina Education Accountability Act of 1998" requires all students meet rigorous academic standards and that parents, teachers, and students work together to ensure each student meets the grade level standards adopted by the state legislature. Therefore, any student who is failing two or more courses at the interim period of 1st nine weeks will be placed on academic probation. A hearing in which the parent will be required to attend will be scheduled for the purpose of developing a plan to improve academic performance. Students are expected to adhere to all terms of the academic improvement plan in order to earn a passing grade.

## **SCHOLASTIC APTITUDE TEST(SAT) GUIDELINES**

In conjunction with the strategic plan of HCSD and the board of trustee's commitment to provide a rigorous relevant curriculum for all students, the following recommendations are hereby adopted:

- Students who have successfully completed Honors English and Math in the 9th and 10th grades are recommended to take the Scholastic Aptitude Test (SAT) in the fall of their junior year; PSAT scores will also be considered when making recommendations.
- College Prep students who have successfully completed Algebra I, Geometry, English I & II are recommended to take the SAT in the spring of their junior year. The American College Test (ACT) exam scores are accepted by colleges and universities (including Ivy League schools) for admission also. Whereas the SAT is considered a test to measure

your possibilities, the ACT is an excellent test for students whose strengths are hard work and steady, dependable study.

### **SUMMER SCHOOL**

Students may qualify for credit recovery if they receive a final grade of F 59-50 or FA for a semester or year-long class. In order to gain credit for the course, students must complete coursework in the prescribed computer course by school administration. A fee to attend may be required and the credit recovery teacher's approval upon completion of the work. The original grade received will remain on the transcript and the credit recovery grade of P or NP will appear on the transcript.

### **10/10 RULE**

All students should remain in class ten minutes before the dismissal bell and ten minutes after the tardy bell. This will allow administration to process tardies and keep the halls clear before the bell.

### **LOCKERS**

Lockers may be rented for \$10. The school will not be held responsible for items stolen from lockers that result in student misuse. **Lockers are the property of HCHS and are subject to search by school authorities or other officials with the consent of the principal.** Periodic locker checks will be conducted and the use of canines to conduct locker checks will be authorized by school officials. Students are allowed to go to the lockers before classes begin, between classes, and after school. To avoid unnecessary tardies, students should not attempt to go to their lockers between every class. Lockers are to remain locked at all times or locker privileges will be revoked. Students are responsible for cleaning out their lockers at the end of the school year. Any student who does not clean out their locker will be charged a \$25 cleaning fee.

### **Discipline Hearings Procedures**

The purpose of student hearings are to assist building administrators in maintaining an appropriate educational climate that is conducive to teaching and learning. There are two types of discipline hearings; School Level Administrative Conference (AIC & 3 DAYS), and a District Administrative Hearing (DAH & 3-5 DAYS). An AIC & 3 DAYS can consist of a Conference /Probation- mostly requires 3 days OSS and a school probation period of 45 days. During the 45-day period each infraction level two or above takes student to a DAH & 3-5 DAYS-District Hearing for extended school probation, district probation, alternative school placement, or expulsion hearing by school board depending upon severity of the infraction. Additionally, it could be a result of ten "Level 1" infractions and would place the student on school probation without having to serve OSS.

The Board expects all students to conduct themselves in an appropriate and civil manner, demonstrating positive and respectful behavior for self, adults and peers, including community members. All DAH & 3-5 DAYS sessions will be handled within 10 days of the incident. The Office of Student Services must be notified immediately of an incident requiring a hearing. Completed hearing packet must be in the Office of Student Services within 2 days of the incident.

**Student Discipline Packets must include the following:**

1. Hearing notice signed by the parent and/or legal guardian
2. Current year student discipline record
3. Current report card
4. Current year attendance
5. The result of the manifestation hearing must be included, for children receiving special education services

**School Resource Officers**

- School Resource Officers (SROs) are employed by the Hampton County Sheriff's Department. An SRO is based at Hampton County High School. The supervisor of the SRO unit provides additional assistance to schools and SROs as needed.
- The primary goal of the School Resource Officer is to provide a safe learning environment for students and teachers. The presence of an SRO on school campuses and at school-sponsored events help deter misbehavior. The SRO seeks to establish positive relationships with the school community and is a valuable resource for students, parents and teachers regarding matters of safety, security and criminal law. Whenever incidents of crime or threats to safety occur, the SRO is able to respond quickly and with the full authority of a law enforcement officer.

**Student Questioning by Officials School Administrators**

- Principals and Assistant Principals have the responsibility and authority to question students for the purpose of maintaining a safe and orderly school environment. Though it is important to inform parents about issues of concern, parental consent is not required prior to the questioning of students.
- **Department of Social Services (DSS):** DSS officials investigating suspected child abuse are permitted to conduct reasonable interviews and inspections of children at school. Notice to parents is not required nor desirable when the object of that investigation may be the parents. If the investigation involves suspected child abuse by individuals other than those residing in the child's household, then law enforcement becomes the lead investigating agency.
- **Guardian Ad Litem:** The Guardian Ad Litem is a trained professional appointed by the court to represent the best interests of minor children in court cases. Any request to interview a student or to inspect the student's school record should be submitted, in writing, along with court documentation establishing the Guardian Ad Litem relationship with the child.
- **Law Enforcement:** School Resource Officers, as well as Probation Officers of the Juvenile Court, are permitted to question students at school without prior parental approval. Law enforcement officers from other agencies investigating non-school-related matters may question students with the consent of the parent/guardian. Law enforcement officers who have a detention order or warrant for arrest, or states that the situation involves pursuit of a suspect linked to a felony crime may question students without parental consent.

