

Football

Intent-

- Use a range of tactics to overcome opponents in Football.
- To develop the knowledge and understanding to be able to analyse students own and a peer's performance.

• Impact	Year 7				Year 8				Year 9				Year 10				Year 11			
	Big Picture- Introduce basic skills in football, focusing on first touch, passing, movement, decision making, communication and applying them to a game situation.				Big picture- Embed skills previously covered in year 7 by looking at progressing each student's first touch, range of passing, type of movement shown off the ball, decision making and communication skills. Introduce tactical awareness by introducing the first 4 principles of play. Applying skills and tactics to a game situation.				Big Picture- To master skills covered in both year 7 and 8, including; First touch, passing and movement off the ball. Embed the principles of play within the tactical approach to the game. Introduce the 5 th principles of play; Set pieces. Apply skills and tactics to a game situation.				Big Picture- To Master the skills learnt in years 7-9 and analyse the performance of peers' in a Sport Education model lesson. To Master the principles of play and apply them within the Sport Education model style lesson.				Big Picture- to develop all round learners with the use of Sport Education with the development of a team mentality.

End Point	At the end of the year 7 football unit students will be able to begin to demonstrate : 1. Some core skills including Ball Control, Short and Long Passing, Shooting, Dribbling, Tackling and Marking in isolation and competitive situations. 2. Some physical fitness that is required to participate in a competitive situation.				At the end of the year 8 football unit students will have improved their ability by demonstrating : 1. many core skills including Ball Control, Short and Long Passing, Shooting, Dribbling, Tackling and Marking in isolation and competitive situations. 2. A few Advanced skills such as Ball control using: Using chest, thigh, non-dominant foot passing, Dominant foot shooting: Use of swerve, Volleys Non-dominant foot shooting, Dribbling, Ability to beat opponent, Defensive or				At the end of the year 9 football unit students will be able to competently demonstrate : 1. Most core skills including Ball Control, Short and Long Passing, Shooting, Dribbling, Tackling and Marking in isolation and competitive situations. 2. Some Advanced skills such as Ball control using: Using chest, thigh, non-dominant foot passing, Dominant foot shooting: Use of swerve, Volleys Non-dominant foot				At the end of the year 10 football unit students will be advanced at demonstrating the following: 1. All core skills including Ball Control, Short and Long Passing, Shooting, Dribbling, Tackling and Marking in isolation and competitive situations. 2. Many Advanced skills such as Ball control using: Using chest, thigh, non-dominant foot passing, Dominant foot shooting: Use of swerve, Volleys Non-dominant foot				At the end of the year 11 football unit students will have mastered the ability to demonstrate: 1. All core skills including Ball Control, Short and Long Passing, Shooting, Dribbling, Tackling and Marking in isolation and competitive situations. 2. Almost all Advanced skills such as Ball control using: Using chest, thigh, non-dominant foot passing, Dominant foot shooting: Use of swerve, Volleys Non-

<p>Links to Character and Culture</p>	<ul style="list-style-type: none"> Develop understanding of the importance of maintaining good health and diet. The three different types of health. Explore what the term 'wellbeing' means. The different types of wellbeing. Develop an understanding around factors which can impact on mental health and wellbeing, such as the social benefits of participating and socialising through team sports. Encourage to get involved with wellbeing events and charity events at school or within the wider community including extra-curricular clubs – socialising with others in sport outside of sport, setting goals to improve and achieve, to boost self-esteem. 	<ul style="list-style-type: none"> Articulating informed and balanced opinions whilst participating as part of a team, while being respectful to all – other members of a sports team may have a difference in opinion, how you manage that is essential towards success. Becoming involved in citizenship whole school/character and culture events or in wider extra-curricular activities – taking part in school competitions to earn points towards house totals. Demonstrate their understanding of physical and mental health and wellbeing – the benefits of exercise and working as part of a team – weight loss, feeling better about yourself, boosting self-esteem, self-confidence. 	<ul style="list-style-type: none"> Forming an informed opinion, while showing respect for other's beliefs and values who are part of your team or just participating in the same sport as you. Understand what positive relationships are – building relationships through team sports. What is the common link – between relationships with team mates in sport and those you interact with in or outside of sport? 	<ul style="list-style-type: none"> Understand about positive relationships and wellbeing – how does this translate over to sport? Encouraging relationships that foster trust and respect – working with others that you wouldn't normally choose to, in order to achieve a common goal in sport. Sharing, encouraging and setting boundaries to promote safety and wellbeing – through healthy competition in competitive team sports. 	<ul style="list-style-type: none"> Demonstrate an understanding of what is meant by 'good' health and physical & mental wellbeing and the role that exercise and physical activity can play in maintaining it. Evaluating how we can develop our levels of physical, mental health and wellbeing through sport and exercise.
