D. STUDENT REPRESENTATIVE REPORT

Leila Affini and Alexandra Hamza were both present. Leila shared that the first full day of school for all grades was September 9th with six periods lasting about an hour each.

All fall sports have begun. Each team has faced at least two opponents so far.

The quarantine process is still being used for anyone who is exposed to COVID. This involves attending classes online instead of in person for two weeks.

Finally, clubs are up and running and fall festivities like the homecoming parade are being planned.

SEAT and the World Language Club have been playing music, sharing cultures and traditions in honor of Hispanic Heritage month. They have been working hard to celebrate each culture in different ways. This has been responded to by both students and staff in a positive manner.

E. PUBLIC COMMENTS

Mr. Thames reviewed the rules of engagement for public speakers. He noted that speakers should not expect an immediate response, though at the Chair's discretion it is possible. Written comments are also acceptable. Mr. Thames noted that this is not the forum for personnel or legal issues and asked speakers to refrain from derogatory and profane language.

Rhonda Philbert, 785 Tolland Turnpike, noted she is not here as Equity Coordinator, but as a grandparent of a 7 year old grandson who attends Bowers. Ms. Philbert recalled the summer of 2020 as a turbulent time, with the murder of George Floyd and Jose Soto, young black males being harrassed in town, BLM events, and COVID affecting people of color at three times the rate of whites and two times more likely to die. The development of the Race & Equity Read Alouds help to diminish the racial trauma our children have lived through. Exposing our students to different cultures is not critical race theory. To deny the opportunity for our black and brown students to experience the joy of seeing themselves in stories is racist.

Mr. Tom Stringfellow, 183 Hillstown Road, mentioned Critical Race Theory. He says we should not make children ashamed of their culture. Mr. Stringfellow spoke about the reconstruction after the Civil War and recommended several articles and books. He also mentioned we are in the midst of Latino History Month.

Vanessa Reichelt, 97 Prospect Street, has two children attending Keeney Elementary. She is concerned about the lack of communication between the administration and parents as well as community engagement. Parents were not notified of the vacancies

at Keeney and their children have had subs for two weeks. Last year the Keeney PTA was inactive and there was no communication with parents about this. Ms. Reichelt wonders who the Board of Education liaison for Keeney is, when they are going to come to Keeney and meet the current PTA, and wonders where they were last year. Ms. Reichelt was also upset that even though Mr. Geary said parents would be allowed in the schools this year, her offer to volunteer in the class has been denied. The FRC, with the wonderful Mr. Hassan, planned a back to school outdoor picnic that was cancelled last minute "because of COVID" and that was a huge disappointment. Families want to be involved and are being denied. The lack of communication to parents about the equity curriculum contents is a district-wide concern.

Sarah Somers, 53 Mather Street, is an elementary school parent and active PTA member. Though there have been no COVID cases at her school, she mentioned the 45 cases in the district since August 31st. Ms. Somers is not happy that they were forced to cancel a back to school BBQ and to hold open house virtually. The rest of the town gathers in the community yet our children are disconnected from their school community. The school has a nice outdoor area, why can't we access that to allow outdoor activities. Our children deserve to thrive.

Elizabeth D'Auria, 17 McDivitt Drive, noted this is the 14th day of school and her child, along with the others families that have children that qualified for remote learning due to medical issues or living with someone at high risk, has received zero instruction thus far. She checks daily for news about when remote learning will begin and this morning Mr. Wolf told them the best option is to live stream the students into regular in-person classes. If this is actually an equitable way to learn, why wasn't it started the first day of school? Ms. D'Auria believes this method is inequitable for both the remote and in-person students and is an extra demand on teachers. While she is hopeful her student will start class by the end of the week, she would like the instruction to be in an equitable and sustainable manner.

F. Superintendent's Report

F.1. Update on Race and Equity Work

Mr. Geary noted we have a diverse community and the goal is safe, inclusive schools. Five years ago we participated in an Equity Informed School Climate Assessment that gave direction to the district on what to address. Dr. Diane Clare-Kearney, noted we needed to reimagine what we do to get students

globally ready. It is critical to understand history through the lens of all students and they should see themselves in all views. We do not teach critical race theory - that is taught primarily in law school that justice is not blind.

Mr. Geary noted we have made efforts to hire a more diverse staff. Dr. Kearney spoke about the purpose of the read alouds, in which staff and other community members of color read books with characters of color so that our students may learn about themselves and foster a positive sense of self. Talking about race is healthy for all because racism hurts us all. Two times a week for 20 minutes students are able to see people of color in all walks of life (we have read alouds done by the Board Chair, principals, Dr. Kearney, etc) and students can see themselves through these adults and feel "regular" and empowered to experience the beauty in who they are and give students a voice.

Mr. Parker and Ms. Perkins were also present to review the SEL (Social Emotional Learning) aspect of the Race & Equity Read Alouds.

Ms. Stefanovicz loved the idea of students embracing themselves and understanding others. When she grew up her view was that people were all the same, but now we celebrate the differences and can be curious about others. She looks forward to the day all books reflect our populations and focus on celebration and not just negative history.

Ms. Patterson supports this work and notes it is important work that is part of the daily lives and reality of our community and we should embrace it. She asked for examples of action projects students have done. Ms. Perkins reviewed some students made signs for a march and she will send examples to the Board.

Mr. Pattacini noted that when the EISCA report came out five years ago the Board laid out a vision for how to proceed and this hits every point in that vision, some of which include foundational skills in reading, demonstrating positive values and beliefs, a growth mindset, embracing differences in people. We need this as a society and he is grateful. Students will grow in an environment where every individual matters. Mr. Pattacini is proud that our vision has been brought to life.

Mr. Thames noted he didn't have this when he was a child and it is important to both African American children and other children to see these positive stories and not just bad news and slavery topics.

F.2. Summer Programming Update

Mr. Geary reviewed the summer program this year was of a size and scope never before attempted in Manchester. About 700 high school students earned or recovered credit in the Summer Slam. We learned a lot in putting these programs together and they will only improve next year.

Mr. Pattacini wondered if we expect a similar number of participants next year. Mr. Geary reviewed that an 8-4 day was long for some. Mr. Pattacini wondered if we had a waiting list and Mr. Geary noted they accepted nearly everyone even though many applied past the deadline.

Ms. Patterson was happy to hear that next year will see an increase in "campiness". Mr. Geary noted they surveyed students, staff and families for feedback. We also employed many high school students, for many it was a good opportunity for their first job. The biggest challenge was how to engage the middle school students.

Mr. Thames noted we provided opportunities outside the classroom for experiences and social interactions that students do not always have.

G. UNFINISHED BUSINESS

None.

H. NEW BUSINESS

H.1. Policy Recommendations:

The Policy Committee submits to the full Board its recommended policy changes for a first reading in accordance with its policy on policy changes. These items will be voted on at a future Board meeting. Mr. Geary noted that these revisions all reflect legislative updates.

A. Prohibition of Sex Discrimination and Sexual Harassment in the Workplace -

Policy # 4013. This policy clarifies sexual orientation and gender identity.

B. Prohibition of Sex Discrimination and Sexual Harassment - Students - Policy

5013. Same as item A.

C. Non-Discrimination - Policy 1503, 4114, 5014. Identifies Veterans as a protected class and adds procedural updates.

D. Bullying and Safe School Climate - Policy # 5131.1. Modifies the definition of bullying to be either over time or one extreme act.

E. Health Examinations/Assessments and Immunizations - Policy # 5141.3. Adds vision screening language and asthma diagnosis.

F. Deadly Weapons and Firearms - Policy #1504. Clarification about buses.

I. PUBLIC COMMENTS (Limited to items on tonight's agenda)

Mr. Thames again reviewed the rules for public speakers.

Gigi Adler, 81 Dennison Ridge Road, had an issue with her child being told to put their mask back on at recess and they couldn't catch their breath. She noted the Covid liaison is not CPR certified or trained. The schools do not have oxygen monitors, which are only \$25 and she offered to donate for her school. Asthmatics are impacted. A reading of 94 without a mask is low and a reading of 91-92 indicates a need for oxygen. Why aren't we checking this? Ms. Adler noted that last year in Vernon a child with asthma fainted and they left their mask on. The first rule in CPR is to remove a mask of a person in distress. Students are eating lunch in the classrooms and the monitors are not trained to deal with students in distress. We need more training.

Mr. Tom Stringfellow, 183 Hillstown Road, enjoyed listening to the student representatives' report. He gave his approval to all items on the Consent Calendar, especially the ESL grant. Mr. Stringfellow talked about cyber bullying and an article in USA Today. He enjoyed Dr. Kearney's presentation and noted that not all black history is negative and black people have served our country in all wars.

J. COMMUNICATIONS

Mr. Thames announced the resignation of Board Member Emily Luna. Mr. Pattacini read part of her letter of resignation, which referenced her full time work and attendance at law school in the evenings. Ms. Luna appreciates the trust voters placed in her and thanks the Board for their support and valuable experience. She was proud to be the first Mexican-American elected in Manchester.

Mr. Thames thanked Ms. Luna for her service.

Ms. Patterson will miss Ms. Luna and has learned from her and will continue the work started.

Mr. Pattacini appreciates the hard work of Ms. Luna and notes that she is a great example of the type of student Manchester Public Schools produces.

Manchester Board of Education
Personnel & Finance Committee Report
September 27, 2021
5:45 p.m. - Lincoln Center

Attendees: Committee Members Darryl Thames, Sr., Peter Meggers, Scott Hughes, and Tracy Patterson

Also in attendance: Superintendent, Matthew Geary; and Assistant Superintendent of Finance & Management, Karen Clancy

The committee reviewed the annual end of year budget transfers to close out the fiscal year. The year ended with a \$2,501,694 available balance. The Board is allowed to transfer end of year available funds up to 2% of its annual budget into a non-lapsing fund as approved by the Board of Directors. Based on this agreement, \$2,355,483.48 will be transferred into the non-lapsing fund returning the balance of \$146,210.29 to the Town General Fund.

Ms. Clancy provided an update of the current 2021-22 budget. There are several deficits in budget accounts however costs will be shifted to grant funding which will offset these negative lines. The budget is in a good place but will continue to be monitored closely for any significant changes.

The 2022-2023 Budget Development Calendar was distributed and reviewed with the committee. The budget process will start with a Pre-Budget Workshop that is scheduled for November 17th which will provide the Board with a current services budget.

Ms. Clancy updated members on transportation. The transportation contract with DATTCO is in its last year of the 5 year contract. We are currently drafting an RFP for transportation services. We will hold a mandatory pre-bid conference in November for interested bidders.

The meeting was adjourned at 6:35 p.m.

Subject: Item for Appropriation United Way Community Investment Grant for FY 21/22

Date: October 1, 2021

Background:

Illing Middle School is home to a diverse community of learners. Our goal is to prepare each and every student with the knowledge, skills and habits they need in order to be successful in school and beyond.

Discussion/Analysis:

These funds will assist with the cost of having a Multi-Tiered System of Supports (MTSS) in order to provide academic support while also addressing the unique social-emotional needs of students in this age group.

Components of the MTSS include a math intervention component with tiered interventions and math tutoring.

The Behavioral and Social-Emotional Supports component consists of the implementation of a Positive Behavior Interventions and Supports system as well as the development of a continuum of Behavioral and Social-Emotional Supports.

From: Mr. Matthew Geary, Superintendent of Schools
Subject: Item for Increase in Appropriation – IDEA 611 Grant FY 2021-2023
Date: September 30, 2021

Background:

The Manchester Board of Education was awarded final grant funding under the Federal Individuals with Disabilities Education Improvement Act (IDEA) 611 grant for FY 2021-2023. This grant supports a wide range of special education services for students in the Manchester school district.

Discussion/Analysis:

Each year the Manchester Board of Education applies for grant funds from the Connecticut State Department of Education under IDEA 611 grant for use with special education students ages 3-21. The funding offsets the cost of special education teachers, occupational therapists, physical therapists, paraprofessionals, and tutors. It also enables the Board to purchase specialized reading and math programs, computer equipment, and other assistive technology devices. The IDEA 611 grant provides funding for student evaluations as well.

Financial Impact:

There is no financial impact to the town. This is a two year grant that provides funds from the U.S. Department of Education and the State of Connecticut. The total final grant award for FY 2021-2023 is for the amount of **\$1,944,847**.

Other Board/Commission Action:

None.

Recommendations:

The Superintendent recommends that the Board of Education request the Board of Directors increase the appropriation by **\$20,320**, for the final grant award under the Individuals with Disabilities Education Improvement Act (IDEA) 611 grant for FY 2021-2023 bringing the total grant award to **\$1,944,847**.

Quarantines

- Fully vaccinated close contacts should be referred for COVID-19 testing. If asymptomatic, fully vaccinated close contacts do not need to quarantine at home following an exposure (they can continue to attend school in-person and participate in other activities). In addition to correctly wearing masks in school, they should wear a mask in other indoor public settings for 14 days or until they receive a negative test result.
- Not fully vaccinated close contacts will quarantine at home for 10 days after exposure.
- Students (not teachers or other individuals) within a classroom setting are not considered close contacts unless they **are within 3 feet of a known COVID-19 case for 15 minutes or more (cumulative over a 24- hour period)**, provided both parties were wearing a well-fitting mask consistently and correctly during the entire duration of their contact and the student who is considered to be a close contact remains asymptomatic
- This exemption only applies to classrooms

Homebound Learners

- Learners who have a medical condition that prevents them from attending school due to Covid have been assigned classrooms to remote into. They participate in class during whole group instruction then meet with the teacher remotely for individual and small group instruction. **There are total of 18 students K - 4 and 8 students in grades 5-6.**

Masks

- Masks must be worn in schools by all students, staff and visitors, regardless of vaccination status through February 15. Masks must also be worn on school buses but are not be required outdoors.

Field Trips and Gatherings

- **Field Trips**

Depending on local and state COVID-19 case data, field trips may occur. All trips must be approved by the Superintendent in advance and are subject to cancellation should conditions change.

- **Gatherings**

Some larger outdoor gatherings may occur in 2021-22. If the gathering needs to be moved inside due to rain, masks must be worn.

Visitors and Volunteers

- **Visitors**

While we are excited to welcome visitors back into schools, parents and families are encouraged to continue to utilize virtual meetings whenever possible. All visitors must follow the same procedures as all school staff. Masks are required when entering all school buildings. Names, dates of visit, and locations visited will be recorded to assist with contact tracing should it become necessary.

- **Volunteers**

Volunteers are permitted in schools but must be approved in advance by the Superintendent. All volunteers must be vaccinated.

Prohibition Of Sex Discrimination And Sexual Harassment In The Workplace

4013

It is the policy of the Manchester Board of Education (the “Board”) for the Manchester Public Schools (the “District”) that any form of sex discrimination or sexual harassment is prohibited in the Board’s education programs and activities, whether by students, Board employees or third parties subject to substantial control by the Board. It is the policy of the Board to maintain a working environment free from harassment, insults or intimidation on the basis of an employee’s sex and free from discrimination based on sex.

The Board does not discriminate on the basis of sex in the education programs or activities that it operates and the Board is required by Title IX of the Education Amendments of 1972 and its implementing regulations (“Title IX”), Title VII of the Civil Rights Act of 1964 (“Title VII”), and Connecticut law not to discriminate in such a manner. Discrimination or harassment on the basis of sex includes discrimination or harassment on the basis of gender identity or sexual orientation. Students, Board employees and third parties are required to adhere to a standard of conduct that is respectful of the rights of all parties. Any employee or student who engages in conduct prohibited by this Policy shall be subject to disciplinary action, up to and including termination or expulsion, respectively. Third parties who engage in conduct prohibited by this Policy shall be subject to other sanctions, which may include exclusion from Board property and/or activities. Individuals who engage in acts of sex discrimination or sexual harassment may also be subject to civil and criminal penalties.

For conduct to violate Title IX, the conduct must have occurred in an education program or activity of the Board; the conduct must have occurred within the United States of America; and the complainant must be participating in or attempting to participate in the education program or activity of the Board. Conduct that does not meet these requirements still may constitute a violation of Title VII, Connecticut law, and/or another Board policy.

The Superintendent of Schools shall develop Administrative Regulations implementing this Policy and in accordance with Title IX, Title VII, and Connecticut law (the “Administrative Regulations”).

Sex discrimination occurs when an employer refuses to hire, disciplines or discharges any individual, or otherwise discriminates against an individual with respect to his or her compensation, terms, conditions, or privileges of employment on the basis of the individual’s sex. Sex discrimination also occurs when a person, because of the person’s sex, is denied participation in or the benefits of any education program or activity receiving federal financial assistance.

Sexual harassment under Title IX means conduct on the basis of sex that satisfies one or more of the following:

- (1) An employee of the Board conditioning the provision of an aid, benefit, or service of the Board on an individual’s participation in unwelcome sexual conduct (*i.e.*, *quid pro quo*);
- (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the Board’s education programs or activities; or
- (3) “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

Sexual harassment under Title VII and Connecticut law means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- (3) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Reporting Sex Discrimination or Sexual Harassment

It is the express policy of the Board to encourage victims of sex discrimination and/or sexual harassment to report such claims. Employees are encouraged to report complaints of sex discrimination and/or sexual harassment promptly in accordance with the appropriate process set forth in the Administrative Regulations. The Board directs its employees to respond to such complaints in a prompt and equitable manner.

Violations of this Policy by employees will not be permitted and may result in discipline up to and including discharge from employment. Individuals who engage in acts of sex discrimination or sexual harassment may also be subject to civil and criminal penalties. Retaliation against any employee for complaining about sex discrimination or sexual harassment is prohibited under this Policy and illegal under state and federal law.

Any Board employee with notice of sex discrimination and/or sexual harassment allegations shall immediately report such information to the building principal and/or the Title IX Coordinator, or if the employee does not work in a school building, to the Title IX Coordinator.

The ManchesterPublic Schools administration (the "Administration") shall provide training to Title IX Coordinator(s), investigators, decision-makers, and any person who facilitates an informal resolution process (as set forth in the Administrative Regulations), which training shall include, but need not be limited to, the definition of sex discrimination and sexual harassment, the scope of the Board's education program and activity, how to conduct an investigation and implement the grievance process, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. The Administration shall make the training materials used to provide these trainings publicly available on the Board's website. The Administration shall also periodically provide training to all Board employees on the topic of sex discrimination and sexual harassment under Title IX, Title VII, and Connecticut law, which shall include but not be limited to when reports of sex discrimination and/or sexual harassment must be made. The Administration shall distribute this Policy and the Administrative Regulations to employees, union representatives, students, parents and legal guardians and make the Policy and the Administrative Regulations available on the Board's website to promote an environment free of sex discrimination and sexual harassment.

- (1) An employee of the Board conditioning the provision of an aid, benefit, or service of the Board on an individual’s participation in unwelcome sexual conduct (i.e., *quid pro quo*);
- (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District’s education programs or activities; or
- (3) “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30). These definitions can be found in Appendix A of these Administrative Regulations.

Sexual harassment under Title VII and Connecticut law means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- (3) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Although not an exhaustive list, the following are other examples of conduct prohibited by the Board’s Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel):

1. Unwelcome sexual advances from a co-worker or supervisor, such as unwanted hugs, touches, or kisses;
2. Unwelcome attention of a sexual nature, such as degrading, suggestive or lewd remarks or noises;
3. Dirty jokes, derogatory or pornographic posters, cartoons or drawings;
4. The threat or suggestion that continued employment advancement, assignment or earnings depend on whether or not the employee will submit to or tolerate harassment;
5. Circulating, showing, or exchanging emails, text messages, digital images or websites of a sexual nature;
6. Using computer systems, including email, instant messaging, text messaging, blogging or the use of social networking websites, or other forms of electronic communications, to engage in any conduct prohibited by the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel).