**Student Searches**

- To maintain order and discipline in the schools and to protect the safety and welfare of students and school personnel, school authorities may search a student, student desks, and student lockers at any time. In addition, a student may be searched if administrators have reason to believe the student is in possession of an article or substance which is illegal, prohibited by school rules, or dangerous. Students are given the opportunity to produce the item sought, or to voluntarily empty their pockets, pocketbooks, or book bags. Students may be asked to remove their jacket, vest, shoes or socks. A School Resource Officer may be summoned if there is reason to believe any search should be continued beyond the parameters set forth above. A student who refuses to allow an administrator to search him/her will be subject to disciplinary action, up to and including suspension.

### **Student Vehicle Searches**

- To maintain order and discipline in the schools and to protect the safety and welfare of students and school personnel, school authorities may search student vehicles at any time. As a condition of parking on premises owned by the district, students consent to a search of their vehicles. If school authorities have a reasonable belief that a student's vehicle, which is parked on school premises, contains an article or substance which is illegal, prohibited by school rules, or dangerous, school authorities may initiate a search of the vehicle. Failure of any student to comply with a school authorities' search of their vehicle may subject the student to disciplinary actions. If a search yields illegal or contraband materials, said contraband material shall be deemed to be constructively possessed by the student who owns, possesses, and parks the searched vehicle onto premises owned by the district, and said student will be subject to school disciplinary actions for violation of the Code of Conduct. Illegal or contraband items recovered from the search of a student vehicle shall be turned over to proper legal authorities for ultimate disposition. If recovered items are not illegal but are in violation of Board policies, the items will be held by the school until claimed by the student's parents or guardian.

### **Driving and Parking on School Campus**

- Students who drive to school must have a valid drivers' license and purchase a parking permit from the front office. Students should take lunches, textbooks, paper, pencils, or other items needed for school when they initially park and leave the car. The student must request permission to return to their car later in the school day. Violation of the rules, regulations, and policies of the Board of Education and/or the school concerning driving or parking a vehicle on school campus can result in suspension or expulsion from school, revocation of parking privileges, and/or having the vehicle towed away at the driver's expense.

### **Insurance**

- Parents are responsible for providing accident or medical insurance coverage for their child. The school insurance is a supplemental policy designed to assist families after claims have been processed by the family's primary health insurance. Parents are responsible for submitting the claim form to the insurance carrier, not the school, district or physician. If an activity requires that a student maintain insurance and the student cannot provide proof, then the student will not be eligible to participate in the activity.

### **Lockers**

- Lockers are property of the school and may be opened by a school official without the permission of the individual student. Students to whom lockers are assigned will be subject to disciplinary action and may be suspended or expelled if the locker contains weapons, drugs, or other unauthorized material.

### **Medicine**

- When students must take medicine at school, parents must bring all medicine and related equipment to the school nurse or his/her designee and complete a Student Health and Medication Authorization Form. Medicine cannot be given without written permission and instructions from the parent. Please do not send medicine to school by students.

### **Parent-Teacher Conferences**

- Parents are encouraged to contact the school to arrange a parent-teacher conference when the parent would like more information about their child's performance at school. Parent-teacher conferences can be effective ways of helping students improve their schoolwork. To schedule conferences, parents should contact the school office or the teacher. Teachers are not available for parent-teacher conferences during instructional time.

### **Pledge of Allegiance**

- Students will be given the opportunity to recite the Pledge of Allegiance to the Flag of the United States of America during each school day. Parents should notify their child's teacher, in writing, if they do not wish for their child to participate in reciting the Pledge. Students who do not wish to participate may either stand or remain seated during the Pledge.

### **Silent Reflection**

- In each classroom the teacher in charge, at the opening of each school day, shall conduct a brief period of quiet reflection for not more than 60 seconds. This moment of quiet reflection is not intended to be and shall not be conducted as a religious service or exercise but shall be considered as an opportunity for a moment of silent reflection on the anticipated activities of the day.

### **Supervision of Students at School**

- Students are under the supervision of school staff during the school day. The school is not responsible for students on school grounds during any time other than the school day or during school-sponsored events after the school day. Schools cannot be responsible for supervising students prior to the arrival of the first bus each morning.

### **Telephone Use**

- Students may possess wireless communication devices in school, on school property, during after school activities (e.g. extra-curricular activities) and at school-related functions. However, wireless devices such as cellular phones, electronic pagers or any other communications devices may not be used, be visible or be heard while on school property during school hours unless authorized by the classroom teacher for the purposes of teaching and learning. (*Beginning and end of school will be denoted by the start and end of the instructional day as indicated by the bell system*).

### **Textbook and Instructional Materials (South Carolina Code 43-71 Free Textbooks Section 19 & 20)**

- **Lost Instructional Materials:** Schools may require pupils, parents or guardians to pay for instructional materials lost and the pupil, parent or guardian may be denied further benefits of the Free Instructional Materials Program until in compliance with this requirement. This requirement may be waived in instances where judgement of the principal and /or responsible

officials believe that the child is a victim of unusual circumstances. The school district shall be responsible for the cost.

