

2023 - 2024

Eagle Lake PTO News

Our PTO has started planning some really great activities and sponsorships for the 2023-2024 school year. Thanks to our amazing families, the Eagle Lake Fund Run in October 2022 raised a historical amount over \$17,000! Amazing! With these funds, we were not only able to see Mr. Grovom sleep on the roof, we were able to give back to Eagle Lake Elementary in many ways:

- New Gaga Ball Pit with help from Eagle Scouts
- Stocking the Teacher Lounge monthly with treats & coffee
- Provided over \$6,000 in field trip funds
- Card My "School" Yard first & last day of school
- Teacher lunch/supper during school conferences
- Donuts, Popcorn, and more for classroom fun!
- Teacher & Staff Appreciation Week
- Show Your Glow School Dance
- School Carnival
- \$250 per teacher to use for their classroom

We are on our way for the 2023-2024 Eagle Lake Fund Run and look forward to reaching & exceeding our goal of \$15,000. Envelopes will be sent out soon and we look forward to a fun day on Wednesday, October 18th! Let's Soar Eagles!

VOLUNTEER OPPORTUNITY DESCRIPTIONS

Carnival Committee

The PTO Board begins to plan for the carnival typically beginning in January. Monthly meetings run longer in order to devote the time needed to adequately plan. Talk to one of the board members about joining the meetings and/or joining a subcommittee (games, food, etc.)

Yearbook Team

Volunteer to design the yearbook or assist. Strawbridge (company that we use) has very user friendly system that makes it easy and fun to design!

Cash 4 Kids

Volunteer to facilitate the cash 4 kids program through HyVee. This volunteer will be in charge of collecting HyVee receipts and tracking the dollars that we earn.

School Counselor Advisory Board

Represent the parents of Eagle Lake Elementary. Meetings occur two times per year.

Conference Meals for Teachers

Facilitate meals for teachers during conferences. Determine what will be served, who will cater, what costs will be, and attain volunteers to bring in certain items and set up/clean up.
