AT WEST END DAY SCHOOL,  
WE ARE COMMITTED TO MAKING

# EVERY SINGLE DAY

AN OPPORTUNITY FOR OUR  
STUDENTS TO GROW IN WAYS  
NEVER THOUGHT POSSIBLE.

These opportunities come to life through our commitment to providing Mission-centered programming and specialized counseling services to our students. Our dynamic, small-group academic program provides individualized care and attention. Integrating this with our social-emotional approach helps cultivate strong relationships, which is central to our students' success. This collective, child-centered focus is what makes us *More Than A School*.

## Our Everyday Commitment Needs Your Philanthropic Support Today.

Your generosity enables us to further build upon our foundation of support and care, providing the best educational environment for us to understand, teach, and help our young learners reach their full potential. The day-to-day cost of the individualized education that WEDS provides cannot be covered by tuition alone, with the current gap amount at \$5,000 per student.

## Together We Can Make a Difference - Every Day.

Giving at any level sends a powerful message to our community that you support our Mission - and we are so thankful for that. Our goal is for 100% community participation, so please show your support by making a gift that is meaningful to your family. Please note, all gifts to West End Day School are tax-deductible to the full extent permitted by law.

If you have any questions regarding our Annual Fund, please contact our Director of Advancement, Dalton Richardson, at [drichardson@westenddayschool.org](mailto:drichardson@westenddayschool.org) or (212) 873-5708 ext. 307.

We have also enclosed a return gift envelope for your convenience.