- **Damaged Instructional Materials:** Schools are required to collect appropriate damages fees from any pupil, parent or guardian for abuse or improper care of instructional materials and the pupil, parent or guardian may be denied further benefits of the Free Instructional Materials Program until in compliance with this requirement. This requirement may be waived in instances where the judgement of the principal and /or responsible officials believe that the child is a victim of unusual circumstances. The school or district shall be responsible for the cost. The amount to be charged in such cases shall be determined by the agent in charge of materials. Textbooks that are lost, stolen, or damaged must be paid for by the student at the tiered replacement cost. If students lose or damage textbooks and/or media materials, parents will be charged the full tiered replacement cost. Replacement textbooks and media materials may not be issued until restitution is made. South Carolina law provides that grade reports, diplomas, or certificates of progress may be withheld for failure to pay for lost or damaged textbooks, or other instructional materials for which the student is responsible.

### **Transportation Changes**

- Students may not make changes in the way they usually go home unless they have a note signed by their parent. Parents should give specific dates and instructions to explain any change to the way their child should be transported home. The principal or assistant principal must approve the note. Last minute requests for transportation changes can confuse and upset students. To avoid such confusion and disruption of the school during dismissal time, parents are asked to notify the school as early as possible if it becomes necessary to make an unanticipated change in the way their child should be transported home.

## **Failure Due to Attendance Policy**

The South Carolina Attendance Law states that a student must attend each class a minimum number of days during each instructional period in order to be considered eligible to earn credit for the class. A student may not miss more than ten days in a year course and five days in a semester course. Specific rules for application of this attendance requirement are printed in the student handbook. *(If a student fails a course due to excessive absences, an FA will be recorded on his or her transcript. The grade of FA will carry no Carnegie units but will be factored into the student's GPA as a 51.)*

### **ATTENDANCE GUIDELINES**

1. Students are required to bring written documentation for absences as soon as they return to school.
2. All requests for a lawful absence must be submitted within three (3) school days from the day of absence to be considered.
3. Parent's notes will be accepted, but limited to five (5) days per semester. Thereafter, doctors' notes will be required.
4. Absences with no documentation will be considered unlawful.
5. Students who exceed attendance limits (8 days unlawful absences per semester) must make up excessive absences. Students who still exceed attendance limits must justify/document extenuating circumstances to the principal to receive credit. Credit will not be granted unless the Board of Trustees or its designee grants an exception.
6. All no grade (NG) conditions resulting from too many unexcused absences must be removed as soon as possible.
7. Students enrolled in semester courses may lose credit for unlawful absences for more than five (5) days.
8. Student departures that occur before 12:00 a.m. will be deemed an absence.

## **Truancy**

### **WHAT DOES TRUANCY MEAN**

Truancy is any intentional unauthorized absences from compulsory schooling. The term typically described absences caused by students of their own free will, and usually does not refer to legitimate "excused" absences, such as ones related to medical conditions. It may also refer to students who attend school but do not go to classes. Under State Board of Education Regulation 274, all state schools are required to establish uniform management information and reporting system on truancy. The State Board of Education recognizes that truancy is primarily an educational issue and that all reasonable,

educationally sound, corrective actions should be undertaken by the school district prior to resorting to the juvenile justice system.

1. **Truant** – A student up to 17 years old meets the definition of a truant when the student has three consecutive unlawful absences or a total of five unlawful absences. A Student Attendance Intervention Plan will be developed in a meeting with the administrative staff, parent/ guardian, and student.
2. **Habitual Truant** – A “habitual” truant is a student up to 17 years old, who fails to comply with the intervention plan developed by the school, the child, and the parent(s) or guardian(s) and who accumulates two or more additional unlawful absences. This child may need court intervention and an initial truancy petition may be filed. The written intervention plan, and documentation of non-compliance, must be attached to the truancy petition asking for court intervention.
3. **Chronic Truant** – A “chronic” truant is a student up to 17 years old who has been through the school intervention process, has reached the level of a “habitual” truant, has been referred to Family Court and placed on an order to attend school, and continues to accumulate unlawful absences. Should other community alternatives and referrals fail to remedy the attendance problem, the “chronic” truant may be referred to the Family Court for violation of a previous court order. All school intervention plans existing to this point for this child and family must accompany the Contempt of Court petition as well as a written recommendation from the school for the court on action the court should take.

#### **Section 59-65-10A. Responsibility of parent or guardian.**

All parents or guardians shall cause their children or wards to attend regularly a public or private school or kindergarten of this state which has been approved by the State Board of Education or a member school of the South Carolina Independent Schools’ Association or some similar organization, or a parochial, denominational, or church-related school, or other programs which have been approved by the State Board of Education from the school year in which the child or ward is five years of age on or before September first until the child or ward attains his seventeenth birthday or graduates from high school. A parent or guardian whose child or ward is not six years of age on or before the first day of September of a particular school year may elect for their child or ward not to attend kindergarten. For this purpose, the parent or guardian shall sign a written document making the election with the governing body of the school district in which the parent or guardian resides. The form of this written document must be prescribed by regulation of the Department of Education. Upon the written election being executed, that child or ward may not be required to attend kindergarten.

