# UNANNOUNCED

The **SHADES Club** is proud to celebrate National Disability Employment Awareness Month, which is marked throughout October. Interestingly enough, when the celebration started in 1945, it was called National Employ The Physically Handicapped Week. In 1962, the word ‘physically’ was removed to be more inclusive of the contributions of people with other disabilities.

Also in October, we will be celebrating Italian-American Heritage and Culture Month. It is celebrated by proclamation of the President and Congress in the United States to honor the achievements and contributions of Italian immigrants and their descendants living in the United States, particularly in the arts, science, and culture. Events are held throughout the month celebrating and educating the public about Italian-American history and culture. It was first celebrated in 1989. The heritage month is in October to coincide with Columbus Day.

The **SHADES Club** is proud to celebrate National Hispanic Heritage Month or Latinx Month. It is annually celebrated from September 15th to October 15th in the United States for recognizing the contributions and influence of Hispanic Americans to the history, culture, and achievements of the United States.

**Calculators** are available for purchase in the Main Office. Please see the [student supply list](#) for more information.

Yearbooks are on **SALE!** Purchase your **2023-2024 Yearbook TODAY** for only \$38. The longer you wait, the more expensive it will be! Click this [link](#) to order!
