## 2021-2022 School Accountability Report Card

### (Published During the 2022-2023 School Year)

## General Information about the School Accountability Report Card (SARC)

### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

### Mission Statement:

Mary A. Deterding, an arts inspired K-6 Learning Community, will educate each student to become a compassionate and confident life-long learner, reaching their highest level of personal achievement through an innovative, rigorous academic curriculum that integrates the visual and performing arts.

### School Profile:

Mary A. Deterding Elementary is one of 41 elementary schools in the San Juan Unified School District. The curriculum provided is aligned to the California Content Standards, while transitioning to the Common Core State Standards. Comprehensive Balance Literacy is a focus throughout all classes, with teachers integrating Interactive Read Alouds, Shared Reading, Writer's Workshop, and Critical Literacy. Our 6th grade classes are focused on Disciplinary Literacy. Our teachers strive to develop students to become independent workers. Field trips continue to be an important part of the school experience with teachers integrating the experience with the curriculum and grade level standards.

The school supports cultural awareness on a daily basis through its diverse literature selections and other school activities, such as the International Food Festival.

By integrating the visual and performing arts within the curriculum, the Deterding learning community educates students to become critical thinkers and effective communicators, growing into leaders who approach new situations with confidence and compassion. Kindergarten - grade 3 students participate in dance each week. Students in grades 1 - 6 receive music instruction weekly from our full time music specialist. Grades 4 - 6 students have instrumental instruction each week which is embedded during the school day. Students in grades 1 - 6 receive art instruction each week with a full time art specialist. Students in grades 3 - 6 have the opportunity to participate in choir each week before or after school.

The staff at Deterding Elementary believe it is their responsibility to nurture the natural curiosities of students through the arts, humanities, and sciences, inspiring students to become compassionate and confident lifelong learners. By integrating visual and performing arts with curriculum, the Deterding learning community educates students to become critical thinkers and effective communicators, growing into leaders who approach new situations with confidence and compassion. We believe that parent involvement is an important part of each student's success.

## 2022-23 School Overview

We currently have three kindergarten classes, three first grade classes, three second grade classes, three third grade classes, three fourth grade classes, three fifth grade classes, one fifth/sixth combo, and two sixth grade classes. Included in these classes is one Rapid Learner class at each grade level from the 2nd through the 6th grades.

We strive to achieve through the following programs:

- 2nd - 5th grade Rapid Learner Program
- Enrichment and Intervention in ELA and Math
- K-6 enrichment field trips
- K-6 full-time Art Specialist with self-contained art room
- K-6 full-time Music Specialist - vocal and instrumental (5th - 6th grade)
- English Language Learner (ELL) support after school
- K-3 Dance Program - within the school day in a dance room complete with mirrors
- 5th and 6th grade Band Program - within the school day
- 5th - 6th Grade intramural sports program
- Discovery Club After School Program
- Bridges After School Program
- Chinese classes offered after school
- After school Missoula Children's Theater: 1st - 6th Grade
- Cross grade level reading and activity buddies/partners
- 4th grade Recorder Program - within the school day
- 4th - 6th grade choir
- Community service opportunities
- International Food Festival
- Harvest Festival
- Red Ribbon Week
- Attendance Awards Program
- Character Education Awards Program each month
- Grade level field trips
- Fall and spring book fairs
- Talent show
- Jog-A-Thon
- Spring Art Festival
- Chess Club during lunch
- Actively involved parent groups: School Site Council, English Language Advisory Committee (ELAC), DREAM (Parent Teacher Association)

Our site focus continues to be centered around improving student data through the use of Professional Learning Communities (PLCs). In PLC meetings each week, teachers look at data and how best to support their students in order for them to show growth. Our current school focus is on math, but we continue to work on writing, developing critical thinking skills through Critical Literacy, and reading through guided reading practices.

Principal's Message:

Dear Deterding Families,

I am ecstatic to be starting my ninth year as part of such an amazing, artistic, and educational community! I hope you will find your child's experience at our school to be successful as well as challenging, while enriched by art, music, and dance.

Deterding is one of three schools in San Juan that is privileged to be home to the Rapid Learner program. Though the Rapid Learner classes are often working at a different pace than the other classes, it is important for all students at Deterding to understand that we are all part of the same community while we meet the individual needs of each student in the classroom. We have worked hard to create a community where everyone is welcome.

Our staff is working diligently to continue with the implementation of the Common Core State Standards (or CCSS). We are currently using Benchmark for ELA, Critical Literacy, Guided Reading, and Writer's Workshop as part of our Balanced Literacy Language Arts program. We are using i-Ready online as a support for math and ELA and the program allows both parents and teachers to monitor student progress at their individual level. One of the major shifts with Common Core is writing across all subject areas and the integration of technology. We are continuing our use of a typing program to support students as they prepare for CAASPP (standardized Common Core test created by SBAC) and also the use of Interim Assessments provided by CAASPP. Our fabulous team of teachers is working hard to collaborate and ensure that we have a continuum K-6.

## 2022-23 School Overview

Deterding has an amazing parent organization, DREAM! DREAM welcomes help and input from all members of the community. They work really hard to bring wonderful events to the school including the International Celebration, Jog-a-thon (DREAM Run), Harvest Festival, Book Fairs, Talent Show, and much more! The funds raised help pay for a portion of the band teacher's salary as well as many other needs our school has each year. We hope to be back on campus and holding events soon!