**Section 59-65-20** of the Code of Laws of South Carolina allows a penalty for failure to enroll or cause a child to attend school. The law reads as follows: Any parent or guardian who neglects to enroll his child or ward or refuses to make such child or ward attend school shall, upon conviction, be fined not more than FIFTY DOLLARS (\$50.00) or be imprisoned not more than THIRTY DAYS; each day’s absence shall constitute a separate offense; provided, the court may in its discretion suspend the sentence of anyone convicted of the provisions of this article.

#### **Truancy Intervention Plan**

- An intervention plan will be initiated after a student has three consecutive unlawful absences or a total of five unlawful absences.
- Written intervention plans will be led by the Principal or his/her designee.
- Intervention plans will list the reasons for the unlawful absences, actions to be taken by the parents or guardians and student to resolve the cause of the unlawful absences. The plan should also include actions to be taken by the school to help resolve the cause of the unlawful absences.
- Referrals may be made to community service providers or community-based programs. Any referrals must be documented.
- If a student fails to comply with the intervention plan developed by the school, the child, and the parents or guardians, and accumulates two additional unlawful absences, then revisions to the initial intervention plan may be necessary.
- Each school will make every reasonable effort to meet with the parents or guardians to identify the reasons for the student's continued absences.
- These efforts should include but not be limited to telephone calls, home visits, both during and/or after normal business hours, as well as written messages and e-mails.
- If the absences continue then the student should be referred to the District's Interagency Intervention Team
- Students may be referred to Academy of Success if additional absences continue.
- If the student and/or parents or guardian refuses to participate in intervention and the student accumulates two or more additional unlawful absences, the student is considered an habitual truant and the parents will be referred to the Department of Social Services for Educational Neglect.
- If the student does not show improvement in attendance, then the student will be referred to Family Court for an initial Attendance Order.

## **ATTENDANCE**

### **TARDINESS POLICY (per semester): Arrival to school**

If a student arrives to school late, he/she must have a tardy pass from the attendance clerk/main office before entering the classroom. The parent should check in at the office, sign tardy notebook, and receive a pass for the student. Students are tardy after 8:30 a.m. The tardy policy is listed below:

**Remember:** Only five (5) parent notes are accepted each semester.

Any student arriving to school after the first period tardy bell rings will follow one of these procedures:

- Parent and student should report directly to the main office. Parents are obligated to sign-in students. Students will receive a tardy pass from the attendance clerk.
- Tardy because of late bus arrival – Students will be admitted to class by an administrator or office staff member.
- Tardy other than late bus arrival – Report directly to the Attendance Clerk. Students will not be admitted to a classroom without a pass from the Attendance Clerk.
- Arrival to school tardy on a consistent basis results in calculation of missed seat time from the class, which will convert into absences.

**TARDINESS POLICY (per semester):** After initial arrival to school

4-6 Tardies----- Lunch Detention

- Students will sit at the designated table in the cafeteria and be served after all other students

7-12 Tardies-----1 Day ISS

13-15 Tardies----- 1 Day OSS

16 or more----- 3-5 Days & DAH

\*\*Refusal to attend lunch detention will result in OSS.

**ATTENDANCE IS TAKEN AND CREDIT IS RECEIVED PERIOD BY PERIOD. EXCESSIVE TARDIES AND DISMISSALS WILL CAUSE YOU TO LOSE CREDIT IN PERIODS MISSED.**

**Please Note:**

- Parent notes do not excuse tardies.
- Tardies are excused only when the student has an appointment with a doctor or some other professional agency. The student must bring a note from this agency when he/she arrives at school. This documentation must be presented upon arrival to the attendance office to be admitted to class.

**DISMISSAL PROCEDURE (Leaving school early)**

- **STUDENTS ARE DISMISSED ONLY AT CLASS CHANGE.**
- Students are permitted to leave school before their regular dismissal only at the written request of a parent or guardian, for a legitimate reason of which the principal shall be the judge. Emergency dismissals must be obtained through the attendance office secretary. A student must have a dismissal slip to leave the school building.
- Students bringing a written request for dismissal must present it to the attendance office secretary when they arrive at school. If approved, the student's name and time of dismissal will appear on the daily attendance bulletin.
- In all cases, students are officially dismissed only when they sign out in the attendance office after receiving permission. If they are returning to school, they must also sign in in the attendance office.
- Each request for dismissal must contain the following information: (a) name of student as it appears on the permanent record, (b) the date, (c) time to be excused, (d) reason, (e) signature of parent or guardian, (f) telephone number where parent/guardian may be contacted.
- Parents are requested to contact the main office 24 hours in advance to notify us of appointments set for student dismissal.
- The cut off time for student dismissal via parent pick-up is 3:00 p.m.
- The cut off time to approve student dismissals is 3:00 daily.

- **DISMISSALS COUNT AS ABSENCES FOR THE CLASSES THAT ARE MISSED AND WILL BE PROCESSED IN THE SAME MANNER AS ABSENCES.**
- **LEAVING SCHOOL WITHOUT PERMISSION WILL RESULT IN OSS.**

### **ATTENDANCE AND GRADES**

- In order to receive one (1) Carnegie unit of credit, a student must be in attendance at least 120 hours per unit regardless of the number of days missed.
- Students' grades will be supported by artifacts of students' work and/or rubric or check list. Grades must represent mastery of the standards taught per/content.
- For the Board of Trustees to consider student absentee forgiveness, the student must have an extenuating circumstance and must demonstrate proficiency in each course work. For the purpose of this policy proficiency is defined as a grade of 77 or higher in each course work.
- Students who fail to meet attendance requirements will receive a grade of FA (Failure due to Attendance) until the credit has been recovered.

