**Subject: Selection of Library and Audio-Visual Materials**

The Williamson Central School Board of Education affirms the Library Bill of Rights of the American Library Association and agrees that the responsibility of the school library is:

- a) To provide materials that will enrich and support the curriculum, taking into consideration the varied interests, abilities and maturity levels of the pupils served.
- b) To provide materials that will stimulate growth in factual knowledge, literary appreciation, aesthetic values and ethical standards.
- c) To provide a background of information which will enable pupils to make intelligent judgments in their daily life.
- d) To provide materials on opposing sides of controversial issues so that young citizens may develop the practice of critical reading and thinking.
- e) To provide materials representative of the many religious, ethnic, and cultural groups and their contribution to our American heritage.
- f) To place principle above personal opinion and reason above prejudice in the selection of materials of the highest quality in order to assure a comprehensive collection appropriate for the users of the library.

In interpreting these principles, the following will apply:

- a) Broad and varied collections will be developed systematically by the librarian and the technology specialist, based on recommendations of the professional staff and suggestions of students and parents. Final approval will be made by the building principal.
- b) Qualitative standards of selection involving factual accuracy, authoritativeness, artistic quality and appeal will be applied by librarians and technology specialists before purchases are made.
