SCHOLARSHIPS — AN INTRODUCTION

Bede's scholars embody the values and purpose of the Prep School. They are pupils who excel academically or in their chosen field of drama, art, music, dance or sport. They are pupils who recognise that being a scholar carries responsibilities of leadership and role-modelling and are enthusiastic about the opportunities available at Bede's. Scholarships are made with a commitment from Bede's Prep School to develop and extend the award holder's talents by providing expert tuition and coaching within a supportive culture that challenges each child to expect more of themselves. Being a scholar is a public acknowledgement of a young person's outstanding ability or talent and is viewed as prestigious within our school community.

CONDITIONS OF SCHOLARSHIPS

- All candidates are judged on their apparent merits and the school reserves the right not to make an award if there are no candidates judged to be of sufficient merit.
- All awards are tenable until the end of Year 8 and are reviewed annually.
- Candidates may apply for a maximum of two awards.
- Pupils already at the school who are judged to be potential scholars will be invited to enter the scholarship process in consultation with their parents. If you have any queries regarding this matter, please contact prep.admissions@bedes.org
- The school reserves the right to withdraw any award if, in the opinion of the Head of Prep School,
 - the pupil is performing academically below expectation
 - the pupil is not presenting as a role model in the school community
 - the pupil is failing to meet the terms of their scholarship
 - the pupil's conduct falls below the standard expected
 - the pupil's actions detract from another pupils' learning.
- Awards are made on the recommendation of the Scholarship Committee to the Headmaster.
- Bede's Prep School scholarships are not transferable to Bede's Senior School. Scholarship assessments take place in Year 8 for entry into the Senior School at Year 9.

FEE REMISSION AND BURSARIES

The aim of The St Bede's School Trust is that, where possible, fee concessions are means-tested.

- Scholarships may carry a small non means-tested concession, of between 5% and 20%, awarded on an individual basis.
- A family may wish to apply for a means-tested bursary to 'top up' such a concession. Bursaries are based on a family's individual financial circumstances and subject to sufficient funds being available.
- An award and a bursary combined will not exceed 50% of fee remission.
- Those applying for means-tested scholarships who are unsuccessful in achieving an award, are not commonly awarded bursaries.
- The value of any concession made shall remain confidential between the family and the school and an award might be withdrawn if this confidentiality is breached.
- Any discount offered as a scholarship or bursary is applied to the tuition element of fees only (ie the 'day' fee). Boarding supplements and all other extras remain payable in full.

The scholarship application form asks parents to indicate if they will be applying for a means-tested concession. An application form for bursarial assistance can be obtained from the Admissions team, prep.admissions@bedes.org and should be completed and returned to the Bursar by the scholarship application deadline.

It should include a selection of work which demonstrates a variety of skills and reflects the ideas, interests and abilities of the candidate. This may include drawings, paintings, collage, printing, photography or 3D work.

We are interested in refinement in the drawing, but also like to see evidence of sketches, ideas, collected images, postcards and notebooks which offer a sense of the candidate's own particular visual creativity. In progress or unfinished drawings may also be shown. We encourage interesting sketchbooks rather than neat, mounted and 'over presented' work.

If they have visited a gallery or have a favourite artist, we would welcome any drawings or notes in their sketchbook about this.
