Fire Technician & Emergency Response Pathway

College & Career Readiness

San Juan Unified School District

Del Campo High School

The San Juan Unified School District Board of Education is committed to equal opportunity for all individuals in district programs and activities. District programs, activities and services shall be free from unlawful discrimination, harassment (including sexual harassment), intimidation, and/or bullying based on actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, immigration status, ethnic group identification, age, religion, marital or parental status, pregnancy, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, genetic information, affiliation with the Boy Scouts of America, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics. If you believe you have experienced unlawful discrimination, please contact: Equity Compliance Officer, Fhanysha C. Gaddis, (916) 971-7110, LegalServices@sanjuan.edu; Title IX Coordinator, Katie Fabel, (916) 971-7110, TitleIX@sanjuan.edu; Section 504 Coordinator, Dominic Covello, (916) 971-7220; ADA/Title II Coordinator, Michelle Fischer, (916) 971-7036

Fire Technician & Emergency Response

Fire Tech is a three year career pathway that consists of both classroom and rigorous drill ground training in basic fire fighting knowledge and skills. This pathway will provide students with the skills necessary to be successful in pursuing a career in the fire service. Students in this program will discover an increase in their self esteem, ability to work both independently and with a team as well as obtain the skills required to be an effective leader and crew member. Students will develop the foundation necessary for future educational and career goals for advanced fire service training, certifications and employment opportunities.

Fire Control Technician I

1

Fire Control Technician II

2

Fire Control Technician III

3
