

Bilton School – Homework in Science

Homework will be set at regular intervals and will always be shared through our class charts system. Below you can see a brief outline of the expectations for each year group.

Science	
Year	Brief description of what to expect
Year 7	Homework will be set regularly through Educake to consolidate the learning taking place in class. Teachers will also expect students to undertake revision for upcoming assessments for which they can use Educake, KS3 BBC Bitesize etc to aid their revision. Students will be expected to have learnt key vocabulary needed for the course.
Year 8	Homework will be set regularly through Educake to consolidate the learning taking place in class. Teachers will also expect students to undertake revision for upcoming assessments for which they can use Educake, KS3 BBC Bitesize etc to aid their revision. Students will be expected to have learnt key vocabulary needed for the course.
Year 9	Homework will be set regularly through Educake to consolidate the learning taking place in class. Teachers will also expect students to undertake revision for upcoming assessments for which they can use Educake, KS3 BBC Bitesize etc to aid their revision. Students will be expected to have learnt key vocabulary needed for the course.
Year 10	Homework will be set regularly through Educake to consolidate the learning taking place in class. Teachers will also expect students to undertake revision for upcoming assessments for which they can use Educake, complete revision posters using KS4 BBC Bitesize etc to aid their revision. The resources from the revision lesson in class will also be provided on class charts. Students will be expected to have learnt key vocabulary needed for the course.
Year 11	Homework will be set regularly through Educake to consolidate the learning taking place in class. Teachers will also expect students to undertake revision for upcoming assessments for which they can use Educake, complete revision posters using KS4 BBC Bitesize etc to aid their revision. Students will have access to online revision resources such as Tassomai and GCSE Pods which they will be expected to regularly use each week during the course to help them learn the key knowledge essential to answering exam questions. Students will be expected to have learnt key vocabulary needed for the course.
Post 16	Homework will be set regularly where students will be expected to complete tasks on Up Learn. They will also be expected to complete exam questions regularly and access websites such as www.A-levelchemistry.co.uk to aid their learning.