NOTICE OF THE TITLE IX COORDINATOR

The District's Title IX Coordinator is Sinthia Sone-Moyano, Assistant Superintendent. Any individual may make a report of sex discrimination and/or sexual harassment to any District employee or directly to the Title IX Coordinator using any one, or multiple, of the following points of contact

***Sinthia Sone-Moyano

Any District employee in receipt of allegations of sex discrimination or sexual harassment, or in receipt of a formal complaint, shall immediately forward such information to the Title IX Coordinator. The Title IX Coordinator manages the District's compliance with Title IX, Title VII and Connecticut law with respect to sexual harassment and/or sex discrimination and is an available resource to anyone seeking information or wishing to file a formal complaint of same. When a student, District employee, or other participant in the District's programs and activities feels that such person has been subjected to discrimination on the basis of sex in any District program or activity, including without limitation being subjected to sexual harassment, such person may contact the Title IX Coordinator or utilize the Title IX, Title VII and Connecticut law grievance systems set forth herein to bring concerns forward for the purpose of obtaining a prompt and equitable resolution.

EXPLANATION OF COMPLAINT PROCESS AND PROCEDURE

The federal regulations implementing Title IX require the adoption and publication of two separate grievance systems: a grievance process for complaints of sex discrimination involving allegations of sexual harassment and grievance procedures for complaints of sex discrimination that are not sexual harassment. Accordingly, the Administration will process any complaints of sex discrimination involving allegations of sexual harassment, as defined above, pursuant to the **grievance process** set forth in Section I of these regulations. The Administration will process any complaints of sex discrimination that are not sexual harassment pursuant to the **grievance procedures** set forth in Section II of these regulations.

The District will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA), or as required by law, or to carry out the purposes of these Administrative Regulations, including the conduct of any investigation, hearing, or judicial proceeding arising from these Administrative Regulations.

The obligation to comply with Title IX is not obviated or alleviated by the FERPA.

SECTION I. GRIEVANCE PROCESS FOR COMPLAINTS OF SEXUAL HARASSMENT UNDER TITLE IX

A. Definitions

- **Bias** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) demonstrate actual bias, rather than the appearance of bias. Actual bias includes, but is not limited to, demonstrated personal animus against the respondent or the complainant and/or prejudgment of the facts at issue in the investigation.
- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
- A **conflict of interest** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) have personal, financial and/or familial interests that affected the outcome of the investigation.
- **Consent** means an active, clear and voluntary agreement by a person to engage in sexual activity with another person (also referred to hereafter as “affirmative consent”).

For the purposes of an investigation conducted pursuant to these Administrative Regulations, the following principles shall be applied in determining whether consent for sexual activity was given and/or sustained:

- A. Affirmative consent is the standard used in determining whether consent to engage in sexual activity was given by all persons who engaged in the sexual activity.
- B. Affirmative consent may be revoked at any time during the sexual activity by any person engaged in the sexual activity.

C. It is the responsibility of each person engaging in sexual activity to ensure that the person has the affirmative consent of all persons engaged in the sexual activity to engage in the sexual activity and that the affirmative consent is sustained throughout the sexual activity.

D. It shall not be a valid excuse to an alleged lack of affirmative consent that the respondent to the alleged violation believed that the complainant consented to the sexual activity:

(i) because the respondent was intoxicated or reckless or failed to take reasonable steps to ascertain whether the complainant affirmatively consented, or

(ii) if the respondent knew or should have known that the complainant was unable to consent because such individual was unconscious, asleep, unable to communicate due to a mental or physical condition, unable to consent due to the age of the individual or the age difference between the individual and the respondent, or incapacitated due to the influence of drugs, alcohol or medication.

E. The existence of a past or current dating or sexual relationship between the complainant and the respondent, in and of itself, shall not be determinative of a finding of consent.

- For purposes of investigations and complaints of sexual harassment, **education program or activity** includes locations, events, or circumstances over which the Board exercises substantial control over both the respondent and the context in which the sexual harassment occurs.
- **Employee** means (A) a teacher, substitute teacher, school administrator, school superintendent, guidance counselor, school counselor, psychologist, social worker, nurse, physician, school paraprofessional or coach employed by the Board or working in a public elementary, middle or high school; or (B) any other individual who, in the performance of the individual's duties, has regular contact with students and who provides services to or on behalf of students enrolled in a public elementary, middle or high school, pursuant to a contract with the Board.
- **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment (as defined under Title IX) against a respondent and requesting that the Administration investigate the allegation of sexual harassment. A "document filed by a complainant" means a document or electronic submission that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.
- **Respondent** means an individual who has been alleged to be the perpetrator of conduct that could constitute sexual harassment.
- **School days** means the days that school is in session as designated on the calendar posted on the Board's website. In its discretion, and when equitably applied and with proper notice to the parties, the District may consider business days during the summer recess as "school days" if such designation facilitates the prompt resolution of the grievance process.
- **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such

measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual restrictions on contact between the parties, increased security and monitoring, and other similar measures.

B. Reporting Sexual Harassment

1. It is the express policy of the Board to encourage victims of sexual harassment to report such claims. Any person may report sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice of sexual harassment or alleged sexual harassment against a person in the District's education program or activity, the Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, whether or not the complainant files a formal complaint, and will consider the complainant's wishes with respect to such measures. If the complainant has yet to file a formal complaint, the Title IX Coordinator will explain to the complainant the process for doing so.
2. The District will treat complainants and respondents equitably. A respondent is presumed not responsible for the alleged conduct and a determination regarding responsibility will be made at the conclusion of the grievance process if a formal complaint is filed. Nothing in these Administrative Regulations shall preclude the District from placing an employee respondent on administrative leave during the pendency of the grievance process. Further, nothing in these Administrative Regulations shall limit or preclude the District from removing a respondent from the District's education program or activity on an emergency basis, provided that the District undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. If a respondent is removed on an emergency basis, the District shall provide the respondent with notice and an opportunity to challenge the decision immediately following the removal.

C. Formal Complaint and Grievance Process

1. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed for the Title IX Coordinator. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the District's education programs or activity. A formal complaint may be signed by the Title IX Coordinator. If the formal complaint being filed is against the Title IX Coordinator, the formal complaint should be filed with the Superintendent. If the formal complaint being filed is against the Superintendent, the formal complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
2. The District may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same

facts or circumstances. If possible, formal complaints should be filed within ten (10) school days of the alleged occurrence in order to facilitate the prompt and equitable resolution of such claims. The District will attempt to complete the formal grievance process within ninety (90) school days of receiving a formal complaint. This timeframe may be temporarily delayed or extended in accordance with Subsection G of this Section.

3. Upon receipt of a formal complaint, if the Title IX Coordinator has not already discussed the availability of supportive measures with the complainant, the Title IX Coordinator will promptly contact the complainant to discuss the availability of such measures and consider the complainant's wishes with respect to them. The Title IX Coordinator or designee may also contact the respondent, separately from the complainant, to discuss the availability of supportive measures for the respondent. The District will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide such supportive measures.
4. Within ten (10) school days of receiving a formal complaint, the District will provide the known parties with written notice of the allegations potentially constituting sexual harassment under Title IX and a copy of this grievance process. The written notice must also include the following:
 - i. The identities of the parties involved in the incident, if known;
 - ii. The conduct allegedly constituting sexual harassment as defined above;
 - iii. The date and the location of the alleged incident, if known;
 - iv. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
 - v. A statement that the parties may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence; and
 - vi. A statement of any provision in the District's policies that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the District decides to investigate allegations about the complainant or respondent that are not included in the written notice, the District must provide notice of the additional allegations to the parties whose identities are known.

5. The parties may have an advisor of their choice accompany them during any grievance proceeding at which the party's attendance is required. The District may, in its discretion, establish certain restrictions regarding the extent to which an advisor may participate in the proceedings. If any such restrictions are established, they will be applied equally to all parties.
6. The Title IX Coordinator will, as applicable, promptly commence an investigation of the formal complaint, designate a school administrator to promptly investigate the formal complaint, or dismiss the formal complaint in accordance with Subsection F of this Section. The standard of evidence to be used to determine responsibility is the preponderance of the evidence standard (i.e., more likely than not). The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the District and not on the parties.

7. The parties will be given an equal opportunity to discuss the allegations under investigation with the investigator(s) and are permitted to gather and present relevant evidence. This opportunity includes presenting witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. Credibility determinations will not be based on a person's status as a complainant, respondent, or witness. The District will provide to a party whose participation is invited or expected (including a witness) written notice of the date, time, location, participants, and purpose of all hearings (if applicable), investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.
8. Both parties will be given an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. Prior to completion of the investigative report, the District will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have ten (10) school days to submit a written response, which the investigator(s) will consider prior to completion of the investigative report, as described in Paragraph 9 of this Subsection.
9. The investigator(s) will create an investigative report that fairly summarizes relevant evidence. The investigator(s) will send the investigative report, in an electronic format or hard copy, to each party and to each party's advisor for their review and written response
10. The Superintendent will appoint a decision-maker(s), who shall be a District employee or third-party contractor and who shall be someone other than the Title IX Coordinator or investigator(s). If the formal complaint filed is against the Superintendent, the Board Chair shall appoint the decision-maker, who shall be someone other than the Title IX Coordinator or investigator(s). The investigator(s) and the decision-maker(s) shall not discuss the investigation's facts and/or determination while the formal complaint is pending. The decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decisions to exclude a question as not relevant.
11. The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker must apply the preponderance of the evidence standard. The written determination will include: (1) identification of the allegations potentially constituting sexual harassment; (2) a description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held; (3) findings of fact supporting the determination; (4) conclusions regarding the application of the District's code of conduct to the facts; (5) a statement of, and rationale for, the result as to each allegation, including a

determination regarding responsibility, any disciplinary sanctions the District will impose on the respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the complainant; and (6) the District's procedures and permissible bases for the complainant and respondent to appeal. If the respondent is found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel), the written determination shall indicate whether the respondent engaged in sexual harassment as defined by the Board's Policy and these Administrative Regulations. The written determination will be provided to both parties simultaneously.

12. Student respondents found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) may be subject to discipline up to and including expulsion. Employee respondents found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) may be subject to discipline up to and including termination of employment. Other respondents may be subject to exclusion from the District's programs, activities and/or property. In appropriate circumstances, the District may make a criminal referral. Remedies will be designed to restore or preserve equal access to the District's education programs or activities.
13. After receiving notification of the decision-maker(s)' decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent may avail themselves of the appeal process set forth in Section E of this Section.

D. Informal Resolution

At any time prior to reaching a determination regarding responsibility, but only after the filing of a formal complaint, the District may suggest to the parties the possibility of facilitating an informal resolution process, such as mediation, to resolve the formal complaint without the need for a full investigation and adjudication. If it is determined that an informal resolution may be appropriate, the Title IX Coordinator or designee will consult with the parties.

Prior to facilitating an informal resolution to a formal complaint, the Title IX Coordinator or designee will provide the parties with written notice disclosing the sexual harassment allegations, the requirements of an informal resolution process, and any consequences from participating in the informal resolution process. Upon receipt of this document, complainants and respondents have five (5) school days to determine whether they consent to participation in the informal resolution. The District must obtain voluntary, written consent to the informal resolution process from both parties.

Prior to agreeing to any resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. If a satisfactory resolution is reached through this informal process, the matter will be considered resolved. If these efforts are unsuccessful, the formal grievance process will continue.

Nothing in this section precludes an employee from filing a complaint of retaliation for matters related to an informal resolution, nor does it preclude either party from filing complaints based on conduct that is alleged to occur following the District's facilitation of the informal resolution.

An informal resolution is not permitted to resolve allegations that an employee sexually harassed a student.

E. Appeal Process

After receiving notification of the decision-maker(s)' decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent have five (5) school days to submit a formal letter of appeal to the Title IX Coordinator specifying the grounds upon which the appeal is based. Upon receipt of an appeal, the Superintendent shall appoint a decision-maker(s) for the appeal, who shall be someone other than the Title IX Coordinator, investigator(s) or initial decision-maker(s).

Appeals will be appropriate only in the following circumstances:

- new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
- procedural irregularity that affected the outcome of the matter;
- the Title IX Coordinator, investigator(s), and/or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter. A conflict of interest or bias does not exist solely because the Title IX Coordinator, investigators(s), and/or decision-maker(s) previously worked with or disciplined the complainant or respondent.

The District will provide the other party with written notice of such appeal. The appealing party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the grievance process. The decision-maker(s) for the appeal will provide the appealing party's written statement to the other party. The other party will then have ten (10) school days to submit to the decision-maker for the appeal a written statement in support of, or challenging, the outcome of the grievance process. The decision-maker(s) for the appeal, in their discretion, will determine any additional necessary and appropriate procedures for the appeal.

After considering the parties' written statements, the decision-maker(s) for the appeal will provide a written decision. The decision-maker(s) for the appeal will attempt to issue the written decision within thirty (30) school days of receipt of all written statements from the parties. If it is found that one of the bases for appeal exists, the decision-maker(s) for the appeal will issue an appropriate remedy.

Supportive measures for either or both parties may be continued throughout the appeal process.

F. Dismissal of a Formal Complaint

The Title IX Coordinator shall dismiss any formal complaint that, under Title IX, 1) would not constitute sexual harassment as defined under Title IX even if proved, 2) did not occur in the District's education program or activity, or 3) did not occur against a person in the United States. Such dismissal does not preclude action under another Board policy.

The District may dismiss a formal complaint or any allegations therein, if at any time during the investigation or hearing a complainant notifies the Title IX Coordinator in writing that 1) the complainant would like to withdraw the formal complaint or any allegations therein; 2) the respondent is no longer enrolled or employed in the District; or 3) specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal, the District will promptly and simultaneously send written notice of the dismissal and reason(s) therefor to each party. Either party can appeal from the District's dismissal of a formal complaint or any allegations therein using the appeals procedure.

In the event a formal complaint is dismissed prior to the issuance of a decision under Title IX, the Title IX Coordinator shall determine if the allegations of sexual harassment shall proceed through the grievance procedures identified in Section II of these Administrative Regulations for claims of sex discrimination for consideration as to whether the allegations constitute sexual harassment under Title VII or Connecticut law.

A dismissal pursuant to this section does not preclude action by the District under the Student Discipline policy, Code of Conduct for students/or and employees, or any other applicable rule, policy, and/or collective bargaining agreement.

G. Miscellaneous

1. Any timeframe set forth in these Administrative Regulations may be temporarily delayed or extended for good cause. Good cause may include, but is not limited to, considerations such as the absence or illness of a party, a party's advisor, or a witness; concurrent law enforcement activity; concurrent activity by the Department of Children and Families; or the need for language assistance or accommodation of disabilities. If any timeframe is altered on a showing of good cause, written notice will be provided to each party with the reasons for the action.
2. If a sexual harassment complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.
3. If the sexual harassment complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.
4. Retaliation against any individual who complains pursuant to the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) and these Administrative Regulations is strictly prohibited. Neither the District nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or these Administrative Regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under these Administrative Regulations. The District will take actions designed to prevent retaliation. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.
5. The District will maintain for a period of seven (7) years records of:

- i. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the Board's education program or activity;
- ii. Any appeal and the result therefrom;
- iii. Any informal resolution and the result therefrom; and
- iv. All material used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The Board will make these training materials publicly available on its website.

If the District has actual knowledge of sexual harassment in an education program or activity of the Board, and for any report or formal complaint of sexual harassment, the District will create and maintain for a period of seven (7) years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. The District will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the Board's education program or activity. If the District does not provide a complainant with supportive measures, then the District will document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

SECTION II. GRIEVANCE PROCEDURES FOR CLAIMS OF SEX DISCRIMINATION (OTHER THAN SEXUAL HARASSMENT UNDER TITLE IX)

A. Definitions

- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sex discrimination.
- **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sex discrimination.

B. Reporting Sex Discrimination Other than Sexual Harassment under Title IX

It is the express policy of the Board to encourage victims of sex discrimination to report such claims. Any person may report sex discrimination (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice of sex discrimination or alleged sex discrimination against a person in the District's education program or activity, the Title IX Coordinator or designee will promptly notify the complainant of the grievance process. The District will treat complainants and respondents equitably during the grievance process. Sexual harassment is a form of sex discrimination, and any incident of sexual harassment under Title IX, as defined above, shall be handled pursuant to Section I of these Administrative Regulations. Any allegations of sexual harassment under Title VII or Connecticut law, as defined above, shall be handled pursuant to this Section II of these Administrative Regulations.

C. Grievance Procedures

1. As soon as an employee feels that the employee has been subjected to sex discrimination other than sexual harassment as defined under Title IX (including, without limitation, sexual harassment under Title VII or Connecticut law), the employee should make a written complaint to the Title IX Coordinator or to the building principal, or designee. The employee will be provided a copy of the Board's Policy and Administrative Regulations and made aware of the employee's rights under this Policy and Administrative Regulations. Preferably, complaints should be filed within ten (10) school days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints.
2. The complaint should state the:
 - i. Name of the complainant;
 - ii. Date of the complaint;
 - iii. Date(s) of the alleged discrimination;
 - iv. Name(s) of the discriminator(s);
 - v. Location where such discrimination occurred;
 - vi. Names of any witness(es) to the discrimination;
 - vii. Detailed statement of the circumstances constituting the alleged discrimination; and
 - viii. Remedy requested.
3. Any employee who makes an oral complaint of sex discrimination to any of the above-mentioned personnel will be provided a copy of these Administrative Regulations and will be requested to make a written complaint pursuant to the above procedure.
4. All complaints are to be forwarded immediately to the building principal or designee unless that individual is the subject of the complaint, in which case the complaint should be forwarded directly to the Superintendent of Schools or designee. In addition, a copy of any complaint filed under this Policy shall be forwarded to the Title IX Coordinator. If the complaint being filed is against the Title IX Coordinator, the complaint should be filed with the Superintendent. If the complaint being filed is against the Superintendent, the complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
5. The Title IX Coordinator or designee shall investigate all complaints of sex discrimination against an employee, regardless of whether the conduct occurred on or off-school grounds. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information, and other extenuating circumstances. The investigation shall be conducted discreetly, maintaining confidentiality insofar as possible while still conducting an effective and thorough investigation.
6. Any employee who makes a complaint shall be notified of the District's intent to investigate the complaint. In the event the employee requests confidentiality or that an investigation not be conducted, the District will take reasonable steps to investigate and respond to the complaint to the extent possible, given the request for confidentiality or that the District not investigate the complaint. If the employee insists that this information not be shared with the alleged discriminator(s), the employee will be informed that the District's ability to investigate and/or take corrective action may be limited.
7. Upon receipt of a sex discrimination complaint, the Title IX Coordinator shall either promptly commence an investigation of the complaint, or shall designate a school administrator to promptly investigate the complaint. The Title IX Coordinator or designee shall:

- i. offer to meet with the complainant and respondent (if applicable) separately within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant and respondent (if applicable) believe have relevant information, and obtain any relevant documents the complainant and respondent may have;
 - ii. provide the complainant and respondent (if applicable) with a copy of the Board's sex discrimination policy and accompanying regulations;
 - iii. consider whether any interim measures may be appropriate to protect the complainant or respondent (if applicable), pending the outcome of the investigation;
 - iv. conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint;
 - v. consider whether alleged sex discrimination has created a hostile work environment, including consideration of the effects of off-campus conduct on the school;
 - vi. communicate the outcome of the investigation in writing to the complainant, to the respondent, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within ninety (90) school days from the date the complaint was received by the Superintendent's office. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and respondent (if applicable) shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will remedy the discrimination, adhering to the requirements of state and federal law; and
 - vii. when sex discrimination has been found, take steps that are reasonably calculated to end the discrimination, take corrective and/or disciplinary action aimed at preventing the recurrence of the discrimination, as deemed appropriate by the Superintendent or designee, and take steps to remedy the effects of the sex discrimination.
8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent will receive notice and interim measures may be implemented as necessary.
9. If the complainant or respondent (if applicable) is dissatisfied with the findings of the investigation, the complainant or respondent may file a written appeal within five (5) school days to the Title IX Coordinator, or, if the Title IX Coordinator conducted the investigation, to the Superintendent of Schools. The Title IX Coordinator or Superintendent shall review the Title IX Coordinator or designee's written report, the information collected by the Title IX Coordinator or designee together with the recommended disposition of the complaint to determine whether the alleged conduct constitutes sex discrimination. The Title IX Coordinator or Superintendent of Schools may determine if further action and/or investigation is warranted. After completing this review, the Title IX Coordinator or

Superintendent of Schools shall respond to the complainant and respondent (if applicable), in writing, within fifteen (15) school days following the receipt of the written request for review.

