

Community Outreach Update

A TRIBUTE TO OUR SUPPORTERS

Sanger ISD Board of Trustees unanimously voted to accept a gracious donation of \$4,500 from the North Texas Trinity Cowboy Church to the Community Outreach Program.

In memoriam of two great families that will be missed: Linda Raabe and Ben Buckwalter. The Buckwalter family continues the dream.

Pictured with the Board are Pastor Ken Peterson, Treasurer Loretta Cantrell and Outreach Coordinator Janice Meeker, and District Liaison Marta Chavez

In keeping with our Theme - "YOU Matter"

We want you to know that without your support, the families and children needing assistance in so many ways would not be able to get to their next step. Instead, because of you, not only do they see Hope and a Light at the end of the tunnel, they reach their Goals! *A child won't go to bed hungry and a student will succeed!*

North Texas Trinity Cowboy Church - This tradition started many years ago, (around 2008) with Patrons Linda & Jon Raabe, providing breakfast food for the school children in need. Hence this is how *our "Friday Backpack Program"* was born.

Through the years many other parishioners have made the magic happen; this year the Buckwalter Family keeps the dream going.

WE are so appreciative!

Kiwanis Club – Amanda Gibson & Debra Reaves-Thank you for providing our 5th graders with their essential package and also for partnership with *First Refuge & Kiwanis Dental and Medical Clinical* Services provided to our families.

A special shout out to *Region 11, Lesley Cathey, REACH* Project Team Lead for always being ready to assist in any McKinney-Vento situation.
