Notice: Health Screening

Vice President,
Laura Sanchez-Ramirez

To: Parents and/or Guardians

Clerk,
Renita Armstrong

From: Thuy Phan, RN MSN, Health Services Coordinator

Member,

California law requires schools to perform health screening by qualified personnel (school nurses). These health screenings include:

Member,
Debbie Cuadros

- Vision and hearing screening for grades K, 2, 5, 8, and 10, as well as all new elementary students.
- Students may be screened on an individual basis as needed per student, parent or staff request.

Superintendent,
Tracy McSparren

While most students pass the health screenings, those who do not will receive written notification. Often a re-screening is needed before notices are sent home.

If you do not want your child to be screened, please notify the school health office in writing.

If you have any questions or concerns please contact the health office.

Thank you.