D. Miscellaneous

1. If a sex discrimination complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.
2. If the sex discrimination complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.
3. Retaliation against any individual who complains pursuant to the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) and these Administrative Regulations is strictly prohibited. Neither the District nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or these Administrative Regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under these Administrative Regulations. The District will take actions designed to prevent retaliation as a result of filing a complaint. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.

It is the policy of the Manchester Board of Education (the “Board”) for the Manchester Public Schools (the “District”) that any form of sex discrimination or sexual harassment is prohibited in the Board’s education programs and activities, whether by students, Board employees or third parties subject to substantial control by the Board. The Board does not discriminate on the basis of sex in the education programs or activities that it operates and the Board is required by Title IX of the Education Amendments of 1972 and its implementing regulations (“Title IX”) and Connecticut law not to discriminate in such a manner. Discrimination or harassment on the basis of sex includes discrimination or harassment on the basis of gender identity or sexual orientation. Students, Board employees and third parties are required to adhere to a standard of conduct that is respectful of the rights of students, employees and third parties. Any student or employee who engages in conduct prohibited by this Policy shall be subject to disciplinary action, up to and including expulsion or termination, respectively.

For conduct to violate Title IX, the conduct must have occurred in an education program or activity of the Board; the conduct must have occurred within the United States of America; and the complainant must be participating in or attempting to participate in the education program or activity of the Board. Conduct that does not meet these requirements still may constitute a violation of Connecticut law or another Board policy.

The Superintendent of Schools shall develop Administrative Regulations implementing this Policy and in accordance with Title IX and Connecticut law (the “Administrative Regulations”).

Sex discrimination occurs when a person, because of the person’s sex, is denied participation in or the benefits of any education program or activity receiving federal financial assistance.

Sexual harassment under Title IX means conduct on the basis of sex that satisfies one or more of the following:

- (1) An employee of the Board conditioning the provision of an aid, benefit, or service of the Board on an individual’s participation in unwelcome sexual conduct (*i.e., quid pro quo*);
- (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the Board’s education programs or activities; or
- (3) “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

Sexual harassment under Connecticut law means conduct in a school setting that 1) is sexual in nature; 2) is unwelcome; and 3) denies or limits a student’s ability to participate in or benefit from a school’s educational program. Sexual harassment can be verbal, nonverbal or physical. Sexual violence is a form of sexual harassment.

Reporting Sex Discrimination or Sexual Harassment

It is the express policy of the Board to encourage victims of sex discrimination and/or sexual harassment to report such claims. Students are encouraged to report complaints of sex discrimination and/or sexual harassment promptly in accordance with the appropriate process set forth in the Administrative Regulations.

The Board directs its employees to respond to such complaints in a prompt and equitable manner. The Board further directs its employees to maintain confidentiality to the extent appropriate and not tolerate any reprisals or retaliation that occur as a result of the good faith reporting of charges of sex discrimination and/or sexual harassment. Any such reprisals or retaliation will result in disciplinary action against the retaliator, up to and including expulsion or termination as appropriate.

Any Board employee with notice of sex discrimination and/or sexual harassment allegations shall immediately report such information to the building principal and/or the Title IX Coordinator, or if the employee does not work in a school building, to the Title IX Coordinator.

The Manchester Public Schools administration (the "Administration") shall provide training to Title IX Coordinator(s), investigators, decision-makers, and any person who facilitates an informal resolution process (as set forth in the Administrative Regulations), which training shall include but need not be limited to, the definitions of sex discrimination and sexual harassment, the scope of the Board's education program and activity, how to conduct an investigation and grievance process, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. The Administration shall make the training materials used to provide these trainings publicly available on the Board's website. The Administration shall also periodically provide training to all Board employees on the topic of sex discrimination and sexual harassment under Title IX and Connecticut law, which shall include but not be limited to when reports of sex discrimination and/or sexual harassment must be made. The Administration shall distribute this Policy and the Administrative Regulations to staff, students and parents and legal guardians and make the Policy and the Administrative Regulations available on the Board's website to promote an environment free of sex discrimination and sexual harassment.

ADMINISTRATIVE REGULATIONS REGARDING TITLE IX OF THE EDUCATION AMENDMENTS OF 1972 - PROHIBITION OF SEX DISCRIMINATION AND SEXUAL HARASSMENT (STUDENTS)

It is the policy of the Manchester Board of Education (the “Board”) for the Manchester Public Schools (“the District”) that any form of sex discrimination or sexual harassment is prohibited, whether by students, District employees or third parties subject to substantial control by the Board. Discrimination or harassment on the basis of sex includes discrimination or harassment on the basis of gender identity or sexual orientation. Students, District employees and third parties are expected to adhere to a standard of conduct that is respectful of the rights of students, District employees, and third parties. Any student or employee who engages in conduct prohibited by the Board’s Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) shall be subject to disciplinary action. Any third party who engages in conduct prohibited by the Board’s Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) shall be subject to remedial measures, which may include exclusion from school property.

Sex discrimination occurs when a person, because of the person’s sex, is denied participation in or the benefits of any education program or activity receiving federal financial assistance.

Sexual harassment under Title IX means conduct on the basis of sex that satisfies one or more of the following:

- (1) An employee of the Board conditioning the provision of an aid, benefit, or service of the Board on an individual’s participation in unwelcome sexual conduct (i.e., *quid pro quo*);
- (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District’s education programs or activities; or
- (3) “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30). These definitions can be found in Appendix A of these Administrative Regulations.

Sexual harassment under Connecticut law means conduct in a school setting that 1) is sexual in nature; 2) is unwelcome; and 3) denies or limits a student’s ability to participate in or benefit from a school’s educational program. Sexual harassment can be verbal, nonverbal or physical. Sexual violence is a form of sexual harassment.

Although not an exhaustive list, the following are other examples of conduct prohibited by the Board’s Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students):

1. Statements or other conduct indicating that a student’s submission to, or rejection of, sexual overtures or advances will affect the student’s grades and/or other academic progress.
2. Unwelcome attention and/or advances of a sexual nature, including verbal comments, sexual invitations, leering and physical touching.
3. Display of sexually suggestive objects, or use of sexually suggestive or obscene remarks, invitations, letters, emails, text messages, notes, slurs, jokes, pictures, cartoons, epithets or gestures.

NOTICE OF THE TITLE IX COORDINATOR

The District's Title IX Coordinator is Sinthia Sone-Moyano, Assistant Superintendent Any individual may make a report of sex discrimination and/or sexual harassment to any District employee or directly to the Title IX Coordinator using any one, or multiple, of the following points of contact

Sinthia Sone-Moyano
Assistant Superintendent
45 North School Street
Manchester, CT 06042
sinthias@mpspride.org
860-647-3451

Any District employee in receipt of allegations of sex discrimination or sexual harassment, or in receipt of a formal complaint, shall immediately forward such information to the Title IX Coordinator. The Title IX Coordinator manages the District's compliance with Title IX and Connecticut law regarding sexual harassment and sex discrimination and is an available resource to anyone seeking information or wishing to file a formal complaint of same. When a student, District employee, or other participant in the District's programs and activities feels that such person has been subjected to discrimination on the basis of sex in any District program or activity, including without limitation being subjected to sexual harassment, such person may contact the Title IX Coordinator or utilize the Title IX grievance systems set forth herein to bring concerns forward for the purpose of obtaining a prompt and equitable resolution.

EXPLANATION OF COMPLAINT PROCESS AND PROCEDURE

The federal regulations implementing Title IX require the adoption and publication of two separate grievance systems: a grievance process for complaints of sex discrimination involving allegations of sexual harassment and grievance procedures for complaints of sex discrimination that are not sexual harassment. Accordingly, the Administration will process any complaints of sex discrimination involving allegations of sexual harassment, as defined above, pursuant to the **grievance process** set forth in Section I of these regulations. The Administration will process any complaints of sex discrimination that are not sexual harassment pursuant to the **grievance procedures** set forth in Section II of these regulations.

The District will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex

discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA), or as required by law, or to carry out the purposes of these Administrative Regulations, including the conduct of any investigation, hearing, or judicial proceeding arising from these Administrative Regulations.

The obligation to comply with Title IX is not obviated or alleviated by the FERPA.

SECTION I. GRIEVANCE PROCESS FOR COMPLAINTS OF SEXUAL HARASSMENT UNDER TITLE IX

A. Definitions

- **Bias** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) demonstrate actual bias, rather than the appearance of bias. Actual bias includes, but is not limited to, demonstrated personal animus against the respondent or the complainant and/or prejudgment of the facts at issue in the investigation.
- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
- A **conflict of interest** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) have personal, financial and/or familial interests that affected the outcome of the investigation.
- **Consent** means an active, clear and voluntary agreement by a person to engage in sexual activity with another person (also referred to hereafter as “affirmative consent”).

For the purposes of an investigation conducted pursuant to these Administrative Regulations, the following principles shall be applied in determining whether consent for sexual activity was given and/or sustained:

- A. Affirmative consent is the standard used in determining whether consent to engage in sexual activity was given by all persons who engaged in the sexual activity.
- B. Affirmative consent may be revoked at any time during the sexual activity by any person engaged in the sexual activity.
- C. It is the responsibility of each person engaging in a sexual activity to ensure that the person has the affirmative consent of all persons engaged in the sexual activity to engage in the sexual activity and that the affirmative consent is sustained throughout the sexual activity.
- D. It shall not be a valid excuse to an alleged lack of affirmative consent that the respondent to the alleged violation believed that the complainant consented to the sexual activity:
 - (i) because the respondent was intoxicated or reckless or failed to take reasonable steps to ascertain whether the complainant consented, or
 - (ii) if the respondent knew or should have known that the complainant was unable to consent because such individual was unconscious, asleep, unable to communicate due to a

mental or physical condition, unable to consent due to the age of the individual or the age difference between the individual and the respondent, or incapacitated due to the influence of drugs, alcohol or medication.

E. The existence of a past or current dating or sexual relationship between the complainant and the respondent, in and of itself, shall not be determinative of a finding of consent.

- For purposes of investigations and complaints of sexual harassment, **education program or activity** includes locations, events, or circumstances over which the Board exercises substantial control over both the respondent and the context in which the sexual harassment occurs.
- **Employee** means (A) a teacher, substitute teacher, school administrator, school superintendent, guidance counselor, school counselor, psychologist, social worker, nurse, physician, school paraprofessional or coach employed by the Board or working in a public elementary, middle or high school; or (B) any other individual who, in the performance of the individual's duties, has regular contact with students and who provides services to or on behalf of students enrolled in a public elementary, middle or high school, pursuant to a contract with the Board.
- **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment (as defined under Title IX) against a respondent and requesting that the Administration investigate the allegation of sexual harassment. A "document filed by a complainant" means a document or electronic submission that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.
- **Respondent** means an individual who has been alleged to be the perpetrator of conduct that could constitute sexual harassment.
- **School days** means the days that school is in session as designated on the calendar posted on the Board's website. In its discretion, and when equitably applied and with proper notice to the parties, the District may consider business days during the summer recess as "school days" if such designation facilitates the prompt resolution of the grievance process.
- **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual restrictions on contact between the parties, increased security and monitoring, and other similar measures.

B. Reporting Sexual Harassment

1. It is the express policy of the Board to encourage victims of sexual harassment to report such claims. Any person may report sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX

Coordinator. If the District receives notice of sexual harassment or alleged sexual harassment against a student in the District's education program or activity, the Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, whether or not the complainant files a formal complaint, and will consider the complainant's wishes with respect to such measures. If the complainant has yet to file a formal complaint, the Title IX Coordinator will explain to the complainant the process for doing so.

2. The District will treat complainants and respondents equitably. A respondent is presumed not responsible for the alleged conduct and a determination regarding responsibility will be made at the conclusion of the grievance process if a formal complaint is filed. Nothing in this Regulation shall limit or preclude the District from removing a respondent from the District's education program or activity on an emergency basis, provided that the District undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. If a respondent is removed on an emergency basis, the District shall provide the respondent with notice and an opportunity to challenge the decision immediately following the removal.

C. Formal Complaint and Grievance Process

1. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed for the Title IX Coordinator. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the District's education programs or activity. A formal complaint may be signed by the Title IX Coordinator. If the formal complaint being filed is against the Title IX Coordinator, the formal complaint should be filed with the Superintendent. If the formal complaint being filed is against the Superintendent, the formal complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
2. The District may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. If possible, formal complaints should be filed within ten (10) school days of the alleged occurrence in order to facilitate the prompt and equitable resolution of such claims. The District will attempt to complete the formal grievance process within ninety (90) school days of receiving a formal complaint. This timeframe may be temporarily delayed or extended in accordance with Subsection G of this Section.
3. Upon receipt of a formal complaint, if the Title IX Coordinator has not already discussed the availability of supportive measures with the complainant, the Title IX Coordinator will promptly contact the complainant to discuss the availability of such measures and consider the complainant's wishes with respect to them. The Title IX Coordinator or designee may also contact the respondent, separately from the complainant, to discuss the availability of supportive measures for the respondent. The District will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide such supportive measures.

4. Within ten (10) school days of receiving a formal complaint, the District will provide the known parties with written notice of the allegations potentially constituting sexual harassment under Title IX and a copy of this grievance process. The written notice must also include the following:

- i. The identities of the parties involved in the incident, if known;
- ii. The conduct allegedly constituting sexual harassment as defined above;
- iii. The date and the location of the alleged incident, if known;
- iv. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- v. A statement that the parties may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence; and
- vi. A statement of any provision in the District's Student Discipline Policy or any other policy that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the District decides to investigate allegations about the complainant or respondent that are not included in the written notice, the District must provide notice of the additional allegations to the parties whose identities are known.

5. The parties may have an advisor of their choice accompany them during any grievance proceeding at which the party's attendance is required. The District may, in its discretion, establish certain restrictions regarding the extent to which an advisor may participate in the proceedings. If any such restrictions are established, they will be applied equally to all parties.
6. The Title IX Coordinator will, as applicable, promptly commence an investigation of the formal complaint, designate a school administrator to promptly investigate the formal complaint, or dismiss the formal complaint in accordance with Subsection F of this Section. The standard of evidence to be used to determine responsibility is the preponderance of the evidence standard (i.e., more likely than not). The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the District and not on the parties.
7. The parties will be given an equal opportunity to discuss the allegations under investigation with the investigator(s) and are permitted to gather and present relevant evidence. This opportunity includes presenting witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. Credibility determinations will not be based on a person's status as a complainant, respondent, or witness. The District will provide to a party whose participation is invited or expected (including a witness), written notice of the date, time, location, participants, and purpose of all hearings (if applicable), investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.
8. Both parties will be given an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. Prior to completion of the investigative report, the District will send to each party and the

party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have ten (10) school days to submit a written response, which the investigator(s) will consider prior to completion of the investigative report, as described in Paragraph 9 of this Subsection.

9. The investigator(s) will create an investigative report that fairly summarizes relevant evidence. The investigator(s) will send the investigative report, in an electronic format or hard copy, to each party and to each party's advisor for their review.
10. The Superintendent will appoint a decision-maker(s), who shall be a District employee or third-party contractor and who shall be someone other than the Title IX Coordinator or investigator(s). If the formal complaint filed is against the Superintendent, the Board Chair shall appoint the decision-maker, who shall be a District employee or third-party contractor and who shall be someone other than the Title IX Coordinator or investigator(s). The investigator(s) and the decision-maker(s) shall not discuss the investigation's facts and/or determination while the formal complaint is pending. The decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decisions to exclude a question as not relevant.
11. The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker must apply the preponderance of the evidence standard. The written determination will include: (1) identification of the allegations potentially constituting sexual harassment; (2) a description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held; (3) findings of fact supporting the determination; (4) conclusions regarding the application of the District's code of conduct to the facts; (5) a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the District will impose on the respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the complainant; and (6) the District's procedures and permissible bases for the complainant and respondent to appeal. If the respondent is found responsible for violating the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students), the written determination shall indicate whether the respondent engaged in sexual harassment as defined by the Board's Policy and these Administrative Regulations. The written determination will be provided to both parties simultaneously.
12. Student respondents found responsible for violating the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) may be subject to discipline up to and including expulsion. Employee respondents found responsible for violating the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of

Sex Discrimination and Sexual Harassment (Students) may be subject to discipline up to and including termination of employment. Other respondents may be subject to exclusion from the District's programs, activities and/or property. In appropriate circumstances, the District may make a criminal referral. Remedies will be designed to restore or preserve equal access to the District's education programs or activities.

13. After receiving notification of the decision-maker's decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent may avail themselves of the appeal process set forth in Subsection E of this Section.

D. Informal Resolution

At any time prior to reaching a determination regarding responsibility, but only after the filing of a formal complaint, the District may suggest to the parties the possibility of facilitating an informal resolution process, such as mediation, to resolve the formal complaint without the need for a full investigation and adjudication. If it is determined that an informal resolution may be appropriate, the Title IX Coordinator or designee will consult with the parties.

Prior to facilitating an informal resolution to a formal complaint, the Title IX Coordinator or designee will provide the parties with written notice disclosing the sexual harassment allegations, the requirements of an informal resolution process, and any consequences from participating in the informal resolution process. Upon receipt of this document, complainants and respondents have five (5) school days to determine whether they consent to participation in the informal resolution. The District must obtain voluntary, written consent to the informal resolution process from both parties.

Prior to agreeing to any resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. If a satisfactory resolution is reached through this informal process, the matter will be considered resolved. If these efforts are unsuccessful, the formal grievance process will continue.

Nothing in this section precludes a student from filing a complaint of retaliation for matters related to an informal resolution, nor does it preclude either party from filing complaints based on conduct that is alleged to occur following the District's facilitation of the informal resolution.

An informal resolution is not permitted to resolve allegations that an employee sexually harassed a student.

