11. BACKGROUND CHECKS - SAFEGUARDING CHILDREN & REHABILITATION OF OFFENDERS ACT 1974

Prior Park Schools are committed to safeguarding and promoting the welfare of children and young people and expect all staff, trustees and volunteers to share this commitment. We routinely carry out Criminal Background checks with the Disclosure and Barring Service for all positions which amount to regulated activity.

The role you are applying for is exempt from the Rehabilitation of Offenders Act 1974 and the School is therefore permitted to ask you to declare all convictions and cautions (including those which would normally be considered "spent") in order to assess your suitability to work with children. If you are successful in being shortlisted for this role, you will be required to provide information about your suitability to work with children by completing a self-declaration form prior to interview. In this form you will be required to provide details of all spent and unspent convictions and cautions. Any disclosure will be discussed at interview. **However, you will not have to disclose a caution or conviction for an offence committed in the United Kingdom if it has been filtered in accordance with the DBS filtering rules.**

Having a criminal record will not necessarily prevent you from taking up employment with the School. Any information given will be treated in strict confidence and will be considered only in relation to your application for this post. For further information on which offences should be disclosed please visit <https://unlock.org.uk/> and/or view the flowchart on our vacancies webpage. The School will assess each case on its merits and with reference to the School's objective assessment criteria set out in the School's Safer Recruitment Policy and Procedure (including Recruitment of ex-Offenders).

The role you are applying for meets the legal definition of regulated activity with children. If you are successful in your application, you will be required to apply for an enhanced DBS certificate. Employment with the School is conditional upon the School being satisfied with the result of the Enhanced DBS Disclosure. Any criminal records information that is disclosed to the School will be handled in accordance with any guidance and / or [code of practice published by the DBS](#).

The School will also carry out a check of the Children's Barred List. Please be aware that it is unlawful for the School to employ anyone to work with children if they are barred from doing so, and it is a criminal offence for a person to apply to work with children if they are barred from doing so. **The Declaration Section of this Form therefore asks you to confirm whether you are barred from working with children.**

12. DECLARATION

As the job for which you are applying involves substantial opportunity for access to children, it is important that you provide us with accurate answers and that you make the relevant declarations, as stipulated below.
