

**P.A.C.E.**  
**“Perfect Attendance Creates Excellence”**

Dear Student,

We want to help and encourage you to be excellent in school and that starts with perfect attendance. That is why every elementary student (K-5) who has perfect attendance during the 2013-2014 school year will be given a brand new bike and helmet by Bud Clary Toyota of Yakima.

This program, called P.A.C.E., defines perfect attendance as:

- No tardies
- No leaving school early
- No missing school days

As long as you attend a participating elementary school for the entire year, you will be eligible to win. Students transferring in from another district during the school year are ineligible to win.

At the end of the school year, Toyota of Yakima will reward your perfect attendance with a BBQ for you and your family. At the BBQ we will give you a new bike, helmet, and a P.A.C.E. certificate for your perfect attendance and hard work.

Good Luck and Happy Schooling!

Sincerely,

Jeff Mattson