E. Appeal Process

After receiving notification of the decision-maker's decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent have five (5) school days to submit a formal letter of appeal to the Title IX Coordinator specifying the grounds upon which the appeal is based. Upon receipt of an appeal, the Superintendent shall appoint a decision-maker(s) for the appeal, who shall be someone other than the Title IX Coordinator, investigator(s), or initial decision-maker(s).

Appeals will be appropriate only in the following circumstances:

- new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
- procedural irregularity that affected the outcome of the matter;
- the Title IX Coordinator, investigator(s), and/or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter. A conflict of interest or bias does not exist solely because the Title IX Coordinator, investigators(s), and/or decision-maker(s) previously worked with or disciplined the complainant or respondent.

The District will provide the other party with written notice of such appeal. The appealing party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the grievance process. The decision-maker(s) for the appeal will provide the appealing party's written statement to the other party. The other party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the grievance process. The decision-maker(s) for the appeal, in their discretion, will determine any additional necessary and appropriate procedures for the appeal.

After considering the parties' written statements, the decision-maker(s) for the appeal will provide a written decision. The decision-maker(s) for the appeal will attempt to issue the written decision within thirty (30) school days of receipt of all written statements from the parties. If it is found that one of the bases for appeal exists, the decision-maker(s) for the appeal will issue an appropriate remedy.

Supportive measures for either or both parties may be continued throughout the appeal process.

F. Dismissal of a Formal Complaint

The Title IX Coordinator shall dismiss any formal complaint that, under Title IX 1) would not constitute sexual harassment as defined under Title IX even if proved, 2) did not occur in the District's education program or activity, or 3) did not occur against a person in the United States. Such dismissal does not preclude action under another Board policy.

The District may dismiss a formal complaint or any allegations therein, if at any time during the investigation or hearing a complainant notifies the Title IX Coordinator in writing that 1) the complainant would like to withdraw the formal complaint or any allegations therein; 2) the respondent is no longer enrolled or employed in the District; or 3) specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal, the District will promptly and simultaneously send written notice of the dismissal and reason(s) therefor to each party. Either party can appeal from the District's dismissal of a formal complaint or any allegations therein using the appeals procedure.

In the event a formal complaint is dismissed prior to the issuance of a decision under Title IX, the Title IX Coordinator shall determine if the allegations of sexual harassment shall proceed through the grievance procedures identified in Section II of these Administrative Regulations for claims of sex discrimination for consideration as to whether the allegations constitute sexual harassment under Connecticut law.

A dismissal pursuant to this section does not preclude action by the District under the Student Discipline policy, Code of Conduct for students/or and employees, or any other applicable rule, policy, and/or collective bargaining agreement.

G. Miscellaneous

1. Any timeframe set forth in these Administrative Regulations may be temporarily delayed or extended for good cause. Good cause may include, but is not limited to, considerations such as the absence or illness of a party, a party's advisor, or a witness; concurrent law enforcement activity; concurrent activity by the Department of Children and Families; or the need for language assistance or accommodation of disabilities. If any timeframe is altered on a showing of good cause, written notice will be provided to each party with the reasons for the action.
2. If a sexual harassment complaint raises a concern about bullying behavior, the Title IX Coordinator shall notify the Safe School Climate Specialist or designee who shall coordinate any bullying investigation with the Title IX Coordinator, to promote the alignment of any such bullying investigation with the requirements of applicable Board policies and state law. Additionally, if a sexual harassment complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.
3. If the sexual harassment complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.
4. Retaliation against any individual who complains pursuant to the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) and these Administrative Regulations is strictly prohibited. Neither the District nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or these Administrative Regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under these Administrative Regulations. The District will take actions designed to prevent retaliation. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.
5. The District will maintain for a period of seven (7) years records of:
 - i. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the Board's education program or activity;
 - ii. Any appeal and the result therefrom;
 - iii. Any informal resolution and the result therefrom; and

- iv. All material used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The Board will make these training materials publicly available on its website.

If the District has actual knowledge of sexual harassment in an education program or activity of the Board, and for any report or formal complaint of sexual harassment, the District will create and maintain for a period of seven (7) years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. The District will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the Board's education program or activity. If the District does not provide a complainant with supportive measures, then the District will document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

SECTION II. GRIEVANCE PROCEDURES FOR CLAIMS OF SEX DISCRIMINATION (OTHER THAN SEXUAL HARASSMENT UNDER TITLE IX)

A. Definitions

- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sex discrimination.
- **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sex discrimination.

B. Reporting Sex Discrimination Other than Sexual Harassment under Title IX

It is the express policy of the Board to encourage victims of sex discrimination to report such claims. Any person may report sex discrimination (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice of sex discrimination or alleged sex discrimination against a student in the District's education program or activity, the Title IX Coordinator or designee will promptly notify the complainant of the grievance process. The District will treat complainants and respondents equitably during the grievance process. Sexual harassment is a form of sex discrimination, and any incident of sexual harassment under Title IX, as defined above, shall be handled pursuant to Section I of these Administrative Regulations. Any allegations of sexual harassment under Connecticut law, as defined above, shall be handled pursuant to this Section II of these Administrative Regulations.

C. Grievance Procedures

1. As soon as a student feels that the student has been subjected to sex discrimination other than sexual harassment as defined under Title IX (including, without limitation, sexual harassment under Connecticut law), the student or the student's parent/legal guardian should make a written complaint to the Title IX Coordinator or to the building principal, or designee. The student will be provided a copy of the Board's Policy and Administrative Regulations and made aware of the student's rights under this Policy and Administrative Regulations. Preferably, complaints should be filed within ten (10) school

days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints.

2. The complaint should state the:

- i. Name of the complainant;
- ii. Date of the complaint;
- iii. Date(s) of the alleged discrimination;
- iv. Name(s) of the discriminator(s);
- v. Location where such discrimination occurred;
- vi. Names of any witness(es) to the discrimination;
- vii. Detailed statement of the circumstances constituting the alleged discrimination; and
- viii. Remedy requested.

3. Any student who makes an oral complaint of sex discrimination to any of the above-mentioned personnel will be provided a copy of these Administrative Regulations and will be requested to make a written complaint pursuant to the above procedure. In appropriate circumstances, such as due to the age of the student making the complaint, a parent or school administrator may be permitted to fill out the form on the student's behalf.
4. All complaints are to be forwarded immediately to the building principal or designee unless that individual is the subject of the complaint, in which case the complaint should be forwarded directly to the Superintendent of Schools or designee. In addition, a copy of any complaint filed under this Policy shall be forwarded to the Title IX Coordinator. If the complaint being filed is against the Title IX Coordinator, the complaint should be filed with the Superintendent. If the complaint being filed is against the Superintendent, the complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
5. The Title IX Coordinator or designee shall investigate all complaints of sex discrimination against a student, regardless of whether the conduct occurred on or off-school grounds. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information, and other extenuating circumstances. The investigation shall be conducted discreetly, maintaining confidentiality insofar as possible while still conducting an effective and thorough investigation.
6. Any student who makes a complaint shall be notified of the District's intent to investigate the complaint. In the event the student requests confidentiality or that an investigation not be conducted, the District will take reasonable steps to investigate and respond to the complaint to the extent possible, given the request for confidentiality or that the District not investigate the complaint. If the student insists that the student's personally identifiable information not be shared with the alleged discriminator(s), the student will be informed that the District's ability to investigate and/or take corrective action may be limited.
7. Upon receipt of a sex discrimination complaint, the Title IX Coordinator shall either promptly commence an investigation of the complaint, or shall designate a school administrator to promptly investigate the complaint. The Title IX Coordinator or designee shall:
 - i. offer to meet with the complainant and respondent (if applicable) separately within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant and respondent (if applicable) believe have relevant information, and obtain any relevant documents the complainant and respondent may have;

- ii. provide the complainant and respondent (if applicable) with a copy of the Board's sex discrimination policy and accompanying regulations;
 - iii. consider whether any interim measures may be appropriate to protect the complainant or respondent (if applicable), pending the outcome of the investigation;
 - iv. conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint;
 - v. consider whether alleged sex discrimination has created a hostile school environment, including consideration of the effects of off-campus conduct on the school;
 - vi. communicate the outcome of the investigation in writing to the complainant, to the respondent, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within ninety (90) school days from the date the complaint was received by the Superintendent's office. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and respondent (if applicable) shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will remedy the discrimination, adhering to the requirements of state and federal law; and
 - vii. when sex discrimination has been found, take steps that are reasonably calculated to end the discrimination, take corrective and/or disciplinary action aimed at preventing the recurrence of the discrimination, as deemed appropriate by the Superintendent or designee, and take steps to remedy the effects of the sex discrimination.
8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent will receive notice and interim measures may be implemented as necessary.
9. If the complainant or respondent (if applicable) is dissatisfied with the findings of the investigation, the complainant or respondent may file a written appeal within five (5) school days to the Title IX Coordinator, or, if the Title IX Coordinator conducted the investigation, to the Superintendent of Schools. The Title IX Coordinator or Superintendent shall review the Title IX Coordinator or designee's written report, the information collected by the Title IX Coordinator or designee together with the recommended disposition of the complaint to determine whether the alleged conduct constitutes sex discrimination. The Title IX Coordinator or Superintendent of Schools may determine if further action and/or investigation is warranted. After completing this review, the Title IX Coordinator or Superintendent of Schools shall respond to the complainant and respondent (if applicable), in writing, within fifteen (15) school days following the receipt of the written request for review.

D. Miscellaneous

1. If a sex discrimination complaint raises a concern about bullying behavior, the Title IX Coordinator shall notify the Safe School Climate Specialist or designee who shall coordinate any bullying investigation with the Title IX Coordinator, to promote the alignment of any such bullying investigation with the requirements of applicable Board policies and state law. Additionally, if a sex discrimination complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.
2. If the sex discrimination complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.
3. Retaliation against any individual who complains pursuant to the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) and these Administrative Regulations is strictly prohibited. Neither the District nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or these Administrative Regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under these Administrative Regulations. The District will take actions designed to prevent retaliation as a result of filing a complaint. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.

Section III. Further Reporting

At any time, a complainant alleging sex discrimination or sexual harassment may also file a complaint with the Office for Civil Rights, Boston Office, U.S. Department of Education, 8th Floor, 5 Post Office Square, Boston, MA 02109-3921 (Telephone (617) 289-0111).

ADMINISTRATIVE REGULATIONS REGARDING DISCRIMINATION COMPLAINTS (COMMUNITY MEMBERS)

It is the policy of the Manchester Board of Education (the “Board”) that any form of discrimination or harassment on the basis of protected characteristics such as race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, or veteran status is forbidden, whether by students, Board employees or third parties subject to the control of the Board. Students, Board employees and third parties are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

It is the express policy of the Board to provide for the prompt and equitable resolution of complaints alleging any discrimination or harassment on the basis of protected characteristics such as race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, or veteran status.

If a complaint involves allegations of discrimination or harassment based on reasons such as gender/sex, gender identity, sexual orientation, disability, or pregnancy, such complaints will be handled in accordance with other appropriate policies (e.g., Policy # 4013, Sex Discrimination/Harassment in the Workplace ; Policy #5013 Sex Discrimination and Sexual Harassment (Students); Policy #4012, Section 504/ADA (Personnel), and Policy # 5012, Section 504/ADA (Students).

Preferably, complaints should be filed within thirty (30) calendar days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints. The district will investigate such complaints promptly and equitably, and will take corrective action when allegations are verified.

The district will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting of charges of harassment or discrimination on the basis of race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, or veteran status. Any such reprisals or retaliation will result in disciplinary action against the retaliator, and other corrective actions as appropriate.

The school district will periodically provide staff development for district administrators and periodically distribute this policy and implementing administrative regulations to staff and students in an effort to maintain an environment free of harassment and discrimination.

Complaint Procedure

As soon as an individual feels that he or she has been subjected to discrimination or harassment on the basis of race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, or veteran status he/she should make a written complaint to the Superintendent, or designee.

If the complaint being filed is against the Superintendent, the complaint should be filed with the Board Chair, who will take appropriate steps, such as retaining an independent investigator, to cause the matter to be investigated in a manner consistent with the Board’s non-discrimination policy and regulation. If either the Superintendent or any other party to the complaint is not satisfied with the findings and conclusions of the investigation, within (30) calendar days of receiving the findings, such party may present the complaint and written outcome to the Board Chair, who will take appropriate steps, such as retaining an independent

investigator different from the investigator who investigated the complaint, to cause the matter to be reviewed in a manner consistent with the Board's non-discrimination policy and regulation.

The individual and any respondent (if applicable) will be provided a copy of the Board's policy and regulation and made aware of the individual's rights under this policy and regulation. If a complaint involves allegations of discrimination or harassment based on reasons such as gender/sex, gender identity, sexual orientation, disability, or pregnancy, such complaints will be handled in accordance with other appropriate policies (e.g., Policy # 4013, Sex Discrimination/Harassment in the Workplace ; Policy #5013 Sex Discrimination and Sexual Harassment (Students); Policy #4012, Section 504/ADA (Personnel), and Policy # 5012, Section 504/ADA (Students).

The complaint should state the:

- A. Name of the complainant,
- B. Date of the complaint,
- C. Date(s) of the alleged harassment/discrimination,
- D. Name(s) of the harasser(s) or discriminator(s),
- E. Location where such harassment/discrimination occurred,
- F. Names of any witness(es) to the harassment/discrimination,
- G. Detailed statement of the circumstances constituting the alleged harassment/discrimination;
and
- H. Proposed remedy.

Any individual who makes an oral complaint of harassment or discrimination will be provided a copy of this regulation and will be requested to make a written complaint pursuant to the above procedure. If an individual is unable to make a written complaint, the staff member receiving the oral complaint will either reduce the complaint to writing or assist the individual with completing the written complaint form.

All complaints received by staff members are to be forwarded immediately to the Superintendent or designee. Upon receipt of a complaint alleging harassment or discrimination under this complaint procedure, the Superintendent or designee shall promptly investigate the complaint. During the course of the investigation, the investigator shall interview or consult with all individuals reasonably believed to have relevant information, including the complainant, the alleged harasser/discriminator ("respondent") and any witnesses to the conduct. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and/or other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible, as determined by the investigator.

Upon receipt of a written complaint of discrimination or harassment, the investigator should:

1. Offer to meet with the complainant and respondent (if applicable) within ten (10) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) to discuss the nature of the complaint, identify individuals the complainant believes has relevant information, and obtain any relevant documents the complainant may have;
2. Provide the complainant and respondent (if applicable) with a copy of the Board's non-discrimination policy and accompanying regulations;
3. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint;
4. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis for the complaint, including conducting interviews with individuals with information and review of documents relevant to the complaint;
5. Maintain confidentiality to the extent practicable throughout the investigative process, in accordance with state and federal law;
6. Communicate the outcome of the investigation in writing to the complainant and respondent (if any) (to the extent permitted by state and federal confidentiality requirements), within thirty (30) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) from the date the complaint was received by the Superintendent's office. The complainant and respondent (if any) shall be notified of any extension of the investigation timeline. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the district will remedy the discrimination or harassment, adhering to the requirements of state and federal law;
7. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent (if any) will receive notice and interim measures may be implemented as necessary (see sub-paragraph 6);
8. Whenever allegations are verified, ensure that appropriate corrective action is taken (including, but not limited to, disciplinary action) aimed at preventing the recurrence of the discrimination or harassment. Corrective action should include steps to avoid continuing discrimination or harassment;
9. If either party to the complaint is not satisfied with the findings and conclusions of the investigation, such party may present the complaint and written outcome to the Superintendent within thirty (30) calendar days of receiving the findings. Upon review of a written request from the party requesting an appeal, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with a designated investigator (if applicable), complainant, and respondent (if any) and meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling a

designated investigator's conclusions or findings (if applicable). The Superintendent shall provide written notice to the complainant and respondent (if any) of the proposed actions within fifteen (15) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) following the receipt of the written request for review.

ADMINISTRATIVE REGULATIONS REGARDING DISCRIMINATION COMPLAINTS (PERSONNEL)

It is the policy of the Manchester Board of Education (the “Board”) that any form of discrimination or harassment on the basis of protected characteristics such as race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, or gender identity or expression is forbidden, whether by students, Board employees or third parties subject to the control of the Board. Students, Board employees and third parties are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

It is the express policy of the Board to provide for the prompt and equitable resolution of complaints alleging any discrimination or harassment on the basis of protected characteristics such as race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, or gender identity or expression.

If a complaint involves allegations of discrimination or harassment based on reasons such as gender/sex, gender identity, sexual orientation, disability, or pregnancy, such complaints will be handled, as appropriate, in accordance with other Board policies (e.g., Policy # 4013 , Sex Discrimination/Harassment in the Workplace (Personnel) and Policy # 4012, Section 504/ADA (Personnel)).

Preferably, complaints should be filed within thirty (30) calendar days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints. The district will investigate such complaints promptly and equitably, and will take corrective action when allegations are verified.

The district will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting of charges of harassment or discrimination on the basis of race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, or gender identity or expression. Any such reprisals or retaliation will result in disciplinary action against the retaliator, and other corrective actions as appropriate.

The school district will periodically provide staff development for district administrators and periodically distribute this policy and implementing administrative regulations to staff and students in an effort to maintain an environment free of harassment and discrimination.

Complaint Procedure

As soon as an individual feels that he or she has been subjected to discrimination or harassment on the basis of race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, or gender identity or expression he/she should make a written complaint to the Superintendent or designee.

If the complaint being filed is against the Superintendent, the complaint should be filed with the Board Chair, who will take appropriate steps, such as retaining an independent investigator, to cause the matter to be investigated in a manner consistent with the Board’s non-discrimination policy and regulation. If either the Superintendent or any other party to the complaint is not satisfied with the findings and conclusions of the investigation, within (30) calendar days of receiving the findings, such party may present the complaint and written outcome to the Board Chair, who will take appropriate steps, such as retaining an independent

investigator different from the investigator who investigated the complaint, to cause the matter to be reviewed in a manner consistent with the Board's non-discrimination policy and regulation.

The individual and any respondent (if applicable) will be provided a copy of the Board's policy and regulation and made aware of the individual's rights under this policy and regulation. In the event the Superintendent or designee receives a complaint alleging discrimination or harassment based on gender/sex, gender identity, sexual orientation, disability, or pregnancy, the Superintendent or designee shall follow the procedures identified in the appropriate Board policies (e.g., Policy # 4013 Sex Discrimination/Harassment in the Workplace (Personnel)), rather than the complaint procedures provided in this policy.

The complaint should state the:

- A. Name of the complainant,
- B. Date of the complaint,
- C. Date(s) of the alleged harassment/discrimination,
- D. Name(s) of the harasser(s) or discriminator(s),
- E. Location where such harassment/discrimination occurred,
- F. Names of any witness(es) to the harassment/discrimination,
- G. Detailed statement of the circumstances constituting the alleged harassment/discrimination;
and
- H. Proposed remedy.

Any individual who makes an oral complaint of harassment or discrimination will be provided a copy of this regulation and will be requested to make a written complaint pursuant to the above procedure. If an individual is unable to make a written complaint, the staff member receiving the oral complaint will either reduce the complaint to writing or assist the individual with completing the written complaint form.