### **MAKE UP PROCEDURE**

- It is the individual students' responsibility to request missed assignments upon returning to school from an absence. Students will have 3 days to make up the missing assignments upon their return to school. In the event of extenuating circumstances, the situation must be reviewed by the building principal.

## **STUDENT CODE OF CONDUCT**

### **Goal**

The Code of Conduct reflects the ethics and values of the Hampton County community. It is designed to promote a healthy and safe school environment that encourages the academic, social, and emotional development of all students. A disciplined environment is essential to achieving these ends.

### **Objective**

To communicate to all stakeholders the behavioral expectations, guidelines, and regulations that have been established for every student that attends a middle or high school in The Hampton County School System. Additionally, we wish to inform all stakeholders of sanctions that may be imposed if a student fails to follow the established regulations.

### **Rationale**

In order to maintain an appropriate and safe educational climate that is conducive to teaching and learning, the Board expects all students to conduct themselves in an appropriate and civil manner, demonstrating positive and respectful behavior for self, adults and peers, including community members. This includes appropriate language, appropriate dress and care for facilities and equipment. Disciplinary sanctions may be imposed on students, including their removal from the learning environment, if they do not adhere to the regulations as set forth. These sanctions will occur only for good cause and in accordance with applicable state and federal law.

The following regulations are designed to protect all members of the educational community in the exercising of their rights and responsibilities. These regulations are effective during the following times and places:

- On school grounds before, during or after school hours.
- On school grounds at any other time when the school is being used by a school group.
- Off the school grounds at any school and/or school-related activity, function, or event.
- On a school bus or other school vehicle (including school bus safety rules).
- At any time or in any place (including off school grounds and during non-school hours) where student conduct has a direct effect on the school's ability to maintain an orderly and safe learning environment.

Students and parents are encouraged to become familiar with the rules and regulations contained in this booklet. Students and parents should also be mindful of the following State Statute:

**59-63-210** Grounds for which trustees may expel, suspend or transfer pupils; petition for readmission; expulsion, suspension or transfer.

- (A) Any district board of trustee may authorize or order the expulsion, suspension or transfer of any pupil for the commission of any crime, gross immorality, gross misbehavior, persistent disobedience or for violation of written rules and promulgated regulations established by the district board, county board or the State Board of Education, or when the presence of the pupil is detrimental to the best interest of the school. Each expelled pupil has the right to petition for readmission for the succeeding school year. Expulsion or suspension must be construed to prohibit a pupil from entering the school grounds, except for a prearranged conference with an administrator, attending any day or night school functions, or riding a school bus. The provisions of this section do not preclude enrollment and attendance in any adult or night school.
- (B) A district board of trustees shall not authorize or order the expulsion, suspension or transfer of any pupil for a violation of Section 59-150-250(B).

**If you have any questions, please talk with your building level administrator.**

In determining whether a student has violated the Discipline Code, the principal or his/her designee will consider all the facts and circumstances of the particular situation and may consider, but will not be limited to, verbal and/or written statements of admission; witness statements from others; video surveillance, et al.

**\*\*All behavior codes apply to all students enrolled in Hampton County School District under traditional, and virtual enrollment on all electronic platforms.**

**\*\*All behavior codes and consequences apply to any HCSD student that travels to any partnered instructional institution, including those that travel to HCHS for instruction.**

**Discipline LEGEND**

- AC: Administrative Conference – Administrator meets with student without parent
- AIC: School Level Admin. Conference /Probation- mostly requires 3 days OSS and a school probation period of 45 days. During the 45-day period each infraction level two or above takes student to a DAH & 3-5 DAYS-District Hearing for extended school probation, district probation, alternative school placement, or expulsion hearing by school board depending upon severity of the infraction. Additionally, it could be a result of ten “Level I” infractions and would place the student on school probation without having to serve OSS.
- BUS: Bus Suspension
- DAH: District Administrative Hearing- mostly requires 3-5 days OSS
- EH: Expulsion Hearing
- ISS: In-school Suspension
- LA: Legal Action
- LD: Lunch Detention
- ONS: Overnight suspension requiring parent to bring student back to school
- OSS: Out of School Suspension
- PAC: Parent Administrative Conference
- PN: Parent Notification
- RL: Restricted List – student not allowed to attend in any extracurricular activities for a specified period of time
- RP: Restitution of Property
- SL: Silent Lunch
- WD: Work Detail

WP: Withdrawal of Privileges – specific to school

**In-School Suspension Center** - The assignment of students to the **In-School Suspension Center** (ISS) is reserved for the administration. The duration of a student's time in ISS is determined by the referring administrator. There is not a minimum amount of time that a student may serve in (ISS), however if a student is assigned to (ISS) on numerous occasions, another consequence will result to better assist in deterring inappropriate conduct.

**Restricted List** - Students placed on the Restricted List will have their privileges at *NDMS and EMS* revoked. These privileges include but, are not limited to, leaving the cafeteria during lunch, field trips, attending after school events including sports (*HCHS Sports*), and special school held activities. Any student placed on school or district probation is also placed on the restricted list for the duration of their probation. Students will also be placed on the restricted list for accumulating 5 or more days of OSS, excessive tardy/dress code violations, or being a willing participant in a fight.

