**SCHOOL-BASED FUNDRAISING**

The District recognizes that fundraising activities are important to the operation of a school. They may provide resources to conduct activities for students, purchase some supplies or equipment not provided for through the district operating budget, meet operating expenses of parent groups/booster clubs, and related purposes. They also provide opportunities for parents, staff and students to join in activities which develop rapport, build unity, enhance teamwork, and promote the school's identity. In order to assist principals in administering fundraising activities sponsored by site groups, the following procedures will be utilized.

1. All school sponsored groups (French club, NHS, Chess club, etc) and school related groups (Booster club, band parents, etc) will submit a proposal to fund raise. Each proposal will be reviewed by the principal and/or designee and will include the following: *Description of activity- Rationale for fundraising- Date, time & location- Person(s) collecting and receipting money- How money will be used.*
2. Each principal and/or designee will be responsible for the following: *Coordinating all fundraising activities within the school- Establishing appropriate accounting controls- Ensuring a safe environment for students to conduct fundraising activities (No door to door solicitations).*
3. All groups must have written permission from the principal BEFORE any product is ordered or selling begins.
4. Principals may develop and disseminate individual school guidelines for fundraising as necessary beyond these guidelines.

**All fundraising activities, District level and school-based, must:**

- Designate the non-profit agency or philanthropic activity to benefit from fundraising OR, Show a need to fund designated programs/activities that have been reduced or eliminated through budget reductions
- Support the approved program beyond the District budgeted funds
- Indicate a timeline for raising funds
- Develop criteria for disbursement of funds which is in accordance with federal and state laws, including the IRS code, state tax laws, and District collective bargaining agreements
- Be appropriate to the philosophy and goals of the District
- Must be noted on the fundraising calendar to avoid impacting other fundraising activities

1. **Application must be submitted by staff member responsible at least 1 month prior** to the event. Approval of fundraising proposal does not imply approval of building use or field trips connected to the same activity.
2. **Building Use application must accompany the fundraising request** if any part of the \_\_\_\_\_ building or grounds will be used at any time during the fundraiser. Usage fees or liability insurance may be required. (See Doug Boyer)