All complaints received by staff members are to be forwarded immediately to the Superintendent or designee. Upon receipt of a complaint alleging harassment or discrimination under this complaint procedure, the Superintendent or designee shall promptly investigate the complaint. During the course of the investigation, the investigator shall interview or consult with all individuals reasonably believed to have relevant information, including the complainant, the alleged harasser/discriminator ("respondent"), and any witnesses to the conduct. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and/or other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible, as determined by the investigator.

Upon receipt of a written complaint of discrimination or harassment, the investigator should:

1. Offer to meet with the complainant and respondent (if applicable) within ten (10) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) to discuss the nature of the complaint, identify individuals the complainant believes has relevant information, and obtain any relevant documents the complainant may have;
2. Provide the complainant and respondent (if applicable) with a copy of the Board's non-discrimination policy and accompanying regulations;
3. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint;
4. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis for the complaint, including conducting interviews with individuals with information and review of documents relevant to the complaint;
5. Maintain confidentiality to the extent practicable throughout the investigative process, in accordance with state and federal law;
6. Communicate the outcome of the investigation in writing to the complainant and respondent (if any) (to the extent permitted by state and federal confidentiality requirements), within thirty (30) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) from the date the complaint was received by the Superintendent's office. The complainant and respondent (if any) shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the district will remedy the discrimination or harassment, adhering to the requirements of state and federal law;
7. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent (if any) will receive notice and interim measures may be implemented as necessary (see sub-paragraph 6);
8. Whenever allegations are verified, ensure that appropriate corrective action is taken (including, but not limited to, disciplinary action) aimed at preventing the recurrence of the discrimination or harassment. Corrective action should include steps to avoid continuing discrimination or harassment;
9. If either party to the complaint is not satisfied with the findings and conclusions of the investigation, such party may present the complaint and written outcome to the Superintendent within thirty (30) calendar days of receiving the findings. Upon review of a written request from the party requesting an appeal, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with a designated investigator (if applicable), complainant, and respondent (if any) and meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling a

designated investigator's conclusions or findings (if applicable). The Superintendent shall provide written notice to the complainant and respondent (if any) of the proposed actions within fifteen (15) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) following the receipt of the written request for review.

Gen. Stat. §§ 27-103(c), (d).

For the purposes of this policy, “gender identity or expression” means a person’s gender-related identity, appearance or behavior, whether or not that gender-related identity, appearance or behavior is different from that traditionally associated with the person’s physiology or assigned sex at birth, which gender-related identity can be shown by providing evidence including, but not limited to, medical history, care or treatment of the gender-related identity, consistent and uniform assertion of the gender-related identity or any other evidence that the gender-related identity is sincerely held, part of a person’s core identity or not being asserted for an improper purpose.

For the purposes of this policy, “race” is inclusive of ethnic traits historically associated with race, including but not limited to, hair texture and protective hairstyles. “Protective hairstyles” includes, but is not limited to, wigs, headwraps and hairstyles such as individual braids, cornrows, locs, twists, Bantu knots, afros and afro puffs.

ADMINISTRATIVE REGULATIONS REGARDING DISCRIMINATION COMPLAINTS (STUDENTS)

It is the policy of the Manchester Board of Education (the "Board") that any form of discrimination or harassment on the basis of protected characteristics such as race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, or veteran status is forbidden, whether by students, Board employees or third parties subject to the control of the Board. Students, Board employees and third parties are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

It is also the policy of the Board to provide for the prompt and equitable resolution of complaints alleging any discrimination or harassment on the basis of protected characteristics such as race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, or veteran status.

Any student and/or parent/guardian wishing to file a complaint regarding discrimination or harassment may obtain a copy of the Board's complaint procedures and complaint form which are included in the Board's Administrative Regulations Regarding Non-Discrimination/Students. These regulations accompany Board Policy # 5014 Students/Non-Discrimination Policy and are available online at mpspride.org or upon request from the main office of any district school.

If a complaint involves allegations of discrimination or harassment based on reasons such as gender/sex, gender identity, sexual orientation, disability, or pregnancy, such complaints will be handled under other appropriate policies (e.g., Policy # 5013 Students/Sex Discrimination and Harassment; Policy # 5014, Section 504/ADA).

All other complaints by a student or parents/guardians alleging discrimination or harassment against a student on the basis of the protected characteristics listed herein should file a written complaint with:

***Sinthia Sone-Moyano
Assistant Superintendent
45 North School Street
Manchester, CT 06042
sinthias@mpspride.org
860-647-3451***

Preferably, complaints should be filed within thirty (30) days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints. The district will investigate such complaints promptly and equitably, and will take corrective action when allegations are verified.

The district will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting of charges of harassment or discrimination on the basis of race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, or veteran status. Any such reprisals or retaliation will result in disciplinary action against the retaliator, and other corrective actions as appropriate.

The school district will periodically provide staff development for district administrators and periodically distribute this policy and the implementing administrative regulations to staff and students in an effort to maintain an environment free of harassment and discrimination.

Complaint Procedure

As soon as a student feels that he or she has been subjected to discrimination or harassment on the basis of race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, or veteran status, he/she should make a written complaint to the building principal, or designee.

If the complaint being filed is against the Superintendent, the complaint should be filed with the Board Chair, who will take appropriate steps, such as retaining an independent investigator, to cause the matter to be investigated in a manner consistent with the Board's non-discrimination policy and regulation. If either the Superintendent or any other party to the complaint is not satisfied with the findings and conclusions of the investigation, within (30) calendar days of receiving the findings, such party may present the complaint and written outcome to the Board Chair, who will take appropriate steps, such as retaining an independent investigator different from the investigator who investigated the complaint, to cause the matter to be reviewed in a manner consistent with the Board's non-discrimination policy and regulation.

The student will be provided a copy of the Board's policy and regulation and made aware of the student's rights under this policy and regulation. In the event the principal receives a complaint alleging discrimination or harassment based on gender/sex, gender identity, sexual orientation, disability or pregnancy, the principal shall follow the procedures identified in the appropriate Board policies ((e.g., Sex Discrimination and Sexual Harassment (Students); Section 504/ADA (Students)), where applicable, rather than the complaint procedures provided in this policy.

The complaint should state the:

- A. Name of the complainant,
- B. Date of the complaint,
- C. Date(s) of the alleged harassment/discrimination,
- D. Name(s) of the harasser(s) or discriminator(s),
- E. Location where such harassment/discrimination occurred,
- F. Names of any witness(es) to the harassment/discrimination,
- G. Detailed statement of the circumstances constituting the alleged harassment/discrimination;
and
- H. Proposed remedy.

Any student who makes an oral complaint of harassment or discrimination to any of the above-mentioned personnel will be provided a copy of this regulation and will be requested to make a written complaint pursuant to the above procedure. If a student (or individual acting on behalf of the student) is unable to make a written complaint, the administrator receiving the oral complaint will either reduce the complaint to writing or assist the student (individual acting on behalf of the student) in completing the written complaint form.

All complaints are to be forwarded immediately to the Superintendent or designee. Upon receipt of a complaint alleging harassment or discrimination under this complaint procedure, the Superintendent shall designate a district or school administrator to promptly investigate the complaint. During the course of the investigation, the investigator shall interview or consult with all individuals reasonably believed to have relevant information, including the complainant, the alleged harasser/discriminator and any witnesses to the conduct. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and/or other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible, as determined by the investigator.

Upon receipt of a written complaint of discrimination or harassment, the investigator should:

1. Offer to meet with the complainant (and respondent, if applicable) within ten (10) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) to discuss the nature of the complaint, identify individuals the complainant believes has relevant information, and obtain any relevant documents the complainant may have;
2. Provide the complainant (and respondent, if applicable) with a copy of the Board's non-discrimination policy and accompanying regulations;
3. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint;
4. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis for the complaint, including conducting interviews with individuals with information and review of documents relevant to the complaint;
5. Maintain confidentiality to the extent practicable throughout the investigative process, in accordance with state and federal law;
6. Communicate the outcome of the investigation in writing to the complainant (and respondent, if applicable) (to the extent permitted by state and federal confidentiality requirements), within thirty (30) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) from the date the complaint was received by the Superintendent's office. The complainant (and respondent, if applicable) shall be notified of any extension of the investigation timeline. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the district will remedy the discrimination or harassment, adhering to the requirements of state and federal law;
7. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant (and respondent, if applicable) will receive notice and interim measures may be implemented as necessary (see sub-paragraph 6);

8. Whenever allegations are verified, ensure that appropriate corrective action is taken (including, but not limited to, disciplinary action) aimed at preventing the recurrence of the discrimination or harassment. Corrective action should include steps to avoid continuing discrimination or harassment;
9. If the complainant (and/or respondent, if applicable) is not satisfied with the findings and conclusions of the investigation, the complainant (and/or respondent, if applicable) may present the complaint and written outcome to the Superintendent within thirty (30) calendar days of receiving the findings. Upon review of a written request from the complainant (and/or respondent, if applicable), the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator and complainant (and/or respondent, if applicable), a meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling the investigator's conclusions or findings. The Superintendent shall provide written notice to the complainant (and respondent, if applicable) of the proposed actions within fifteen (15) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) following the receipt of the written request for review.

Discrimination and/or retaliation against an individual who reports or assists in the investigation of an act of bullying is likewise prohibited.

Students who engage in bullying behavior or teen dating violence shall be subject to school discipline, up to and including expulsion, in accordance with the Board's policies on student discipline, suspension and expulsion, and consistent with state and federal law.

Bullying shall include, but need not be limited to, a written, oral or electronic communication or physical act or gesture based on any actual or perceived differentiating characteristics, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, socioeconomic status, academic status, physical appearance, or mental, physical, developmental or sensory disability, or by association with an individual or group who has or is perceived to have one or more of such characteristics.

Consistent with the requirements under state law, the Board authorizes the Superintendent or designee(s), along with the Safe School Climate Coordinator, to be responsible for developing and implementing a Safe School Climate Plan in furtherance of this policy. As provided by state law, such Safe School Climate Plan shall include, but not be limited to provisions which:

- (1) enable students to anonymously report acts of bullying to school employees and require students and the parents or guardians of students to be notified at the beginning of each school year of the process by which students may make such reports;
- (2) enable the parents or guardians of students to file written reports of suspected bullying;
- (3) require school employees who witness acts of bullying or receive reports of bullying to orally notify the safe school climate specialist, or another school administrator if the safe school climate specialist is unavailable, not later than one school day after such school employee witnesses or receives a report of bullying, and to file a written report not later than two school days after making such oral report;
- (4) require the safe school climate specialist to investigate or supervise the investigation of all reports of bullying and ensure that such investigation is completed promptly after receipt of any written reports made under this section and that the parents or guardians of the student alleged to have committed an act or acts of bullying and the parents or guardians of the student against whom such alleged act or acts were directed receive prompt notice that such investigation has commenced;
- (5) require the safe school climate specialist to review any anonymous reports, except that no disciplinary action shall be taken solely on the basis of an anonymous report;
- (6) include a prevention and intervention strategy for school employees to deal with bullying and teen dating violence;
- (7) provide for the inclusion of language in student codes of conduct concerning bullying;
- (8) require each school to notify the parents or guardians of students who commit any verified acts of bullying and the parents or guardians of students against whom such acts were directed not later than forty-eight hours after the completion of the investigation described in subdivision (4), above (A) of the results of such investigation, and (B) verbally or by electronic mail, if such parents' or guardians' electronic mail addresses are known, that such parents or guardians may refer to the plain language explanation of the rights and remedies available under Conn. Gen. Stat. Section 10-4a and 10-4b published on the Internet website of the Board;
- (9) require each school to invite the parents or guardians of a student against whom such act was directed to a meeting to communicate to such parents or guardians the measures being taken by the school to ensure the safety of the student against whom such act was directed and policies and procedures in place to prevent further acts of bullying;
- (10) require each school to invite the parents or guardians of a student who commits any verified act of bullying to a meeting, separate and distinct from the meeting required in subdivision (9) above, to discuss specific interventions undertaken by the school to prevent further acts of bullying;
- (11) establish a procedure for each school to document and maintain records relating to reports and investigations of bullying in such school and to maintain a list of the number of verified acts of bullying in such school and make such list available for public inspection, and annually report

- (17) require, at the beginning of each school year, each school to provide all school employees with a written or electronic copy of the school district's safe school climate plan; and
- (18) require that all school employees annually complete the training described in Conn. Gen. Stat. §§ 10-220a or 10-222j related to the identification, prevention and response to bullying.

The notification required pursuant to subdivision (8) (above) and the invitation required pursuant to subdivisions (9) and (10) (above) shall include a description of the response of school employees to such acts and any consequences that may result from the commission of further acts of bullying. SAFE SCHOOL CLIMATE PLAN

The Manchester Board of Education (the “Board”) is committed to creating and maintaining a physically, emotionally, and intellectually safe educational environment free from bullying, teen dating violence, harassment and discrimination. In order to foster an atmosphere conducive to learning, the Board has developed the following Safe School Climate Plan, consistent with state law and Board policy. This Plan represents a comprehensive approach to addressing bullying, cyberbullying and teen dating violence and sets forth the Board’s expectations for creating a positive school climate and thus preventing, intervening, and responding to incidents of bullying and teen dating violence.

Bullying behavior and teen dating violence are strictly prohibited, and students who are determined to have engaged in such behavior are subject to disciplinary action, which may include suspension or expulsion from school. The district’s commitment to addressing bullying behavior and teen dating violence, however, involves a multi-faceted approach, which includes education and the promotion of a positive school climate in which bullying will not be tolerated by students or school staff.

IV. Leadership and Administrative Responsibilities

A. Safe School Climate Coordinator

The Superintendent shall appoint, from existing school district staff, a District Safe School Climate Coordinator (“Coordinator”). **Jim Farrell, Attendance, Residency, and Communication Administrator is the Safe School Climate Coordinator.** The Coordinator shall:

- (1) be responsible for implementing the district’s Safe School Climate Plan (“Plan”);
- (2) collaborate with Safe School Climate Specialists, the Board, and the Superintendent to prevent, identify and respond to bullying in district schools;
- (3) provide data and information, in collaboration with the Superintendent, to the Department of Education regarding bullying; and
- (4) meet with Safe School Climate Specialists at least twice during the school year to discuss issues relating to bullying in the school district and to make recommendations concerning amendments to the district’s Plan.

B. Safe School Climate Specialist

The Principal of each school (or principal’s designee) shall serve as the Safe School Climate Specialist. The Safe School Climate Specialist shall investigate or supervise the investigation of reported acts of bullying, collect and maintain records of reports and investigations of bullying in the school and act as the primary school official responsible for preventing, identifying and responding to reports of bullying in the school.

V. Development and Review of Safe School Climate Plan

- A. The Principal of each school shall establish a committee or designate at least one existing committee (“Committee”) in the school to be responsible for developing and fostering a safe school climate and addressing issues relating to bullying in the school. Such committee shall include:
- (1) at least one parent/guardian of a student enrolled in the school, as appointed by the school principal;
 - (2) school personnel, including, but not limited to, at least one teacher selected by the exclusive bargaining representative for certified employees;
 - (3) medical and mental health personnel assigned to such school; and

(4) in the case of a committee for a high school, at least one student enrolled at such high school who is selected by the students of such school in a manner determined by the school principal.

B. The Committee shall:

- (1) receive copies of completed reports following bullying investigations;
- (2) identify and address patterns of bullying among students in the school;
- (3) implement the provisions of the school security and safety plan, regarding the collection, evaluation and reporting of information relating to instances of disturbing or threatening behavior that may not meet the definition of bullying,
- (4) review and amend school policies relating to bullying;
- (5) review and make recommendations to the Coordinator regarding the Safe School Climate Plan based on issues and experiences specific to the school;
- (6) educate students, school employees and parents/guardians on issues relating to bullying;
- (7) collaborate with the Coordinator in the collection of data regarding bullying; and
- (8) perform any other duties as determined by the Principal that are related to the prevention, identification and response to school bullying.

C. Any parent/guardian or student serving as a member of the Committee shall not participate in any activities which may compromise the confidentiality of any student, including, but not limited to, receiving copies of investigation reports, or identifying or addressing patterns of bullying among students in the school.

D. The Board shall approve the Safe School Climate Plan developed pursuant to Board policy and submit such plan to the Department of Education. Not later than thirty (30) calendar days after approval by the Board, the Board shall make such plan available on the Board's and each individual school in the school district's web site and ensure that the Safe School Climate Plan is included in the school district's publication of the rules, procedures and standards of conduct for schools and in all student handbooks.

VI. Procedures for Reporting and Investigating Complaints of Bullying

A. Students and parents (or guardians of students) may file written reports of bullying. Written reports of bullying shall be reasonably specific as to the basis for the report, including the time and place of the alleged conduct, the number of incidents, the target of the suspected bullying, and the names of potential witnesses. Such reports may be filed with any building administrator and/or the Safe School Climate Specialist (*i.e.*, building principal or designee), and all reports shall be forwarded to the Safe School Climate Specialist for review and actions consistent with this Plan.

- B. Students may make anonymous reports of bullying to any school employee. Students may also request anonymity when making a report, even if the student's identity is known to the school employee. In cases where a student requests anonymity, the Safe School Climate Specialist or designee shall meet with the student (if the student's identity is known) to review the request for anonymity and discuss the impact that maintaining the anonymity of the complainant may have on the investigation and on any possible remedial action. All anonymous reports shall be reviewed and reasonable action will be taken to address the situation, to the extent such action may be taken that does not disclose the source of the report, and is consistent with the due process rights of the student(s) alleged to have committed acts of bullying. No disciplinary action shall be taken solely on the basis of an anonymous report.
- C. School employees who witness acts of bullying or receive reports of bullying shall orally notify the Safe School Climate Specialist, or another school administrator if the Safe School Climate Specialist is unavailable, not later than one (1) school day after such school employee witnesses or receives a report of bullying. The school employee shall then file a written report not later than two (2) school days after making such oral report.
- D. The Safe School Climate Specialist shall be responsible for reviewing any anonymous reports of bullying and shall investigate or supervise the investigation of all reports of bullying and ensure that such investigation is completed promptly after receipt of any written reports. The Safe School Climate Specialist shall also be responsible for promptly notifying the parents or guardians of the student alleged to have committed an act or acts of bullying, and the parents or guardians of the student against whom such alleged act or acts were directed, that an investigation has commenced. In order to allow the district to adequately investigate complaints filed by a student or parent/guardian, the parent of the student suspected of being bullied should be asked to provide consent to permit the release of that student's name in connection with the investigation process, unless the student and/or parent has requested anonymity.
- E. In investigating reports of bullying, the Safe School Climate Specialist or designee will consider all available information known, including the nature of the allegations and the ages of the students involved. The Safe School Climate Specialist will interview witnesses, as necessary, reminding the alleged perpetrator and other parties that retaliation is strictly prohibited and will result in disciplinary action.

VII. Responding to Verified Acts of Bullying

- A. Following investigation, if acts of bullying are verified, the Safe School Climate Specialist or designee shall notify the parents or guardians of the students against whom such acts were directed as well as the parents or guardians of the students who commit such acts of bullying of the finding **not later than forty-eight (48) hours** after the investigation is completed. This notification shall include a description of the school's response to the acts of bullying; the results of such investigation; and verbally or by electronic mail, if such parents' or guardians' electronic mail addresses are known, that such parents or guardians may refer to the plain language explanation of the rights and remedies available under Conn. Gen. Stat. Sections 10-4a and 10-4b once such explanation has been provided to the Board by the Connecticut Social and Emotional Learning and School Climate Advisory Collaborative and published on the Internet website of the Board. In providing such notification, however, Manchester Public Schools will take care to respect the statutory privacy rights of other students, including the perpetrator of

such bullying. The specific disciplinary consequences imposed on the perpetrator, or personally identifiable information about a student other than the parent/guardian's own child, may not be disclosed except as provided by law.