**DECISION PROCESS**-The building administrators will make decisions regarding discipline infractions after considering all facts and circumstances of a particular matter. If a student receives out of school suspension or is assigned to the ISS, a parent will be notified and an administrative conference may be required. Additionally, the student will be given a copy of the referral to take home to give to his/her parent for a signature and the signed referral must be given to the administration when the student returns to school. In a case where the suspension warrants immediate removal from the school, the parent or whoever picks up the child will sign the referral and will be informed if a district hearing is going to be held. **The administrator has the discretion to re-classify an offense based on the severity of the offense or the number of occasions in which the student has engaged in the behavior or has a record of other student conduct violations during the current school year or if there are extenuating circumstances.**

### **INFRACTIONS** –

- If there is a \* preceding the infraction, the \* indicates that a series of repeated infractions will result in a recommendation for expulsion or AIC & 3 DAYS.
- If there are \*\* preceding the infraction, this indicates that law enforcement may be called for legal actions.
- If there are \*\*\* preceding the infraction, this indicates that law enforcement will be called for legal actions.
- Having legal action taken does not eliminate neither preclude the school's responsibility to take appropriate measures as outlined in the Discipline Code of Conduct.

## **Categorization of Infractions**

Infractions have been classified into three categories dependent upon the severity of the infraction and a range of consequences have been assigned for each category. *Category I* are actions coded as *Behavioral Misconduct*, *Category II* are actions that are coded as *Disruptive Conduct*, and *Category III* are actions that are coded as *Criminal Conduct* and will always involve law enforcement.

- Level I- Students committing Category I offenses (other than gang related offenses) will be subject to the following disciplinary measures:
  - a. Conference, detention, in-school suspension, out of school suspension, overnight suspension with parent conference at school, work detail, withdrawal of privileges, Administrative/School Level Conference/Probation/Contract, and if severe enough, a district administrative hearing.
  - b. Students suspended three times for a Category I offense must be placed on a behavior contract by the administration and will be referred for Behavior Management Counseling with school counselor.
  - c. If a Category I offense occurs when the student is on a school bus, a range of consequences can occur and will be imposed by the school administration, from immediate counseling to indefinite suspension from riding the bus. Any behavior/disturbance on the bus that endangers the safety of the driver and/or passengers will result in the student's bus riding privileges revoked immediately for a specified period of time and possible suspension from school. (Pursuant to State regulations for school buses)
  - d. Gang/ gang-related activity will be handled as follows:
    - 1) Less severe such as display of gang signs, gang colors, wearing of bandanas, etc. will result in "ONS" for the first time/parent conference and progress to Out of School Suspension. Purpose is to make sure student is aware that it is gang-related and is willfully participating in gang-activity.
- Level II-Students committing Category II offenses will be subject to the following disciplinary measures:
  - a. Most include out of school suspensions, school probation, and 3 days out of school suspension/DAH & 3-5 DAYS. Law enforcement may be involved in Level II infractions and students may be subject to a citation as applicable. Occasionally, a level II infraction may involve in-school suspension because of the level of severity.
  - b. If a Category II offense occurs when the student is on a school bus, a range of consequences can occur and will be imposed by the school administration, from immediate removal from the bus to an indefinite suspension from riding the bus. Any behavior/disturbance on the bus that endangers the safety of the driver and/or passengers will result in the student's bus riding privileges revoked immediately for a

- specified period of time and possible suspension from school. (Pursuant to State regulations for school buses)
- c. Any Level II infraction that takes place while a student is on either school/district probation will require that the student have another district hearing which could lead to extending the probation, removing student from school, or a recommendation for expulsion.
  - Level III- All Level III infractions require a district administrative hearing and for law enforcement to be involved for possible citations/criminal charges (if applicable) and referral to the legal system via DJJ.
    - a. Law enforcement's decision not to press criminal charges for weapons or drugs does not eliminate or preclude the school administrator's responsibility to file an incident report, contact law enforcement, and report all findings to the district hearing officer.
    - b. Students who are expelled for possession of a firearm will be subject to the 1995 Federal and State laws that mandate a one-year (365days) expulsion term, unless the Superintendent determines to reduce the term of expulsion. (See South Carolina Code 59-63-235)

## General Procedures for School Suspension of Students with Disabilities

### GENERAL PROCEDURES FOR SCHOOL SUSPENSION OF STUDENTS WITH DISABILITIES:

Violations of the discipline code by students with disabilities may be dealt with according to the consequences specified in the code when the behavioral violation is not related to the student's disability as determined by the Individualized Education Program (IEP) Team. Any suspension or combination of suspensions which exceeds 10 days is considered a change in placement and may occur only when the appropriate procedures are followed according to the Special Education Discipline Procedures.

For students whose behavioral violations are determined by the IEP committee to be directly related to the student's disability, any suspension or combination of suspensions which exceeds 10 days is considered a change in placement and may occur only when the appropriate procedures are followed according to the Special Education Discipline Procedures. In such cases, the IEP committee will determine appropriate behavioral interventions and/or consider the appropriateness of the student's educational placement and need for a change in placement.

Administrators dealing with suspension offenses by students with disabilities will consult with the Director of Exceptional Children prior to the suspension of students with disabilities. However, nothing contained in the student code of conduct will be construed as limiting an administrator's ability to remove a student with disability from school immediately under emergency conditions. Communication with the Director of Exceptional Children is expected as soon as the emergency condition has been resolved.

