October 5, 2023

## PRINCIPAL'S MESSAGE

### COLLEGE NOW

WHS partners with College Now to help our parents navigate the college application and financial assistance process. We have a new College Now Advisor this year, Mrs. Heidi Spangler. Heidi has been an Advisor with College Now since August, 2022. She was a full time advisor at Valley Forge High School in Parma last year and is excited to work with the seniors at Westlake High School this year. Prior to joining College Now, she had a long career in business-to-business publishing. She then went on to run her own consulting firm, where she focused on team development and leadership training. She enjoys working with students and using her research and problem solving skills to assist students in making their plans to enroll in college. When not busy advising students, she enjoys hiking in the Metroparks, reading, and spending time with family.

[Click here to schedule an appointment with College Now.](#) Mrs. Spangler will be at WHS on various Thursdays throughout the school year. If you have any questions for Heidi you can reach out by email: [HeidiSpangler@collegenowgc.org](mailto:HeidiSpangler@collegenowgc.org)

### FINANCIAL AID NIGHT

Financial Aid Night is Thursday, October 12th at 7:00pm. Heidi Spangler, our College Now Counselor, will be presenting information on completing the FAFSA, scholarships, student loans, and answer any questions you might have. This is a virtual presentation utilizing Zoom. If you are interested in attending, [please click here to register.](#)

### NO SCHOOL

There will be no school on Friday, October 13th.