- B. In any instance in which bullying is verified, the Safe School Climate Specialist or designee shall invite the parents or guardians of the student against whom such act was directed to a meeting to communicate the measures being taken by the school to ensure the safety of the student/victim and policies and procedures in place to prevent further acts of bullying. The Safe School Climate Specialist or designee shall also invite the parents or guardians of a student who commits any verified act of bullying to a meeting, separate and distinct from the previously described meeting, to discuss specific interventions undertaken by the school to prevent further acts of bullying. The invitations may be made simultaneous with the notification described above in Section VII.A.
- C. If bullying is verified, the Safe School Climate Specialist or designee shall develop a student safety support plan for any student against whom an act of bullying was directed. Such support plan will include safety measures to protect against further acts of bullying.
- D. A specific written intervention plan shall be developed to address repeated incidents of bullying against a single individual or recurrently perpetrated bullying incidents by the same individual. The written intervention plan may include counseling, discipline and other appropriate remedial actions as determined by the Safe School Climate Specialist or designee and may also incorporate a student safety support plan, as appropriate.
- E. Notice to Law Enforcement

If the Principal of a school (or designee) reasonably believes that any act of bullying constitutes a criminal offense, he/she shall notify appropriate law enforcement. Notice shall be consistent with the Board's obligations under state and federal law and Board policy regarding the disclosure of personally identifiable student information. In making this determination, the Principal or designee, may consult with the school resource officer, if any, and other individuals the Principal or designee deems appropriate.
- F. If a bullying complaint raises a concern about discrimination or harassment on the basis of a legally protected classification (such as race, religion, color, national origin, sex, sexual orientation, age, disability or gender identity or expression), the Safe School Climate Specialist or designee shall also coordinate any bullying investigation with other appropriate personnel within the district as appropriate (e.g. Title IX Coordinator, Section 504 Coordinator, etc.), so as to ensure that any such bullying investigation complies with the requirements of such policies regarding nondiscrimination.

VIII. Teen Dating Violence

- A. The school strictly prohibits, and takes very seriously any instances of, teen dating violence, as defined above. The school recognizes that teen dating violence may take many different forms and may also be considered bullying and/or sexual harassment.
- B. Students and parents (or guardians of students) may bring verbal or written complaints regarding teen dating violence to any building administrator. The building administrator shall

review and address the complaint, which may include referral of the complaint to the Safe School Climate Specialist and/or Title IX Coordinator.

- C. Prevention and intervention strategies concerning teen dating violence shall be implemented in accordance with Section X below. Discipline, up to and including expulsion, may be imposed against the perpetrator of teen dating violence, whether such conduct occurs on or off campus, in accordance with Board policy and consistent with federal and state law.

IX. Documentation and Maintenance of Log

- A. Each school shall maintain written reports of bullying, along with supporting documentation received and/or created as a result of bullying investigations, consistent with the Board's obligations under state and federal law. Any educational record containing personally identifiable student information pertaining to an individual student shall be maintained in a confidential manner, and shall not be disclosed to third parties without prior written consent of a parent, guardian or eligible student, except as permitted under Board policy and state and federal law.
- B. The Principal of each school shall maintain a list of the number of verified acts of bullying in the school and this list shall be available for public inspection upon request. Consistent with district obligations under state and federal law regarding student privacy, the log shall not contain any personally identifiable student information or any information that alone or in combination would allow a reasonable person in the school community to identify the students involved. Accordingly, the log should be limited to basic information such as the number of verified acts, name of school and/or grade level and relevant date. Given that any determination of bullying involves repeated acts, each investigation that results in a verified act of bullying for that school year shall be tallied as one verified act of bullying unless the specific actions that are the subject of each report involve separate and distinct acts of bullying. The list shall be limited to the number of verified acts of bullying in each school and shall not set out the particulars of each verified act, including, but not limited, to any personally identifiable student information, which is confidential information by law.
- C. The Principal of each school shall report the number of verified acts of bullying in the school annually to the Department of Education in such manner as prescribed by the Commissioner of Education.

X. Other Prevention and Intervention Strategies

- A. Bullying behavior and teen dating violence can take many forms and can vary dramatically in the nature of the offense and the impact the behavior may have on the victim and other students. Accordingly, there is no one prescribed response to verified acts of bullying or to teen dating violence. While conduct that rises to the level of "bullying" or "teen dating violence," as defined above, will generally warrant traditional disciplinary action against the perpetrator of such bullying or teen dating violence, whether and to what extent to impose disciplinary action (e.g., detention, in-school suspension, suspension or expulsion) is a matter for the professional discretion of the building principal (or responsible program administrator or designee). No disciplinary action may be taken solely on the basis of an anonymous complaint of bullying. As discussed below, schools may also consider appropriate alternatives to traditional disciplinary

sanctions, including age-appropriate consequences and other restorative or remedial interventions.

- B. A specific written intervention plan shall be developed to address repeated incidents of bullying against a single individual or recurrently perpetrated bullying incidents by the same individual. This plan may include safety provisions, as described above, for students against whom acts of bullying have been verified and may include other interventions such as counseling, discipline, and other appropriate remedial or restorative actions as determined by the responsible administrator.
- C. The following sets forth possible interventions, which may also be utilized to enforce the Board's prohibition against bullying and teen dating violence:

(1) Non-disciplinary interventions

When verified acts of bullying are identified early and/or when such verified acts of bullying do not reasonably require a disciplinary response, students may be counseled as to the definition of bullying, its prohibition, and their duty to avoid any conduct that could be considered bullying. Students may also be subject to other forms of restorative discipline or remedial actions, appropriate to the age of the students and nature of the behavior.

If a complaint arises out of conflict between students or groups of students, peer or other forms of mediation may be considered. Special care, however, is warranted in referring such cases to peer mediation. A power imbalance may make the process intimidating for the victim and therefore inappropriate. In such cases, the victim should be given additional support. Alternatively, peer mediation may be deemed inappropriate to address the concern.

When an act or acts of teen dating violence are identified, the students involved may be counseled as to the seriousness of the conduct, the prohibition of teen dating violence, and their duty to avoid any such conduct. Students may also be subject to other forms of restorative discipline or remedial actions, appropriate to the age of the students and nature of the behavior.

(2) Disciplinary interventions

When acts of bullying are verified or teen dating violence occurs, and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. Anonymous complaints of bullying, however, shall not be the basis for disciplinary action.

In-school suspension and suspension may be imposed only after informing the accused perpetrator of the reasons for the proposed suspension and giving him/her an opportunity to explain the situation, in accordance with the Board's Student Discipline policy.

Expulsion may be imposed only after a hearing before the Board of Education, a committee of the Board or an impartial hearing officer designated by the Board

of Education in accordance with the Board's Student Discipline policy. This consequence shall normally be reserved for serious incidents of bullying and teen dating violence, and/or when past interventions have not been successful in eliminating bullying behavior.

(3) Interventions for bullied students and victims of teen dating violence

The building principal (or other responsible program administrator) or designee shall intervene in order to address incidents of bullying or teen dating violence against a single individual. Intervention strategies for a bullied student or victim of teen dating violence may include the following:

- (a) Referral to a school counselor, psychologist or other appropriate social or mental health service;
- (b) Increased supervision and monitoring of student to observe and intervene in bullying situations or instances of teen dating violence;
- (c) Encouragement of student to seek help when victimized or witnessing victimization;
- (d) Peer mediation or other forms of mediation, where appropriate;
- (e) Student Safety Support plan;
- (f) Restitution and/or restorative interventions; and
- (g) Periodic follow-up by the Safe School Climate Specialist and/or Title IX Coordinator with the bullied student or victim of teen dating violence.

(4) General prevention and intervention strategies

In addition to the prompt investigation of complaints of bullying and direct intervention when acts of bullying are verified, other district actions may ameliorate potential problems with bullying in school or at school-sponsored activities. Additional district actions may also ameliorate potential problems with teen dating violence. While no specific action is required, and school needs for specific prevention and intervention strategies may vary from time to time, the following list of potential prevention and intervention strategies shall serve as a resource for administrators, teachers and other professional employees in each school. Such prevention and intervention strategies may include, but are not limited to:

- (a) School rules prohibiting bullying, teen dating violence, harassment and intimidation and establishing appropriate consequences for those who engage in such acts;
- (b) Adequate adult supervision of outdoor areas, hallways, the lunchroom and other specific areas where bullying or teen dating violence are likely to occur;

- (c) Inclusion of grade-appropriate bullying and teen dating violence education and prevention curricula in kindergarten through high school, which may include instruction regarding building safe and positive school communities including developing healthy relationships and preventing dating violence as deemed appropriate for older students;
- (d) Individual interventions with the perpetrator, parents and school employees, and interventions with the bullied student, parents and school employees;
- (e) School-wide training related to safe school climate, which training may include Title IX sex discrimination/sexual harassment prevention training, Section 504/ADA training, cultural diversity/multicultural education or other training in federal and state civil rights legislation or other topics relevant to safe school climate;
- (f) Student peer training, education and support;
- (g) Promotion of parent involvement in bullying prevention through individual or team participation in meetings, trainings and individual interventions;
- (h) Implementation of a positive behavioral interventions and supports process or another evidence-based model approach for a safe school climate or for the prevention of bullying and teen dating violence, including any such program identified by the Department of Education;
- (i) Respectful responses to bullying and teen dating violence concerns raised by students, parents or staff;
- (j) Planned professional development programs addressing prevention and intervention strategies, which training may include school violence prevention, conflict resolution and prevention of bullying and teen dating violence, with a focus on evidence based practices concerning same;
- (k) Use of peers to help ameliorate the plight of victims and include them in group activities;
- (l) Avoidance of sex-role stereotyping;
- (m) Continuing awareness and involvement on the part of school employees and parents with regards to prevention and intervention strategies;
- (n) Modeling by teachers of positive, respectful, and supportive behavior toward students;
- (o) Creating a school atmosphere of team spirit and collaboration that promotes appropriate social behavior by students in support of others;
- (p) Employing classroom strategies that instruct students how to work together in a collaborative and supportive atmosphere; and

- (q) Culturally competent school-based curriculum focusing on social-emotional learning, self-awareness and self-regulation.

- D. In addition to prevention and intervention strategies, administrators, teachers and other professional employees may find opportunities to educate students about bullying and help eliminate bullying behavior through class discussions, counseling, and reinforcement of socially-appropriate behavior. Administrators, teachers and other professional employees should intervene promptly whenever they observe mean-spirited student conduct, even if such conduct does not meet the formal definition of “bullying.”
- E. Funding for the school-based bullying intervention and school climate improvement strategy may originate from public, private, federal or philanthropic sources.

XI. Improving School Climate

The Manchester Public Schools District Improvement notes several specific strategies the district is taking to improve district, school, and classroom climate.

XII. Annual Notice and Training

- A. Students, and parents or guardians of students shall be notified annually of the process by which students may make reports of bullying.
- B. The Board shall provide for the inclusion of language in student codes of conduct concerning bullying.
- C. At the beginning of each school year, each school shall provide all school employees with a written or electronic copy of the school district’s safe school climate plan and require that all school employees annually complete training on the identification, prevention and response to bullying as required by law.
- D. As required by state law, the Board, after consultation with the Department of Education and the Social and Emotional Learning and School Climate Advisory Collaborative, shall also provide on its website training materials to school administrators regarding the prevention of and intervention in discrimination against and targeted harassment of students based on such students’ (1) actual or perceived differentiating characteristics, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity or expression, socioeconomic status, academic status, physical appearance or mental, physical, developmental or sensory disability, or (2) association with individuals or groups who have or are perceived to have one or more of such characteristics.
- E. Any person appointed by the district to serve as district safe school climate coordinator shall complete mental health and first aid training offered by the Commissioner of Mental Health and Addiction Services.

XIII. School Climate Assessments

Biennially, the Board shall require each school in the district to complete an assessment using the school climate assessment instruments, including surveys, approved and disseminated by the Connecticut State Department of Education. The Board shall collect the school climate assessments for each school in the district and submit such assessments to the Connecticut State Department of Education.

ADMINISTRATIVE REGULATIONS REGARDING HEALTH ASSESSMENTS/SCREENINGS AND ORAL HEALTH ASSESSMENTS

I. Health Assessments:

The Manchester Board of Education (the "Board") requires each student enrolled in the Manchester Public Schools (the "District") to undergo health assessments as mandated by state law. The purpose of such health assessments shall be to ascertain whether a student has any physical disability tending to prevent the student from receiving the full benefit of school work and to ascertain whether school work should be modified in order to prevent injury to the student or to secure a suitable program of education for the student. Such health assessments must be conducted by one of the following qualified providers for health assessments: (1) a legally qualified practitioner of medicine; (2) an advanced practice registered nurse or registered nurse, who is licensed under state statute; (3) a physician assistant, who is licensed under state statute; (4) the school medical advisor; or (5) a legally qualified practitioner of medicine, an advanced practice registered nurse or a physician assistant stationed at any military base. The Board will provide written prior notice of the health assessments required under these administrative regulations to the parent or guardian of each student subject to assessment. The parent or guardian shall be provided a reasonable opportunity to be present during such assessment or the parent or guardian may provide for such assessment. No health assessment shall be made of any public school student unless it is made in the presence of the parent or guardian or in the presence of another school employee. Any student who fails to obtain the health assessments required by these administrative regulations may be denied continued attendance in the District.

II. Health Assessments Required:

Prior to enrollment in the District, each student must undergo a health assessment, which shall include:

(a) a physical examination which includes hematocrit or hemoglobin tests, height, weight, blood pressure, and a chronic disease assessment which shall include, but not be limited to, asthma. The assessment form shall include (1) a check box for the provider conducting the assessment, to indicate an asthma diagnosis, (2) screening questions relating to appropriate public health concerns to be answered by the parent or guardian, and (3) screening questions to be answered by such provider;

(b) an updating of immunizations as required by state law;

(c) vision, hearing, speech and gross dental screenings;

(d) such other information, including health and developmental history, as the physician feels is necessary and appropriate.

The pre-enrollment assessment shall also include tests for tuberculosis, sickle cell anemia or Cooley's anemia, and tests for lead levels in the blood if, after consultation with the school medical advisor and the local health department, the Board determines that such tests are necessary. Such tests must be conducted by a registered nurse acting pursuant to the written order of a physician, or physician's assistant, licensed under state law, or an advanced practice registered nurse, licensed under state law.

Each student enrolled in the District must undergo a health assessment in grade 7 and in grade 10 which shall include:

(a) a physical examination which includes hematocrit or hemoglobin tests, height, weight, blood pressure, and a chronic disease assessment which shall include, but not be limited to, asthma as defined by the Commissioner of Public Health pursuant to subsection (c) of section 19a-62a of the Connecticut General Statutes. The assessment form shall include (1) a check box for the provider conducting the assessment, to indicate an asthma diagnosis,

(2) screening questions relating to appropriate public health concerns to be answered by the parent or guardian, and (3) screening questions to be answered by such provider;

(b) an updating of immunizations as required by state law;

(c) vision, hearing, postural and gross dental screenings;

(d) such other information, including health and developmental history, as the physician feels is necessary and appropriate.

The grade six/seven and grade nine/ten assessments shall also include tests for tuberculosis and sickle cell anemia or Cooley's anemia if, after consultation with the school medical advisor and the local health department, the Board determines that such tests are necessary. Such tests must be conducted by a registered nurse acting pursuant to the written order of a physician, or physician's assistant, licensed under state law, or of an advanced practice registered nurse, licensed under state law.

The Board shall provide such assessments free of charge to students whose parents or guardians meet the eligibility requirements for free and reduced price meals under the National School Lunch Program or for free milk under the special milk program.

III. Oral Health Assessments:

- A. Prior to enrollment in the District, in grade 7 and in grade 10, the Board shall request that each student undergo an oral health assessment. Such oral health assessments must be conducted by one of the following qualified providers for oral health assessments: (1) a dentist licensed under state law; (2) a dental hygienist licensed under state law; (3) a legally qualified practitioner of medicine trained in conducting oral health assessments as a part of a training program approved by the Commissioner of Public Health; (4) a physician assistant licensed under state law and trained in conducting oral health assessments as part of a training program approved by the Commissioner of Public Health; or (5) an advanced practice registered nurse licensed under state statute and trained in conducting oral health assessments as part of a training program approved by the Commissioner of Public Health.
- B. The oral health assessment identified in subsection A above shall include a dental examination by a dentist, or a visual screening and risk assessment for oral health conditions by a dental hygienist, legally qualified practitioner of medicine, physician assistant, or advanced practice registered nurse. The assessment form shall include a check box for the qualified provider conducting the assessment to indicate any low, moderate or high risk factors associated with any dental or orthodontic appliance, saliva, gingival condition, visible plaque, tooth demineralization, carious lesions, restorations, pain, swelling or trauma.
- C. No oral health assessment shall be made of any public school student unless the parent or guardian of the student consents to such assessment and such assessment is made in the presence of the parent or guardian or in the presence of another school employee. The parent or guardian shall be provided with prior written notice of an oral health assessment and be provided with a reasonable opportunity to opt the child out of such assessment, or the parent or guardian may provide for such oral health assessment.
- D. If the Board hosts a free oral health assessment event where qualified providers (identified in subsection A above) perform oral health assessments of children attending a public school, the Board shall notify the parents and guardians of such children of the event in advance and provide an opportunity for parents and guardians to opt their child(ren) out of such event. The Board shall infer parent/guardian consent for each child whose parent or guardian did not opt the child out of the free oral health assessment event and shall provide such child with a

free oral health assessment; however, such child shall not receive dental treatment of any kind unless the child's parent or guardian provides informed consent for such treatment.

- E. Any student who fails to obtain an oral health assessment requested by the Board shall not be denied enrollment or continued attendance in the District.

IV. Screenings Required:

The Board will provide annually to each student enrolled in kindergarten and grades one and three to five, inclusive, a vision screening. Such vision screening may be performed using a Snellen chart or an equivalent screening device, or an automated vision screening device. The Superintendent shall give written notice to the parent or guardian of each student (1) who is found to have any defect of vision or disease of the eyes, with a brief statement describing the defect or disease and a recommendation that the student be examined by an optometrist or ophthalmologist licensed pursuant to state law, and (2) who did not receive such vision screening, with a brief statement explaining why such student did not receive such vision screening.

The Board will provide postural screenings for (1) each female student in grades five and seven, and (2) each male student in grade eight or nine. The Superintendent shall give written notice to the parent or guardian of each student (A) who evidences any postural problem, with a brief statement describing such evidence, and (B) who did not receive a postural screening, with a brief statement explaining why such student did not receive such postural screening.

All of the screenings required under these administrative regulations will be performed in accordance with regulations applicable to such screenings as adopted by the State Board of Education.

V. Assessment/Screening Results:

The results of each assessment and screening required or requested by these administrative regulations shall be recorded on forms supplied by the State Board of Education. Each qualified provider performing health assessments or oral health assessments under these administrative regulations shall sign each form and any recommendations concerning a student shall be in writing. Assessment/screening forms shall be included in the cumulative health record of each student and they shall be kept on file in the school attended by the student. If a student transfers to another school district in Connecticut, the student's original cumulative health record shall be sent to the chief administrative officer of the new school district and a true copy retained by the Board. For a student leaving Connecticut, a copy of the records, if requested, should be sent and the original maintained.

