

Norton Sports Health Partner School Resources

What we offer

Norton Sports Health and KORT physical therapy, through a partnership, bring high-quality care to schools and student-athletes through a comprehensive approach. This long-standing relationship between KORT clinics and Norton Healthcare supports our ability to provide full-time certified athletic trainers to schools that partner with us. We also provide an administrative team to assist with expedited appointments and diagnostic test scheduling, support of the athletic trainer, coordination of primary care and specialty care for student-athletes, and concussion baseline testing.
