### **Parent Portal Accounts-How to get one set up if you don't already have one**

Have you set up your Parent Portal account? By setting up your Parent Portal account you will have the ability to keep track of your child's attendance, grades, and email teachers when you need to. In addition to keeping track of your child's grades and attendance, the district is going paperless – you will need a Parent Portal Account to complete electronic forms and signatures such as device agreements, field trips, etc. You will also have the ability to manage your own personal information like address and phone number changes.

There are many opportunities for you to get the Parent Login Letter with the information on setting up your account.

- You can email Wendy Crunkleton at [Wendy.Crunkleton@d11.org](mailto:Wendy.Crunkleton@d11.org), but we will need to verify your identity and can only send your letter to the email address we have on file for you. These protocols are set up to protect both you and your child's information.
- Stop by and see Wendy in room 251A or the hallway outside of her office during our Open House on September 7, 2023, 5:00-7:00 PM.
- Stop by and see Wendy in room 251A or the hallway outside of her office during parent-teacher conferences in late October. We will have a schedule soon that somehow involves the 25-27<sup>th</sup> of October.

## **Concurrent Enrollment Forms for the 23-24 school are Due NOW!**

Each year Odyssey ECCO students are required to complete a Concurrent Enrollment form. We use Formsite for this purpose. Please use the same login information as last year to complete your new form. Only students need an account, parents will be sent an email from Formsite with the link to their child's form so they can review and sign. The link and instructions are below. Click [here](#) for a step by step guide to completing this form.

### **Formsite Concurrent Enrollment Form**

If this is the first time you completed a form through Formsite, create an account by filling out the boxes on the left. Please make note of the username and password you use, because this account will hold all your forms from here on. Returning students should make every effort to use the same email and login as last year. I have attached a PDF of how to complete the form. Please make sure the parent email you type in is accurate, and then let your parent know to expect an email from Formsite. You do not need to complete your course information; we will attach your schedule before sending it to PPCC. It is important that you initial the three locations where it is needed, check all 13 checkboxes, and then sign with a full signature at the end. **You do not need to put any courses in, we will attach your schedule.**

Once you click submit, the form will go to your parent for their initials and signature. Once your parent hits submit the form will go to your counselor for approval.

If you have any questions, feel free to reach out to Kristine Stenger at [Kristine.Stenger@d11.org](mailto:Kristine.Stenger@d11.org) or 719-328-2088.