The Building Administrator will assign suspensions from riding the school bus or in other school vehicles. Inappropriate behavior (Category I and II) on a bus or in a school vehicle will also involve school assigned consequences. Category III offenses will include bus suspensions and/or school assigned consequences.

No student will be removed from the bus until the Building Administrator has made direct contact with the student's parent/guardian.

## APPENDIX B

### HARASSMENT, INTIMIDATION OR BULLYING

Hampton County School District prohibits any acts of harassment, intimidation or bullying of a student by students, staff and third parties which interferes with or disrupts a student's ability to learn and the school's responsibility to educate its students in a safe and orderly environment, whether such acts occur in a classroom, on school premises, on a school bus or other school-related vehicle, at an official school bus stop, at a school-sponsored activity or event whether or not it is held on school premises, or at another program or function where the school is responsible for the student.

For purposes of this policy, harassment, intimidation or bullying is defined by the District as a gesture, a written, verbal, physical or sexual act, or electronic communication, to include cyber bullying (which is the use of cell phones, instant messaging, email, chat rooms or social networking sites such as Face Book, My Space and Twitter) that is reasonably perceived to have the effect of either of the following.

- Harming a student physically or emotionally or damaging a student's property or placing a student in reasonable fear of personal harm or property damage
- Insulting or demeaning a student or group of students causing substantial disruption in, or substantial interference with, the orderly operation of the school

Any student who believes that he/she has been subjected to harassment, intimidation or bullying in violation of this policy is encouraged to file a complaint in accordance with procedures established by the District. Complaints will be investigated promptly, thoroughly and confidentially. All school employees are required to report alleged violations of this policy to the principal or his/her designee. Reports by students or employees may be made anonymously, although disciplinary action will not be taken against any person solely on the basis of an anonymous report.

The District prohibits retaliation or reprisal in any form against a student or employee who has filed a complaint or report of harassment, intimidation or bullying. The District also prohibits any person from falsely accusing another of misconduct as a means of harassment, intimidation or bullying.

The Board expects students to conduct themselves in an orderly, courteous, dignified and respectful manner. Students and employees have a responsibility to know and respect the policies, rules and regulations of the school and District.

Any student who is found to have engaged in the prohibited actions as outlined in this policy will be subject to disciplinary action in accordance with the District's student behavior code. Any employee who violates this policy will be subject to disciplinary action. The District also may refer any individual who has violated this policy to law enforcement.

The superintendent or his/her designee will be responsible for ensuring notice of this policy is provided to students, staff, parents/legal guardians, volunteers and members of the community, including its applicability to all areas of the school environment as outlined in this policy.

The superintendent or his/her designee will also ensure that a process is established for discussing the contents of this policy with students.

**Procedures for responding to incidents of bullying, harassment, and/or intimidation:**

4. The administrator will promptly and thoroughly investigate all such reports and upon completion of that investigation, will notify the parents/legal guardians of all affected students that corrective action has been taken by the school.
5. Corrective action may include the student perpetrator being disciplined in accordance with the Student Code of Conduct, as well as being required to complete program(s) regarding conflict resolution, anger management, and/or social interaction skills.
6. In any disciplinary incidents involving bullying, harassment or intimidation that may occur on the bus a student may be temporarily suspended from the bus pending the result of an investigation.
7. When an out-of-school suspension and school bus suspension are adjudicated for an incident, the school bus suspension will begin after the completion of the out-of-school suspension.
8. Investigations will normally be completed within 3 school days. If circumstances prevent the completion of the investigation within 3 days, the administration will ensure that the investigation is completed as soon as reasonably practicable thereafter. No student will be removed from the bus until a school level administration has made direct contact with the student's parent/guardian.

## **APPENDIX C**

### **SECRET SOCIETIES/GANG ACTIVITY**

Hampton County School District administration will maintain conditions on school property and at school-sponsored events in order to ensure as safe an environment as possible for students and staff in accordance with law and the standards set by the Hampton County School District Board of Trustees. In establishing such standards, the Board prohibits the presence and activities of gangs on or near school property and at school-sponsored events.

The Board defines a gang as any non-school sponsored group, possibly of secret and/or exclusive membership, whose purpose or practices include the commission of illegal acts, the violation of school rules, the establishment of territory or “turf,” or any other action which threatens the safety or welfare of others. In prohibiting the presence and activities of gangs, the Board makes the following findings.

- Gangs which initiate or advocate activities which threaten the safety and well-being of persons or their possessions anywhere on or near school property or at school-sponsored events are harmful to the educational purposes of the district.
- Gang incidents involving recruitment, initiation, hazing, wearing of colors or other gang indicators, threats and intimidation, fighting or establishment of “turf or territory” on school property or at any school-sponsored event are likely to cause intimidation or fear, bodily danger, physical harm, or personal degradation or disgrace resulting in physical and mental harm to students.
- The use of hand signals and the presence of any apparel, jewelry, accessory, book or manner of grooming which, by virtue of its color, arrangement, trademark, symbol or any other attribute, denotes membership in a gang creates a clear and present danger of the commission of unlawful acts on school premises, the violation of school regulations, or the substantial disruption of the orderly operation of the school and is prohibited. In determining whether or not a student is in violation of the prohibition on the wearing/display of a gang-related item, school administration will provide professional learning to staff, students and parents in the identification of gang related indicators, symbols, hand signals, graffiti clothing/accessories, etc.
- If district administration determines that a student has initiated or participated in a gang or a secret society as stipulated above, that student will be disciplined in a manner which may include, but will not be limited to, detention, removal from extracurricular activities, suspension and/or expulsion, and referral to law enforcement, dependent upon the circumstances of the particular offense. The district also reserves the right to prohibit any student from wearing/displaying any article of clothing or accessory which the district has determined to be a gang indicator.