Appropriate school health personnel shall review the results of each assessment and screening. If the reviewing school health personnel judge that a student is in need of further testing or treatment, the Superintendent shall give written notice to the parent or guardian of such student and shall make reasonable efforts to ensure that such further testing or treatment is provided. Reasonable efforts shall include determination of whether the parent or guardian has obtained the necessary testing or treatment for the student, and, if not, advising the parent or guardian how such testing or treatment may be obtained. The results of such further testing or treatment shall be recorded, kept on file and reviewed by appropriate school health personnel in the same

manner as the results of the health assessments and screenings required or requested under these administrative regulations.

The District shall report to the local health department and the Department of Public Health, on a triennial basis, the total number of children per school and on a district-wide basis having a diagnosis of asthma (1) at the time of public school enrollment, (2) in grade six or seven, and (3) in grade nine or ten. The report shall contain the asthma information collected as required under Section II of these administrative regulations and shall include information regarding each diagnosed child's age, gender, race, ethnicity and school.

VI. Exemption:

Nothing in these administrative regulations shall be construed to require any student to undergo a physical or medical examination or treatment, or be compelled to receive medical instruction, if the parent or legal guardian of such student or the student, if the student is an emancipated minor or is eighteen (18) years of age or older, notifies the teacher or principal or other person in charge of such student in writing that the student objects on religious grounds to such physical or medical examination or treatment or medical instruction.

VII. Other Non-Emergency Invasive Physical Examinations and Screenings:

- A. In addition to the screenings listed above, the District may, from time to time, require students to undergo additional non-emergency, invasive physical examination(s)/screening(s).
- B. A non-emergency, invasive physical examination or screening is defined as:
 - 1. any medical examination that involves the exposure of private body parts; or

The Manchester Board of Education ("Board"), in accordance with Connecticut General Statutes § 10-221a, sanctions the receipt of online course credit to be used toward high school graduation requirements, in accordance with this policy. Beginning with the school year commencing July 1, 2022, the Board also authorizes the Manchester Public Schools (the "District") to offer remote learning for students in grades nine through twelve in accordance with this policy. Further, the Board recognizes that, prior to July 1, 2022, there may be rare circumstances that may still necessitate programming options besides regular in-person instruction and authorizes the Superintendent or designee to develop administrative procedures or regulations regarding continued educational opportunities in such instances.

I. CREDIT FOR ONLINE COURSES**A. Pre-approval of Courses Identified by Students and Parents**

To receive credit for online courses to be used toward high school graduation requirements, students must, prior to registering for the course, receive approval from the high school principal or designee. The decision of the principal or designee with regard to online course credit approval is final. Pre-approval for online course credit may be granted if the requirements set forth below are met.

B. Requirements for Online Coursework

1. The workload required by the online course is equivalent to that of a similar course taught in a traditional classroom setting;
2. The content of the online course is rigorous and aligned with curriculum guidelines approved by the State Board of Education, where appropriate;
3. The course engages students and has interactive components, which may include, but are not limited to, required interactions between students and their teachers, participation in online demonstrations, discussion boards or virtual labs;
4. The program of instruction for such online coursework is planned, ongoing and systematic;
5. The courses are:
 - a. taught by teachers who are certified in Connecticut or another state and have received training on teaching in an online environment, or
 - b. offered by institutions of higher education that are accredited by the Board of Regents for Higher Education or regionally accredited; and
6. The principal has determined, in the principal's professional judgment, that, given the student's academic and disciplinary history, the student is appropriately suited to engage in online coursework.

C. Additional Requirements

Only students in grades 9-12 are eligible to receive credit toward high school graduation by taking online courses. Students who have been pre-approved shall receive such credit upon completing the online course and obtaining a passing grade.

Remote learning that may be provided to students in lieu of, or as a supplement to, in-person learning during the COVID-19 or other community-wide emergency shall be provided at Board expense.

Any expense incurred for taking an online course identified by the student and/or parent to supplement the District's curricular offerings shall be the responsibility of the student/parent and shall not be the responsibility of the Board.

II. REMOTE LEARNING

For the school year commencing July 1, 2022, and for each school year thereafter, the Board authorizes remote learning to students in grades nine to twelve in accordance with the requirements set forth below.

A. Definitions

"Remote learning" means instruction by means of one or more Internet-based software platforms as part of a remote learning model.

2. Remote learning shall be provided in compliance with standards for remote learning developed by the Commissioner of Education.
3. Student attendance during remote learning will be assessed in accordance with the Board's policy regarding attendance and the Connecticut State Department of Education's guidance on student attendance during remote learning. The District will count the attendance of any student who spends not less than one-half of the school day during such instruction engaged in (a) virtual classes, (b) virtual meetings, (c) activities on time-logged electronic systems, and (d) the completion and submission of assignments.

C. Remote Learning Prior to July 1, 2022

The District recognizes that school districts are not authorized to provide a remote learning program except for high school students starting in the 2022-2023 school year. However, the District further recognizes that, prior to July 1, 2022, there may be rare circumstances that may still necessitate programming options besides regular in-person instruction. Therefore, the Board authorizes the Superintendent or designee to develop administrative procedures or regulations regarding continued educational opportunities (1) for students who must be in COVID-19 isolation or quarantine, (2) to address localized outbreaks in a school or within the District, and (3) in rare and individualized circumstances, for students with elevated risks from COVID-19 exposure due to cohabiting family members with documented vulnerability to COVID-19. Such procedures or regulations shall:

- provide that the Administration will make programming decisions on an individualized, case-by-case basis;
- consider a variety of continued educational opportunities as necessary and appropriate;
- take into account emerging best practices regarding continued educational opportunities, including, without limitation, any such practices identified by the Connecticut State Department of Education;

4. Procedures for Board Member Participation By Means of Electronic Equipment

A. **Effective July 1, 2021 until April 30, 2022**, the Board shall provide Board members the opportunity to participate in meetings by means of electronic equipment, except that the Board is not required to adjourn or postpone a meeting if a Board member loses the ability to participate because of an interruption, failure, or degradation of that member's connection by electronic equipment, unless the member's participation is necessary to form a quorum. Conditions for participation are as follows:

1. If a quorum of the Board members attend a meeting, other than an executive session, by means of electronic equipment from the same physical location, members of the public must be permitted to attend such meeting in such physical location.
2. Any physical or demonstrable material that is used in the course of the proceedings must be present in the physical location, if any, where the public is located.
3. All those in attendance at the meeting, at whatever location, must be able to hear and identify all participants in the proceeding, including their individual remarks and votes.
4. Any vote taken at a meeting during which a Board member participates by means of electronic equipment shall be taken by roll call, unless the vote is unanimous.
5. The minutes of the meeting shall record a list of Board members who attended the meeting in person and a list of Board members who attended the meeting by means of electronic equipment.

Any Board member who participates orally in a meeting conducted by means of electronic equipment shall make a good faith effort to state such member's name and title, if applicable, at the outset of each occasion that such member participates orally during an uninterrupted dialogue or series of questions and answers.

B. **After April 30, 2022**, Board member participation in meetings by means of electronic equipment shall be governed by all applicable laws, rules, regulations, and guidance, as appropriate, in effect at the time of such participation.

C. When a Board member is participating in a meeting by means of electronic equipment, the Chairperson shall take the necessary steps to ensure that the conditions enumerated above are met. In addition, the Chairperson shall take the necessary steps to ensure that a Board member participating by means of electronic equipment has adequate opportunity for participation in Board discussion, including the opportunity to take the floor and make motions.

[Note: Boards that do not wish to provide for public participation by means of electronic equipment may elect not to include this section. However, Boards should be prepared to accommodate any changes necessitated by pandemic-related conditions in the event such conditions warrant a return to fully remote Board meetings.]

5. Procedures for Public Participation By Means of Electronic Equipment

Effective July 1, 2021 until April 30, 2022, the Board may hold a public meeting that is accessible to the public by means of electronic equipment or by means of electronic equipment in conjunction with an in-person meeting. If the Board allows for the public to participate by means of electronic equipment, it shall do so in accordance with the following procedures:

- A. Not less than forty-eight (48) hours before the Board conducts a regular meeting by means of electronic equipment, the Board shall provide direct notification in writing or by electronic transmission to each member of the Board, and post a notice that the Board intends to conduct the meeting solely or in part by means of electronic equipment, (a) in the Board's Administrative Offices; (b) in the office of the Town Clerk and (c) on the Board's Internet web site, if any.
- B. Not less than twenty-four (24) hours prior to any such meeting, the Board shall post the agenda for any such meeting in the same manner as the notice of the meeting as set forth in Section 5.A.
- C. Such notice and agenda shall include instructions for the public to attend and provide comment or otherwise participate in the meeting, by means of electronic equipment or in person, as applicable and permitted by law. Any such notice and agenda shall be posted in accordance with the provisions of Connecticut General Statutes § 1-225.
- D. If the Board holds a meeting, other than an executive session or special meeting, solely by means of electronic equipment:
 - 1. The Board shall provide any member of the public
 - a. upon a written request submitted not less than twenty-four (24) hours prior to such meeting, with a physical location and any electronic equipment necessary to attend such meeting in real-time, and
 - b. the same opportunities to provide comment or testimony and otherwise participate in such meeting that such member of the public would be accorded if such meeting were held in person, except that the Board is not required (i) to adjourn or postpone a meeting if a member of the public loses the ability to participate because of an interruption, failure or degradation of such person's connection to the meeting by electronic equipment, or (ii) to offer members of the public who attend a meeting by means of electronic equipment the opportunity for public comment, testimony, or other participation if the provision of such opportunity is not required by law for members of the public who attend such meeting in person.
 - 2. The Board shall not be required to adjourn or postpone the meeting if a member of the public loses the ability to participate because of an interruption, failure, or degradation of such person's connection to the meeting by means of electronic equipment.
 - 3. The Board shall ensure that such meeting is recorded or transcribed, excluding any portion of the meeting that is conducted in executive session. Such transcription or recording shall be posted on the Board's Internet web site and made available to the public to view, listen to, and copy in the Board's Administrative Offices not later than seven (7) days after the meeting and for not less than forty-five (45) days thereafter.
 - 4. If a quorum of Board members attend a meeting by means of electronic equipment from the same physical location, the Board shall permit members of the public to attend such meeting in such physical location.
- E. If the Board holds a special meeting and any portion of such meeting is to be conducted by means of electronic equipment, it must include in the notice of such meeting if the meeting will be conducted solely or in part by means of electronic equipment.

1. Not less than twenty-four (24) hours prior to such meeting, the Board shall post such notice and an agenda of the meeting in accordance with applicable law.
2. If such meeting is to be conducted by means of electronic equipment, such notice and agenda shall include instructions for the public, by means of electronic equipment or in person, to attend and provide comment or otherwise participate in the meeting, as applicable and permitted by law.

F. Any member of the public who participates orally in a meeting conducted by means of electronic equipment shall make a good faith effort to state such member's name and title, if applicable, at the outset of each occasion that such member participates orally during an uninterrupted dialogue or series of questions and answers.

G. Whenever a meeting being conducted by means of electronic equipment is interrupted by the failure, disconnection or, in the Chairperson's determination, unacceptable degradation of the electronic means of conducting a meeting, or if a Board member necessary to form a quorum loses the ability to participate because of the interruption, failure or degradation of such member's connection by electronic equipment, the Board may, not less than thirty (30) minutes and not more than two (2) hours from the time of the interruption or the Chairperson's determination, resume the meeting (1) in person, if a quorum is present in person, or (2) if a quorum is restored by means of electronic equipment, solely or in part by such electronic equipment.

1. In each case of resumption of such meeting, electronic access shall be restored to the public if such capability has been restored.
2. The Board shall, if practicable, post a notification on its Internet web site and inform attendees by electronic transmission of the expected time of resumption or of the adjournment or postponement of the meeting, as applicable, and may announce at the beginning of any meeting what preplanned procedures are in place for resumption of a meeting in the event of an interruption.

H. In the event that a Board meeting is interrupted by any person or group of persons so as to render the orderly conduct of such meeting unfeasible, and if such person or group of persons is attending such meeting by means of electronic equipment, the Chairperson may terminate such person's or group of persons' attendance by electronic equipment until such time as such person or group of persons conforms to order or, if need be, until such meeting is closed.

In accordance with Conn. Gen. Stat. § 10-239, the Manchester Board of Education (the “Board”) may permit the use of any school facility for nonprofit educational or community purposes whether or not school is in session. The Board may also grant the temporary use of any school facility for public, educational or other purposes, including the holding of political discussion, at such time the facility is not in use for school purposes. In addition, the Board shall grant such use for any purpose of voting under the provisions of Title 9 of the Connecticut General Statutes whether or not school is in session. In accordance with 20 U.S.C. § 7905, the Board shall not deny equal access to or a fair opportunity to meet, or otherwise discriminate, against any group officially affiliated with the Boy Scouts of America (or any other youth group listed as a patriotic society in Title 36 of the United States Code) that wishes to conduct a meeting using school facilities pursuant to this policy. Such uses shall be governed by the following rules and procedures, and shall be subject to such restrictions as the Superintendent or his/her designee considers expedient.

Consistent with this policy, the Superintendent shall develop and promulgate Administrative Regulations and associated forms governing use of school buildings and facilities by community and other groups. Since the primary purpose of school facilities is for educational activities, such activities will have priority over all other requested uses.

A. Application Procedures

Applications for use of facilities shall be submitted to the following individuals, in accordance with the Administrative Regulations:

<u>Facility</u>	<u>Application Submitted To</u>
For use of school buildings	Building Principal
For use of athletic fields and facilities	Athletic Director
For use of other school facilities	Superintendent of Schools

Groups requesting use of school buildings and facilities must identify the specific facilities desired, and approval will be for those specific facilities only. All school equipment on the premises shall remain in the charge and control of the building principal or responsible administrator, and shall not be used without the express written permission of the administrator.

Principals and other responsible administrators shall submit copies of each building use form with a notation of whether such uses have been approved. Approval of school facilities by the principal or other responsible party may be revoked at any time by the Superintendent or his/her designee.

B. Eligible Organizations and Priority of Use

Administrators responsible for approving/disapproving requests for use of school district facilities will use the following guidelines regarding priority of usage of such facilities:

Order of priority:

1. School-sponsored programs and activities.
2. Activities of school-related organizations (e.g., PTO, Booster Clubs, After Graduation Committees and similar organizations).

3. Town department or agency activities.
4. Activities of non-profit organizations operating within the Town, other than school-related organizations covered by category #2 above.
5. Activities of for-profit organizations operating within the Town.
6. Out-of-town organizations.

C. Restrictions on Use of School Facilities

The following restrictions shall apply to the use of school facilities:

1. Illegal activities will not be tolerated.
2. Use or possession of tobacco, vapor products, alcoholic beverages or unauthorized controlled substances shall not be permitted on school property.
3. Refreshments may not be prepared, served or consumed without the prior approval of the responsible administrator. Notwithstanding, only those beverages permitted by state law may be sold during the school day. The responsible administrator may permit other beverages to be sold at the location of events occurring after the end of the regular school day or on the weekend as long as they are not sold from a vending machine or at a school store. Upon approval by the administrator, refreshments may be prepared, served and consumed only in areas designated by the responsible administrator.
4. Obscene advertising, decorations or materials shall not be permitted on school property.
5. Advertising, decorations or other materials that promote the use of illegal drugs, tobacco products, vapor products, or alcoholic beverages shall not be permitted.
6. Activities that are disruptive of the school environment are not permitted.

Any violation of this Policy or any applicable Administrative Regulations may result in permanent revocation of the privilege to use school facilities against the organization and/or individuals involved.

D. Fees and Other Costs

Users of school facilities shall be responsible for the fees and costs set out in a fee schedule established by the Superintendent with the approval of the Board of Education. The following guidelines shall be incorporated into such fee schedule:

<u>Category</u>	<u>Fee</u>
1. School-sponsored programs and activities.	No rental fee or associated costs.
2. Activities of school-related organizations (<i>e.g.</i> , PTO, Booster Clubs, After Graduation Committees and similar organizations).	No rental fee or associated costs.
3. Town department or agency activities.	Associated costs.

4. Activities of non-profit organizations operating within the Town, other than school-related organizations covered by category #2 above. Associated costs.
5. Activities of for-profit organizations operating within the Town. Rental fee and associated costs.
6. Out-of-town organizations. Rental fee and associated costs.

“Associated costs” shall include, but shall not be limited to, fees for the services of any custodial personnel, food service personnel, security personnel or other personnel deemed by the responsible administrator to be necessary in connection with the use of a school district facility. Such costs shall be at the rates set forth in the fee schedule. Rental fees and/or associated costs otherwise applicable may be waived by the Superintendent or his/her designee if such waiver is deemed by the Superintendent or his/her designee to be in the best interest of the school system and/or the Town.

E. Responsibility for Damage to Property or Loss of Property

In order to use school district facilities, any organization or individual requesting such use must agree to assume responsibility for any damage to and/or theft or loss of any school district property arising out of the use of the facilities.

F. Health and Safety Protocols

In order to use school district facilities, any organization or individual requesting such use must agree to abide by all health and safety protocols in place by the school district at the time of use, including but not limited to protocols relating to cleaning of the facilities, signage, and health screenings of individuals requesting access to the facilities.

The Board, through the administration, reserves the right to limit visits in accordance with administrative regulations.

The Board further desires to work collaboratively with parents with an educational nexus with the district, its educational programs or the student being observed, to observe their students in their current classrooms or observe proposed educational placements in the Board's schools. The Board, through the administration, reserves the right to limit observations of current and proposed educational placements in accordance with administrative regulations and the Board's Guidelines for Independent Educational Evaluations.

**ADMINISTRATIVE REGULATIONS
REGARDING VISITORS AND OBSERVATIONS IN SCHOOLS**

1. Any person wishing to visit a school building, and/or observe any student program, must obtain prior approval from the building Principal or responsible administrator of the respective school building or program.
2. A visitor to any school building or program must be able to articulate a legitimate reason for the proposed visit and/or observation. Where the visitation involves direct contact with district students, or observation of an identified student or student program, the visitor must have a sufficient educational nexus with the district, its educational programs or the student to support such request.
3. All visits must be reasonable in length and conducted in a manner designed to minimize disruption to the district's educational programs.
4. When a parent/guardian makes a request to observe an identified student or student program, the request will be reviewed with the student's parent/guardian to determine the purpose of the observation, specific questions being addressed, the location(s) of the observation, and the date, time and length of the observation.
5. When determining whether to approve a request to visit and/or observe individual students or student programs, the building Principal or responsible administrator shall consider the following factors:
 - a. the frequency of visits;
 - b. the duration of the visit;
 - c. the number of visitors involved;
 - d. the effect of the visit on a particular class or activity;
 - e. the age of the students;
 - f. the nature of the class or program;
 - g. the potential for disclosure of confidential personally identifiable student information;
 - h. whether the visitor/observer has a legitimate educational interest in visiting the school;
 - i. whether the visitor/observer has professional ethical obligations not to disclose any personally identifiable student information;
 - j. any safety risk to students and school staff; and
 - k. compliance with the Board's Guidelines for Independent Educational Evaluations, if applicable.
6. The building Principal or responsible administrator has the discretion to limit, or refuse, requests for visits and/or observations of student programs in light of the above criteria. When a requested observation is refused, the building Principal or responsible administrator will provide the parent/guardian with the reason for the decision and will work to develop alternative ways for the parent/guardian to obtain the information the parent/guardian seeks.
7. If a building Principal or responsible administrator approves a request to visit a school building and/or observe a student program, arrangements must be made in advance to ensure that the visit will not disrupt educational

programs. The length and scope of any visit shall be determined by the building Principal or responsible administrator in accordance with these regulations and accompanying Board policy. The building Principal or responsible administrator shall determine a reasonable amount of time for observations of individual students or student programs.

