2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Principal's Message

The purpose of the School Accountability Report Card is to provide parents with information about the school's instructional programs, academic achievement, materials, facilities, and staff. Information about the Westminster School District is also provided. The hard-working staff at Clegg Elementary School is both skilled and dedicated to the success of our students. We are fortunate to have many experienced and knowledgeable teachers eager to make a difference for our students. We believe in a student-centered approach, which provides an atmosphere in which a child's social, emotional, and intellectual needs are equally important. All students have special talents and are given opportunities to develop those talents. We really care about each one of our students. Through our hard work together, each of our students will be challenged to reach their maximum potential.

At Clegg Elementary School, we believe we provide the essential components of a quality school program. A rigorous academic curriculum is in place that meets the needs of all levels of students. Supplemental assistance programs are provided to help students who are achieving below grade level. We have two Reading Intervention Teachers for grades TK-2 and 3-5, with an additional full-time Primary Support Teacher that supports students K-2 that require intervention. A wide variety of extracurricular activities are offered to meet the vast interests of our student body. High standards for academic achievement and student behavior are emphasized and reviewed regularly.

Clegg Elementary School is in its eighth year as a STEAM Magnet School. STEAM stands for Science, Technology, Engineering, Arts and Mathematics. The program has a focus on problem-based learning through the integration of all subjects. It promotes learning through activities, experiments, and projects. Students are challenged to think critically and develop skills that they will carry with them long after they leave Clegg Elementary. Student projects in the area of STEAM will be shared with parents and the community at the end of the first and third trimester at our STEAM Showcase events. We also do grade level showcases at the mid-year point of the school year. The Clegg staff is currently being trained on Project Lead The Way, which will enhance or STEAM program here at Clegg for many years to come.

Additionally, parents and the community play a very important role in the school. Understanding the school's educational program, student achievement, and curriculum development can assist both school and community in ongoing program improvement. Parent groups such as Parent Teacher Student Association and School Site Council are valued organizations on the Clegg Elementary campus.

2021-22 School Overview

We have committed to providing the best educational program possible for our students. Our motivated students, highly committed staff, and dedicated parents make the excellent quality of our program possible.

Our mission is to have all students learn at high levels in a safe, supportive, challenging environment that empowers them to become life-long learners, as well as responsible, productive citizens. Staff, parents, and members of the community work together in a committed partnership to ensure that the academic, social, emotional, and physical needs of all children are met.

Our vision is to challenge and educate all students to achieve at high levels and become independent life-long learners in a competitive society.

Community & School Profile

Westminster School District is located 35 miles southeast of Los Angeles in the city of Westminster, California, in beautiful Orange County. Real estate opportunities, self-owned businesses, marketing companies, and a variety of private and public sector organizations enrich the local economy. The district serves grades kindergarten through eight in the Westminster area as well as the neighboring communities of Garden Grove, Huntington Beach, and Midway City. The district is comprised of seven K-5, six K-6 elementary schools, and three middle schools. Clegg Elementary School is located in Huntington Beach and is surrounded by a picturesque city backdrop. Clegg Elementary School operates on a traditional schedule with 537 students enrolled at the beginning of the 2019-20 school year. Total enrollment in the district for the 2019-20 school year was approximately 9,030 students. Student body demographics are illustrated in the chart.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Westminster School District held a hearing on October 8, 2020 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. The State of California. Core subject textbooks and instructional materials are provided for each student, including English Learners.

Standards-aligned texts and materials are reserved both for use in the classroom and to take home. All textbooks and instructional materials used within the school are aligned with California State Frameworks, State Board of Education, and District Standards.

Westminster School District is actively involved in the selection process of materials and textbooks. The selection process involves teachers, administrators, district support personnel, and parents. The district follows the State of California’s Textbook Adoption Cycle, which requires every school site to review textbooks in each curriculum area within a seven-year cycle; textbooks are replaced at the rate of one subject area per year. The table contains a list of the most recent textbook adoptions in core curriculum areas for the school as of October 2020.