Our school goal for attendance this year is 96%. Please help us by making sure your child is on time and ready to learn. We have a weekly attendance competition within our grade levels with the winners housing a Deterding Dolphin for the week.

At Deterding, we strive to make sure that our students treat others with respect and be active participants in the Deterding community. We launched a campaign a few years ago called "Kindness is Contagious". We are furthering that this year with challenging students to show kindness to each other as a way to pay it forward. Students who demonstrate good character can earn Caught-a-Dolphin cards which are put into a drawing and prizes are given out each week with bigger prizes given each month. Each month we have a character trait aligned to our Successful Habits on the report card. One student from each class who has best demonstrated the trait is chosen to be recognized by receiving a t-shirt, a picture on the wall in the MP room all month, and their name read over the loudspeaker and in the school newsletter. We will continue this tradition in Distance Learning!

There has long been a need for change in our education system to be equitable for all students. We are committed as a district and a school site to examine our practices and make changes to make learning accessible for ALL students- particularly students of color. This is not a quick process. We need to start with our own biases for lasting change. We know the work will be hard, but we look forward to partnering with our school community and doing the work together. Stay tuned for how you can be involved!

We look forward to a great school year and welcome your participation and support as we enrich and challenge our students every single day!

BE HERE. BE KIND. EXERCISE YOUR BODY AND MIND.

Mrs. Melanie Allen

Principal,

Deterding Elementary School

## 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

San Juan Unified held a public hearing on September 28, 2021 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2021 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <https://www.sanjuan.edu/Page/23518>. In July 2009, EC Section 60200.7. The State Board of Education has adopted frameworks for ELA/ELD, Math, Science and Social Sciences, and has identified an approved list of instructional materials available for adoption. ### School Facility Conditions and Planned Improvements

Deterding Elementary School, constructed in 1953, was modernized during 1997. Currently, enrollment slightly exceeds existing capacity. Site custodial staff clean the buildings, along with district support for major/minor repairs. The district provides gardening and landscape services on a regular schedule. Regular fire/emergency drills are held, and badges are required for all visitors and personnel. Field repair, driveway resurfacing, and insufficient parking for staff and visitors continues to be a concern. Utilizing Measure J bond funds the site received both hard court and parking lot resurfacing and a major landscape and irrigation project was completed in 2008. During the summer of 2011 all student restrooms were renovated and updated, with an additional girl's bathroom added. Recently, a portable was added to the campus to provide a more permanent home for the site's popular band and music programs.

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in October 2020 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities.

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	66	N/A	43	N/A	47
<b>Mathematics</b> (grades 3-8 and 11)	N/A	56	N/A	29	N/A	33

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

At Mary A. Deterding, parent participation takes many forms. Families are able to volunteer at the school in a variety of ways to enrich the education of their children. Deterding's outstanding educational program could not exist without the enormous amount of time, energy and talents provided by our parents. Working together, we have provided over 18,000 hours of volunteer time to support our students. Parents are also encouraged to be active participants in the education of their children through:

- DREAM– Parent Teacher Association
- School Site Council
- ELAC – English Learner Advisory Committee
- SPAC – Superintendent's Parent Advisory Committee
- School/classroom volunteers
- Participation in school and/or grade specific activities
- Parent–Teacher conferences
- Field trips
- Contribution of supplies

Contact the Melanie Allen, the principal at 916-575-2338 for more information about volunteer opportunities at Mary A. Deterding Elementary School.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

## 2022-23 School Safety Plan

### School Safety Plan

San Juan Unified School District emphasizes school safety and understands its importance in helping to achieve the academic success of its students. In accordance with the California Education Code, each school site must complete and maintain a Comprehensive School Safety Plan, to be reviewed and updated annually. The plan includes a review of safety data for the campus, safety policies, critical incident response & management information as well as emergency procedure information including those pertaining to incidents involving fire, earthquakes, intruders and other dangers. The review and update of the plan is a collaborative process involving representatives from site administration, instructional staff, custodial & classified staff, safety personnel and parent representative who together comprise a site safety team. Finalized plans are posted to site webpages for public access and presented to staff during training and development days no later than March 1 of each year. A copy of the plan is available for review in each school site office.

Safety drills are held on a regular basis and in compliance with the California Education Code to include fire drills, earthquake drills and intruder drills. Drills are coordinated and monitored with the assistance of the trained district safety personnel.

Safety is a shared responsibility. Each school site is supported by the district's Safe Schools Team. The Safe Schools Team is comprised of personnel specifically trained to support and promote school safety, provide advice to matters involving student welfare, assist in the coordination of drills and provide safety training to students and staff. Safe Schools Team members, known as Community Safety Specialists work collaboratively with site administrators and safety committee members to build and strengthen a culture of safety as well as address specific incident needs. The Safe Schools Team members are further supported through developed relationships with local law enforcement offices including the Sacramento County Sheriffs Department & Citrus Heights Police Department. San Juan Unified maintains contracts with local law enforcement for the purpose of employing uniformed law enforcement officers to further enhance school site security for special events as well as in response to critical incidents and threats. .

## Professional Development

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level, and there are specific opportunities designed for our paraprofessionals to attend and be compensated. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.

This table displays the number of school days dedicated to staff development and continuous improvement.