8. Upon arrival, all visitors must comply with any and all applicable building security procedures, including but not limited to utilizing security buzzers for access, complying with requests for photo identification, reporting directly to and signing in and out at the visitors' reception area of the school office, prominently displaying visitors' badges or other identification required for visitors to the school buildings, limiting access to those areas of the buildings and grounds for which the visitors have authorized access, and complying with directives of school officials at all times.
9. The district has an obligation to maintain the confidentiality of personally identifiable student information. All visitors and observers must restrict their visits and observations to the purpose identified in the request to visit or observe and are strictly prohibited from observing or collecting information on other students within the school. If the visitor/observer views, accesses or otherwise obtains personally identifiable student information concerning another student, the visitor/observer must notify the building Principal or responsible administrator as soon as possible.
10. All visitors and observers permitted inside school buildings or on school grounds must comply with all school health and safety protocols in place at the time, including but not limited to any health screening protocols.
11. A refusal to comply with any of the Board's policy provisions and/or regulations concerning visitors shall constitute grounds for denial of the visitor's privileges, as determined appropriate by the building Principal or designee. Such refusal may also result in a referral to law enforcement personnel, as determined appropriate by the building Principal or designee.

The Manchester Board of Education (the “Board”) recognizes the importance of school volunteers at all levels of schooling. Volunteers can enhance collaboration between the school and community, broaden the school’s educational environment and ultimately enrich students’ school experience. The Board further acknowledges that it may, from time to time, be asked to provide learning experiences for student interns within the school environments, which experiences are not part of the teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes. In recognition of the benefit of having volunteers, interns and other such non-employees providing services within the schools, the Board supports the involvement of these individuals in accordance with suitable regulations and safeguards to be developed by the Administration.

Volunteers, interns and other such non-employees working within the schools (“volunteers”) must work under the supervision of Manchester Public Schools (“District”) staff. Volunteers are held to the same standards of conduct as school staff and must observe all Board policies, including applicable policies on the confidentiality of student information.

Volunteers may be required to submit to state and federal criminal record checks and a record check of the Department of Children and Families (“DCF”) Child Abuse and Neglect Registry. No person who is required to register as a sex offender under state or federal law, or whose name is currently listed on the DCF registry, may volunteer in the District.

All volunteers must comply with all school health and safety protocols in place at the time, including but not limited to any health screening protocols.

No employee of the District shall serve as a volunteer in any capacity, except as may be approved by the Superintendent or his/her designee based on the specific situation.

Persons interested in volunteering their services should contact the school principal.

ADMINISTRATIVE REGULATIONS REGARDING SCHOOL VOLUNTEERS, INTERNS AND OTHER NON-EMPLOYEES

Screening Procedure

The following procedure has been established for screening volunteers, interns and other non-employees ("volunteers") within the Manchester Public Schools (the "District"). For the purpose of this procedure, volunteers are defined as those individuals who volunteer their time to assist in schools for the benefit of the student body with the express knowledge, consent and direction of a District employee. Student interns are defined as individuals currently enrolled in a post-secondary program for which an authorized internship is required or for which the student may be granted credit as part of an approved course of study; however, student interns are not students who are enrolled in a teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes. As with other volunteers, all student interns must be approved in advance by the building administrator or his/her designee and must be under the direction of a Board employee.

This procedure identifies those situations in which an individual may be required to submit to state and federal criminal record checks and a record check of the Department of Children and Families ("DCF") Child Abuse and Neglect Registry within 10 days of application and/or request to volunteer within the District. All results must be received by the **[Human Resources Office]** before the volunteer may commence his or her services. Volunteers required to submit to such checks shall be subject to such checks at least every five (5) years, or more frequently in the discretion of the District. The results of such checks shall be maintained by the **[Human Resources Office]** for a period of five (5) years. No person who is required to register as a sex offender under state or federal law, or whose name is currently listed on the DCF registry, may volunteer in the District.

Screening Procedure Definitions

The District has identified two classifications of volunteers: Group I and Group II.

Group I

Volunteers will be classified in Group I when they assist school staff members with school activities in the presence of a District employee. Background checks will not be required of Group I volunteers. Group I volunteers are those who assist school staff members with school activities such as those listed below:

- a. assisting in a classroom, cafeteria, or library when a staff member is present; or
- b. accompanying a class on a field trip during the school day with a staff member; or
- c. helping in the school office during regular school hours; or
- d. assisting in the cafeteria or library during regular school hours; or
- e. assisting during extracurricular events (*e.g.*, dances, fairs, open houses, sporting events).

Group II

Volunteers will be classified in Group II when they provide services to students when not in the direct presence of a District employee. Group II volunteers will be required to complete a consent form regarding the release of information concerning any prior or pending criminal offenses, and such volunteers will be required to submit to a record check of the DCF Child Abuse and Neglect Registry. Group II volunteers are those who engage in activities such as those listed below:

- a. accompanying a class on a field trip in which the plans include that students be divided into small groups supervised solely by the volunteer chaperone for any length of time; or
- b. chaperoning an overnight field trip; or
- c. working in direct contact with students without the direct presence of a District employee; or
- d. working as a student intern; or
- e. coaching.

Upon receipt of DCF Child Abuse and Neglect Registry results indicating that the volunteer is involved in an abuse or neglect investigation or that the volunteer is listed as a perpetrator of abuse or neglect on the DCF registry, the Superintendent or his or her designee will notify the volunteer of the results of the DCF registry check and will provide an opportunity for the volunteer to respond to the results of the DCF registry check. No person who is required to register as a sex offender under state or federal law, or whose name is currently listed on the DCF registry, may be approved to volunteer within the District.

When a criminal record check of a volunteer reveals a criminal conviction, whether disclosed or undisclosed on the volunteer's consent form, the Superintendent will make a case-by-case determination as to whether to allow the individual to volunteer in the District. Prior to any such decision by the Superintendent or designee, the Superintendent or designee shall inform the volunteer and shall provide an opportunity for the volunteer to respond. Notwithstanding the foregoing, the falsification or omission of any information on a volunteer consent form, including, but not limited to, information concerning criminal convictions or pending criminal charges, may be grounds for the Superintendent or designee to prohibit the individual from becoming a volunteer.

Prior Approval Required

All school volunteers (including student interns or other non-employees working in the schools) must be approved in advance by the building principal or other administrative designee. The school district, acting through the appropriate building administrator or his/her designee, reserves the right to discontinue or disallow the services of any volunteer at any time at the discretion of the administration.

Sign-in Procedure

All volunteers must report to the school office upon arrival to sign in and must report to the office prior to departure to sign out. A sign-in/sign-out log will be maintained in each school office. Volunteers must indicate the purpose of their visit and include any other information (*i.e.*, destination, proof of identification, etc.) as may be required by the log. Additionally, volunteers will be provided with identification badges, which must be displayed during each visit. All volunteers must comply with all school health and safety protocols in place at the time, including but not limited to any health screening protocols.

It is the policy of the Manchester Board of Education (the "Board") to implement a green cleaning program in which the Board procures and properly uses environmentally preferable cleaning products in school buildings and facilities. Pursuant to subsection (a)(2)(A) of section 10-231g of the Connecticut General Statutes, any disinfectant, disinfecting cleaner, sanitizer or any other antimicrobial product approved by federal law may be used by the Board.

The Board shall provide the staff of each school and, upon request, the parents and guardians of each child enrolled in each school with a written statement of the school district's green cleaning program. Such notice shall include (1) the types and names of environmentally preferable cleaning products being applied in schools, (2) the location of the application of such cleaning products in the school buildings and facilities, (3) the schedule of when such cleaning products are applied in the school buildings and facilities, (4) the statement, "No parent, guardian, teacher or staff member may bring into the school facility any consumer product which is intended to clean, deodorize, sanitize or disinfect." and (5) the name of the school administrator, or a designee, who may be contacted for further information. Such notice shall be provided to the parents or guardians of any child who transfers to a school during the school year and to staff hired during the school year.

The Board shall make such notice, as well as the report submitted to the Department of Education pursuant to subsection (a) of section 10-220 of the Connecticut General Statutes (*i.e.*, required report on condition of facilities, action taken to implement the Board's long-term school building program, indoor air quality and green cleaning program), available on its web site and the web site of each school under such board's jurisdiction. If no such web site exists, the Board shall make such notice otherwise publicly available.

I. Statement of Policy

The Board of Education will provide transportation for students under provisions of state law and regulations. In determining the provision of transportation, the superintendent of schools shall consider the guidelines contained in this policy and shall administer the operation so as to:

1. provide for the safety of students, including consideration of hazardous conditions whether or not described in this policy;
2. provide for appropriate supervision for students while on school transportation, consistent with the Board's student discipline policy; and
3. assist disabled students by providing appropriate specialized transportation when required by law.

II. Definitions

1. "School transportation" means the procedure, program, or implemented plan by which a pupil is transported to and/or from school from the pupil's residence or the assigned bus stop at public expense, whether by use of publicly owned equipment or by contract. Such transportation shall be over public roads approved and maintained by the municipality or the state of Connecticut, or private roads approved pursuant to C.G.S. Section 10-220c.
2. "Walking distance" means the linear measure of a prescribed or authorized pedestrian route between the pupil's residence and the pupil's school from a point at the curb or edge of a public or private road nearest the pupil's residence to a point at the entrance of the school, or a safe entrance to the school grounds located within one hundred feet of the school building entrance or the bus pick-up area, or the route from the point on the public thoroughfare nearest the residence to the school bus or vehicle embarkation point established by the [] Board of Education.
3. "One mile walking distance" means a reasonable measurement of a route to be traversed extending from the point of measurement at least 5,280 feet, but not more than 5,380 feet.
4. "Grade K" means kindergarten, or a school program appropriate to a beginning pupil.
5. "Hazard" means a thing or condition, as prescribed in this policy under "Hazardous Conditions" that affects the safety of pupils walking to or from school and/or to or from a designated bus pick-up area.
6. "Sidewalk" means a portion of the landscape right of way approximately three feet wide, usually parallel to the traffic lanes which may be paved or unpaved, and marked by curbing, drainage ditch, grass area or fencing; apart from and independent of any white line safety markings along the street pavement.
7. "Raised walk area" means a portion of the landscape right of way approximately three feet wide, usually parallel to the traffic lanes which may be paved or unpaved, distinguished by some

elevation above the street pavement level and marked by curbing, drainage ditch, grass area or fencing; apart from and independent of any painted safety markings along the street pavement.

8. "Walking route" means the route that the student is expected to travel between his/her residence to and from school and/or an assigned bus stop.
9. "Bus stop" shall be defined as a geographical location designated by the Board of Education, school administration or their designee where students can safely wait for purposes of embarking or disembarking a school bus.
10. "Pupil" means any individual of school age enrolled in a public or nonprofit private school located within the school district or contiguous school district as the case may be.

III. Provision of Transportation

Transportation by private carrier may be provided whenever such practice is more economical than using school district-owned/leased facilities. If parents volunteer, and the administration permits, parents may be reimbursed for transportation of eligible students whenever such practice is more economical or convenient for the school district.

In determining the provision of transportation for resident public and eligible private school students, the following guidelines regarding walking distances will be considered. Distance measurements will be based on the most direct route from the student's home beginning at a point at the curb or edge of a public road or highway nearest the home to the edge of the school property or bus pickup areas.

<u>Grade</u>	<u>Limit</u>
K	1 mile
1-3	1 mile
5-8	1 1/2 miles
9-12	2 miles

Students living within the stated distance limits will receive transportation when, in the opinion of the Superintendent of Schools, it is in the best interests of the district to provide transportation.

IV. Access to Bus Stops/Transportation and Behavior

Parents and/or guardians are responsible for ensuring the safety of their children up until the point when students board the school bus or other school provided transportation, and after students get off the bus after school. This responsibility includes the selection of walking routes to/from any bus stop and/or the school building, compliance with health and safety precautions at the bus stop and along walking routes, and the provision of supervision that is appropriate to the student's age, maturity and conditions along the walking route and/or at the bus stop at all times.

Given that bus pick up times may vary, the Board expects that parents and/or guardians will ensure that their children arrive at the bus stop in advance of any scheduled pick up time.

Students accessing school transportation are expected to behave in an appropriate manner, in

accordance with all school rules and regulations. The Board's policies and procedures concerning student discipline shall apply to student behavior while accessing student transportation.

V. Hazardous Conditions

The administration shall consider the following guidelines for hazardous conditions when making decisions regarding the transportation of children:

1. Except as provided in Paragraph 7 of this Section, a street or road, along a designated walking route to or from school and/or to or from a designated bus pick-up area, having an adjacent or parallel sidewalk or raised walk area shall be deemed hazardous when any one of the following conditions exist:
 - a) For pupils under age ten, or enrolled in grades K through 3:
 - (i) the absence of a pedestrian crossing light or crossing guard where three or more streets intersect, and a pupil is expected to cross the street; OR
 - (ii) street crossings where there are no stop signs or crossing guards and the traffic count during the time that pupils are walking to or from school exceeds sixty vehicles per hour at the intersection, and a pupil is expected to cross the street.
 - b) For pupils over age ten, or enrolled in grades 4 through 12, the absence of a traffic light or stop signs or crossing guard at an intersection where three or more streets intersect which has a traffic count which exceeds ninety vehicles per hour during the time that pupils are walking to or from school, and such pupils are expected to cross the street;
 - c) For all pupils:
 - (i) any street, road, or highway with speed limits in excess of forty miles per hour which does not have pedestrian crossing lights or crossing guards or other safety provisions at points where pupils must cross when going to or from school or the bus stop; OR
 - (ii) the usual or frequent presence of any nuisance such as open man-holes, construction, snow plowed or piled on the walk area making walkways unusable, loading zones where delivery trucks are permitted to park on walkways, commercial entrances and exits where cars are crossing walking areas at speeds in excess of five miles per hour, and the like, including such nuisances which are hazardous or attractive to children.
2. Any street, road, or highway, along a designated walking route to or from school and/or to or from a designated bus pick-up area, that has no sidewalks or raised walk areas shall be deemed hazardous if any one of the following conditions exist:
 - a) For pupils under age ten, or enrolled in grade K through 3:
 - (i) any street, road, or highway possessing a traffic count of sixty or more vehicles per hour at the time that pupils are walking to or from school; OR
 - (ii) any street, road, or highway possessing a speed limit in excess of thirty miles per hour.
 - b) For all pupils:
 - (i) the presence of human-made hazards including attractive nuisances, as stated in 1(c)(ii) above; OR

- (ii) any roadway available to vehicles that does not have a minimum width of approximately twenty-two feet; OR
 - (iii) any roadway available to vehicles that, when plowed free of snow accumulations, does not have a minimum width of approximately twenty feet; OR
 - (iv) any street, road, or highway where the line-of-sight visibility together with posted speed limits do not permit vehicular braking/stopping in accordance with the Connecticut Drivers Manual or Department of Transportation, Division of Design Standard, or other reasonable standard.
- 3. Any walkway, path, or bridge, along a designated walking route to or from school and/or to or from a designated bus pick-up area, in an area adjacent or parallel to railroad tracks shall be considered hazardous unless a suitable physical barrier along the entire pedestrian route is present and fixed between pupils and the track; and any crossing of railroad tracks carrying moving trains during hours that pupils are walking to or from school or to and from a designated bus pick-up area shall be deemed hazardous unless:
 - a) a crossing guard is present; OR
 - b) for pupil under age ten, an automatic control bar is present at crossings; OR
 - c) for pupils over age ten, a bar or red flashing signal light is operational.
- 4. For pupils in grades K through 4, the following conditions shall be deemed hazardous:
 - a) a lake, pond, stream, culvert, water-way, or bridge shall be deemed a hazard in the absence of a fence or other suitable barrier fixed between the pupil and the water; OR
 - b) any area adjacent to a roadway, sidewalk, or bridge, along a designated walking route to or from school and/or to or from a designated bus pick-up area, having a drop of three or more feet per four feet of travel length on either side of the established lanes, in the absence of a fence or other suitable barrier.
- 5. For pupils in grades K through 8, walking to or from school or the bus stop at any time prior to one-half hour before sunrise or any time one-half hour after sunset shall be deemed hazardous.
- 6. For all students, walking along any street, road, walkway, sidewalk, or path designated as a walking route which passes through an area which has a history of aggressive acts of molestation resulting in actual or threatened physical harm or moral degradation during the hours when pupils ordinarily walk to or from school shall be deemed hazardous.
- 7. It shall not be a "hazard" or "hazardous condition" for a pupil whose residence abuts a public street, road or highway to (1) wait for the bus on the private property where the pupil resides for the school bus, until the school bus's flashing red lights are activated to stop traffic so that the student can enter onto or cross the public street, road or highway to get on a school bus; or (2) exit a school bus that is stopped on the public street, road or highway, when the bus's

flashing red lights are activated to stop traffic so that the pupil can enter onto or cross such street, road or highway to access the private property where the pupil resides.

VI. Applicability and Exceptions

1. This policy is applicable to public road approved and maintained by the municipality or state of Connecticut, or private roads approved for passage of school transportation vehicles in accordance with C.G.S. Section 10-220c.
2. Special Education pupils and pupils eligible for accommodations under Section 504 of the Rehabilitation Act shall be judged on an individual basis, and appropriate transportation provided.
3. The Superintendent of Schools may grant an exception to any guideline set forth in this policy where a peculiar condition or combination of conditions renders such condition(s) a hazard based upon reasonable judgment; or where under the circumstances, other conditions exist under which the safety of students necessitates a variance with the guidelines within this policy.

VII. Complaint Procedure

1. All complaints concerning school transportation safety shall be made in writing to the Superintendent of Schools or designee. The Superintendent or designee shall maintain a written record of all such complaints, and shall conduct appropriate investigations of the allegations in a timely manner. The investigation shall include 1) the review of the complaint raised with appropriate personnel responsible for transportation of students and 2) the opportunity for the parent or other person making the complaint to meet with the Superintendent to discuss the complaint and any possible resolution thereof.
2. Annually, within thirty (30) business days of the end of the school year, the Superintendent of Schools or designee shall provide the Commissioner of Motor Vehicles ("Commissioner") with a copy of the written record of complaints received during the previous twelve (12) month period.
3. The Superintendent of Schools or designee shall make a written report of the circumstances of any accident within the Board's jurisdiction and knowledge, involving a motor vehicle and any pedestrian who is a student, which occurs at a designated school bus stop or in the immediate vicinity thereof, to the Commissioner within ten (10) business days thereafter on a form prescribed by the Commissioner.
4. If a complaint covered by Section 10-186 of the Connecticut General Statutes, and is not resolved by the Superintendent, the Superintendent shall inform parent or guardian, or an emancipated minor or a pupil eighteen years of age or older, of the right to request a hearing regarding the complaint. Such hearing, if requested, shall be held in accordance with Section 10-186 of the Connecticut General Statutes, as it may be amended from time to time.
