Dear Community Patron,

The 2023-2024 School Year is underway!

Your support of our school district has always been greatly appreciated, and you do not want to miss out on this opportunity to showcase your logo on our "Purple Bus."

Our story begins in 2008 with an idea from the Rotary Club to turn an old bus into what is now known as the "Purple Bus." The Lion's Club then took over and gave it a shine, and with the help of our community, staff, and students, books came running in, and our Mobile Library was complete! Our Purple Bus can be seen around town at different events and campuses yearly. We have been out of commission for a few years due to COVID, so we are excited to be back on the road. We recently took to the streets during the summer months, traveling to many community neighborhoods, and saw over 200 students. At each stop, students can board the bus to look at all the books and select up to four books to take home to continue their reading adventures.

Partnering with us allows your company's logo to travel on the many adventures our Purple Bus will make throughout the year! We invite you to review the attached sponsorship form and let us know how we can share your story on our adventures.

If you or representatives from your organization would like to discuss this opportunity further, we invite you to call our office at 940-458-4859 or email Marta Chavez at marta.chavez@sangerisd.net and let us answer any questions you may have.

Deadline: November 1, 2023.

Thank you, and we look forward to our new and continued partnerships. Be sure to stop by and see us at the *Sanger Sellabration on October 28.*
