RULES AND REGULATIONS

For the Use of the Hamden Public School Buildings for Other Than Regular School Purposes

Please initial each numbered guideline

- mf* 1. The use of the Hamden Public School Buildings for other than regular schoolwork is under the direct control of the Board of Education. All applications for the use thereof must be made to the Board of Education on the blank form prescribed for that purpose. The application must state in every detail the purpose and nature of the activity for which the building is to be used and must be signed by three responsible persons, who will be held responsible for any damage or loss of property arising from such use.
- mf* 2. When permission for the use of any building has been granted the Board will appoint a custodian and/or security personnel to act as its personal representative. This appointee is to supervise the meeting and enforce the Rules and Regulations of the Board with power to close the meeting if it is not held in accordance with the Rules and Regulations. Custodian(s) will report a minimum of one-half hour before scheduled time and remain a minimum of one-half hour after close of event. There will be a minimum charge of three hours of custodial coverage for any event.
- mf* 3. If police attendance is necessary (to be determined by the Administration), the persons in charge of the event will be required to provide such police attendance and give the Police Permit Number to the Board of Education.
- mf* 4. The building is to be used only on the date specified and for the purpose named in the permit. Nobody from the renting organization will be allowed to enter the building prior to the time stipulated in this contract. Setup and rehearsal time must be reflected on the application.
- mf* 5. A permit can be canceled without notice provided its provisions or intent are violated in any way, and the Board of Education or its representatives shall be the sole judge of such violation. In addition, the Board of Education reserves the right to cancel a permit should a school function be in conflict with the permitted event.
- mf* 6. A permit is not transferable.
- mf* 7. A permit is not valid unless signed by the Superintendent or his/her designee.
- mf* 8. No food or refreshments are to be served or eaten on the premise, unless specifically mentioned in contract. Food or drink is not to be brought into gymnasium, auditorium or pool. Violation of this provision may result in immediate revocation of the permit and is grounds for future denials.
- mf* 9. When use of a kitchen is required, details must be worked out in consultation with the food services contractor, who will determine whether a cafeteria worker will be needed. If a cafeteria worker is needed, the permittee will be responsible for the cost.
- mf* 10. Use of auditoriums does not include use of theatrical lighting or sound equipment. If needed, use of equipment must be worked out in consultation with the Director of Fine Arts. Only trained school-appointed technicians will be able to use stage technology equipment. Costs for these services will be invoiced after the event is completed. If using the high school or middle school auditoriums, you must fill out Addendum A to determine your technical and staffing needs. Due to staffing shortages, please be advised that we may not be able to fully staff your event. It would be in your best interest to investigate and hire your own audio-visual equipment and workers as the district cannot guarantee staffing for every event.
- mf* 11. When use of Audio Visual or Television equipment is needed, details must be worked out in consultation with the Director of Fine Arts (high school and middle school) or the building media specialist (elementary schools). If it is determined a technician is needed, the permittee will be responsible for the cost.
- mf* 12. A statement of insurance to cover loss or damage to equipment must be presented to the Superintendent prior to approval (Board Policy #1330.2)

Please describe how you plan to comply with the state and CDC Covid-19 guidelines for your event. Please include both the plan for audience (capacity, seating, entry and exit) as well as performers on stage and back stage (masks, social distancing, etc). We must have this information before the Board will consider your request for facility use. (If easier, you may attach a separate document with your protocols)

Masks will be worn at the discretion of the attendee.
Seating, will be auditorium seating with ample distance between each seat. The stage will not be utilized. We will also serve a light lunch on Saturday for attendees.