School Facility Conditions and Planned Improvements

Clegg Elementary School offers a safe and secure campus for students, staff, and visitors. The chart displays the results of the most recent facility inspection provided by the district in August 2020.

Cleaning Process & Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, multipurpose room, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

Maintenance & Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service that emergency repairs are given the highest priority.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Clegg Elementary School encourages all parents to become as involved as possible in the school. Numerous programs and activities are enriched by the generous contributions made by California State University of Long Beach's Project SERVE Program, Boys/Girls Clubs of Westminster, the Westminster Education Foundation, and the Clegg Parent Teacher Association (PTA).

Parent conferences, Lunch on the Lawns, STEAM showcases, Back to School Night and Open House are designed to welcome parents, solicit input, and answer questions.

The school also has an active Parent Teacher Student Association (PTSA) and publishes monthly information online to provide parents with updates on the school's classrooms. The PTA also sends out bi-weekly messages for all parents to keep them informed of events taking place on and off-campus. Parents are encouraged to make an appointment with their child's teacher or principal at any time.

A weekly newsletter is sent to parents via email. This newsletter informs parents of school activities and community events. Parents are also given opportunities to provide feedback to the school site in surveys sent in these newsletters.

The school website--www.clegg.wsdk8.us and the Clegg PTA email-- cleggppta@gmail.com are two other great ways for parents to keep informed, be involved, and give input on school-related activities and functions.

Parent involvement is an integral part of the school program. Due to the Covid-19, all supports are currently being offered virtually.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Clegg Elementary School offers a safe and secure campus for students, staff, and visitors. The school was built in 1967 and provides up-to-date facilities and adequate space for students and staff. Clegg Elementary School is comprised of a kindergarten area, library center, intervention center, multipurpose room, and 27 classrooms. Clegg Elementary also has a STEAM Lab, a Speech and Counseling room and an additional Resource room where interventions are provided for students on a daily basis. The school also enjoys a spacious playground with swings, a slide, play bars, and grassy fields for running, sports, and games.

Clegg Elementary School’s Comprehensive School Site Safety Plan is reviewed annually to ensure the protection of students and staff, the school and school property, and to establish a climate that is conducive to learning. All staff members have copies of the plan and annually attend in-service days regarding school site safety policies. Students participating in in-person instruction are supervised throughout the day by classified employees and teachers.

The school is in compliance with all laws, rules, and regulations pertaining to Covid-19 safety, hazardous materials, and state earthquake standards. At all times, the Westminster School District continues to follow CDC guidelines and abide by all health and safety measures and policies put forth by the State of California and Orange County. Safety measures enforced and resources provided to staff and students include but are not limited to:

- Providing staff and students with personal protective equipment (PPE) and sanitation supplies
- Enforcing the proper wearing of face masks
- Following physical distancing guidelines
- Providing air purifiers in all classrooms
- Installing plexi-shields (clear, physical barriers) at all staff and student desks when requested by student, teacher or parent
- Designating single-direction entrances and exits
- Providing additional handwashing stations
- Additional cleaning and sanitation of high-touch places

Additionally, earthquake preparedness drills, fire drills, and shelter in place drills are held regularly. In the event of an emergency, the school’s Disaster Preparedness Plan has clearly defined procedures to accommodate crises and emergency supplies are available.

Professional Development

Annually there are three district staff, classified and certificated, professional development days. The topics for these days are determined by the district level focus areas such as safety, curriculum adoptions and instructional supports as well as input from the staff for "voice and choice" session tailored to specific needs such as social-emotional supports and staff evaluations. In addition, the district provides monthly release time for professional teams to work and learn together. Certificated staff also participates in bi-monthly Wednesday professional development in either team professional learning communities or targeted professional training sessions. Instructional support specialists provide classroom coaching and professional development that is on-going throughout the year. District staff also attend conferences and outside training that is site determined such as behavior interventions and supports, AVID training, reading and writing conferences, technology conferences and GATE conferences.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
