Subject: Occupational Education

The Board of Education reaffirms its recognition of the need for occupational education. It is the policy of the Board to strengthen the high school educational program through utilization of any available federal and state funds for that purpose and to support the BOCES program.

High School students will be admitted to occupational classes based on regulations set forth by the Superintendent. In addition to students enrolled in the District, the cost of BOCES occupational courses will be paid for by the District, for veterans under the age of 21.