## APPENDIX F

### Internet Acceptable Use Agreement

#### USE OF TECHNOLOGY RESOURCES IN INSTRUCTION

Code IJNDB

---

(Please read this document carefully before signing.)

Hampton County School District is pleased to provide internet access and believe that the internet offers vast, diverse, and unique resources to students and district employees. Our goal in providing this service to district employees and students is to promote educational excellence in schools by facilitating resource sharing, innovation, and communication.

The purpose of this network is to assist in preparing our students for success in life and in the workforce by providing them with access to a wide range of electronic information and the ability to communicate with people throughout the world to enhance their educational experiences.

The internet is an electronic highway that connects thousands of computers all over the world with millions of individual subscribing users. It is traditionally used by educational institutions, businesses, government, the military, non-profit organizations, commercial enterprises, and private citizens. Students will use the internet to gather information needed for their instructional and personal needs. They will be able to participate in distance learning activities such as virtual online learning schools. They will be able to ask questions, consult with experts, and communicate with other students and professionals.

Access to electronic and web-based resources is available in classrooms, media centers, computer labs, and with home computers. Through active learning experiences, students are expected to develop appropriate information literacy skills to ensure effective use of the wide variety of tools available through the network. Users will broaden their global horizons and discover a wealth of knowledge that otherwise would not be available in our community. The Board of Trustees expects the instructional staff to blend the use of electronic information throughout the curriculum and provide guidance and instruction to students as to the appropriate use of such resources.

It is the policy of Hampton County School District that computers and the internet are used in a responsible, efficient, ethical, and legal manner. Failure to adhere to the district's policy and guidelines will result in the loss of access privileges. If the district incurs any cost due to student, or employee negligence or misuse, the student, or employee will be responsible for that cost.

This policy governs the use of all electronic systems owned, provided, or subscribed to by the District, including computers and computer-like devices, mobile devices, voice and data communication systems, networks, software, services. It applies to all users (students and adults) of these systems, on or off District property, at all times.

District employees, contractors, and vendors will sign this policy prior to account access. Students are bound by an opt out mechanism: parents not wishing for their child to be allowed access to computer networks, Internet, or other communication services must so indicate in writing to the school's Principal.

Under certain circumstances, the use of personally – owned computing and communication devices may be allowed on District property. These non-District-owned devices access District services, networks, data, and services, and as such are bound by this policy. Such devices are the sole responsibility of the owners.

Students and employees will have access to:

- 1) Electronic district assigned mail (e-mail) with people all over the world. Accessing personal email accounts is not allowed.
- 2) Public domain software and graphics of all types for school use.
- 3) Graphical access to the World Wide Web, the newest and most exciting access tool on the internet.

Access to computers and people all over the world brings the availability of material that may not be of educational value in the context of the school setting. Hampton County School District has taken precautions to restrict access to controversial materials. However, on a global network, it is impossible to control all materials and an industrious user may discover controversial information. Hampton County School District firmly believes that the valuable information and interaction available on this worldwide network far outweighs the possibility that users may procure material that is inconsistent with the educational goals of the district.

Internet access is coordinated through a complex association of government agencies, and regional and state networks. In addition, the smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. These guidelines are provided to make you are aware of the responsibilities you are about to acquire. Compliance with this policy is mandatory and includes access and use of the district's information system and all peripheral devices for printing, storing, archiving and duplicating information regardless of location. Be aware that personal files are discoverable under the State of South Carolina Freedom of Information Act. Hampton County School District has the right to place restrictions on the material accessed or posted through the system.

Guest user access can be arranged for lecturers, program presenters, or other event- based needs by arrangement with Technology Services. The Technology Services can provide credentials for such users who are bound by this policy. Guest access is limited in terms of Internet and file access.

The signature at the end of this document is legally binding and indicates that party who signed has read the terms and conditions carefully and understands their significance.

To determine the length of a knife blade, it will be measured from the tip to where the blade and handle (casing) meet. Box cutters and utility knives containing blades are also prohibited on school/district property.

When a weapon is found in a student's possession, it is up to the school principal to determine if the student's possession was knowing or intentional. If the student maintains that he or she did not knowingly have possession, and the explanation is credible to the administrator, the student will not be suspended.

If the student's explanation is not deemed credible by the principal, policy requires secondary students to be suspended with a recommendation for expulsion.

Students who realize they have accidentally brought a weapon to school should go immediately to a teacher or administrator and turn the item in. If it is clear the student turned the item in immediately upon discovery, the student may not be suspended. Students who delay turning in such an item, or who turn in an item only after having been discovered, may be suspended with a recommendation for expulsion.

South Carolina Law requires the school to notify local law enforcement officials when a gun, or knife with a blade in excess of two inches, is found in the possession of a student. Law enforcement officials determine if a student is to be charged and taken into custody. (See SC 16-23-430.)
